TO THE ELECTORS OF RICHMOND HILL

Owing to illness I regret that I was unable to attend the nomination meeting on Monday last and I will also be absent from the village on election day. In view of these circumstances I will not be able to make any personal canvass and so take this opportunity of soliciting your vote and influence.

During the years that I have served you as councillor I have always endeavoured to serve the municipality to the very best of my ability. I am a candidate for re-election and if favoured with your support I will endeavour to merit your confidence. Wishing you the compliments of the season.

ENTERTAINMENT TO BE REPEATED IN THE UNITED CHURCH HERE SATURDAY EVENING.

The Men's Class of the United Church here, again demonstrated their ability to give the residents of Thornhill and surrounding district entertainment of a very high order, when on Tuesday evening last they presented their fifth annual entertainment.

As heretofore the principal part of the program was a play enacted by members of the Men's Class and the Senior Girls' class of the Church, and which was under the personal direction of Miss Marguerite Boyle, prominent elocutionist of this village.

The title of the play was "An Old Fashioned Mother" and the various characters were portrayed very well by all the cast. The members of the cast were: Misses Lela Brillinger, Mildred Sumner, Jean McDonald, Marion Smellie, Reta Dean, Agnes Boyle, Annie Cooper and Emma Barker; Mrs. Madeleine McDonald, and Messrs N.J. Smellie, Robt. McIntosh, Bryan Sharpless, Willard Simpson, Floyd Davies, Craig McDonald, and Cecil Martin.

Other items on the program consisted of readings by Miss Marguerite Boyle, which were very interesting, and selections by the Thornhill Orchestra. The auditorium of the church was filled to capacity for the entertainment and on account of the demands of a large number of people for another presentation of the play, it has been arranged to offer it again in the United Church here, Saturday evening next, January 5th at 8 o'clock.

Y. P. S. MEETING

The newly elected officers of the Young People's Society of the United Church will be installed into their respective offices next Sunday evening, after the regular church service by the Rev. W. E. Baker. All young people are urged to be present. The opening meeting of the Young People's Society for the new year will be held in the Sunday School room next Monday evening at 8.15 p. m. Professor Meeks of Toronto will address the meeting. A very interesting programme is assured and all young people of the community are cordially invited to be present.

DID YOU EVER STOP TO THINK

By Edson R. Waite
Shawnee, Oklahoma

THAT the successful business concern today must keep on the job in order to outsell its competitors.

THAT the men who take a complacent attitude and think they are doing well enough are headed for no one knows where—but it's a cinch it's not forward.

THAT the men who are trying to sell themselves instead of their goods would find it much more profitable to sell their goods, and much easier to deliver.

THAT the men who practice the "thunder of silence" in their business should lay their ears close to the pulse of the people; they will find that if they don't tell them by advertising they won't sell them.

THAT it would be good business for a lot of men to see how their successful competitors have built big business by advertising, then build up theirs by the same methods.

THERE SHOULD BE AN AWAKENING THROUGHOUT MANY INDUSTRIES ON THE QUESTION OF ADVERTISING.

CONTINUOUS ADVERTISERS GET THE BIG BUSINESS; THEY KEEP ON TELLING THE STORY OVER AND OVER AGAIN. PEOPLE ARE FORGETFUL. IT PAYS NOT TO LET THEM FORGET.

NEWSPAPER ADVERTISING IS THE MOST EFFECTIVE REMEDY FOR A SICK BUSINESS.

WILL YOU PAY THE WAGES OF A FAITHFUL WORKER?

EVERYONE can have one tireless employee and none other will ever be able to do so much for you.

A Savings Account regularly and faithfully paid will bring financial independence and all that goes with it.

Take stock of your income now, at the turn of the year, and resolve to pay your Savings Account as regularly as you pay the rent.
