

An Avalanche of Ballots Defeats All 1928 Councillors

Reeve J. Lunau Survives and Was Re-Elected By Increased Majority.

There was a landslide in the municipal elections in Richmond Hill on Monday last which carried to defeat three members of the 1928 council, but re-elected Reeve J. Lunau to his fourth term as chief magistrate of the village. Reeve Lunau polled a splendid vote in a hotly contested race for the reeveship and had a formidable opponent in ex-councillor J. A. Greene who polled 195 votes which was forty three less than polled for the victorious candidate. Frank Sims headed the poll for councillor receiving 251 votes which was thirteen more than recorded for the winner of the reeveship. Wes Middleton finished a close second with 242 votes, Fred J. Mansbridge third with 235 and Harry Davis was elected with a vote of 212. The four councillors elect are all well known locally and all will be serving on the municipal council for the first time.

J. LUNAU
Re-elected as Reeve of Richmond Hill for the fourth consecutive time.

It would be difficult to point to any definite issue in the election which resulted in the rejection of all members of the 1928 council with the exception of the reeve. Many opinions have been expressed but from reports from all sections of the municipality it would appear that the dominant issue was a general demand for a "change." Messrs Hill, Chapman and McLean who failed in seeking re-election need have no misgivings in bowing to the will of the people. They are all capable men who gave good service to their municipality and to them for their service the electors owe a debt of gratitude, as they do to all men who serve in public office.

The council will meet on Monday morning next at 11 a.m. when the usual procedure will be to adjourn until evening for the transaction of general business. The different committees for the year will be struck and there is much speculation on the street con-

cerning who the different committee chairmen will be.

The 1929 council will have many difficult problems to face during the coming year. Several important items of unfinished business have been left as a legacy of 1928. An equalization of the assessment and the municipal hall proposal are two of the first that will probably come up. The time honored "economy" slogan was trotted out during the campaign and many of the members elect are no doubt intent on bringing about some savings in the operation of the public utilities of the municipality. The council-elect have a generous mandate from the people who will watch with interest the municipal careers of the 1929 council.

The official result of the polling by sub-divisions:

INFLUENZA - "THE FLU"

This disease is prevalent in Ontario now and while many are afflicted, it is not the severe type that was observed in 1918.

Influenza is highly communicable. The disease, though it may be severe, is of itself rarely fatal.

The severity of even the mild case is remarkably increased by respiratory or intestinal complications.

"How to Avoid Flu"

- (1) Avoid Crowds.
- (2) Exercise in the open air.
- (3) Get sufficient sleep in a well ventilated room.
- (4) Wash your face and hands frequently before eating.
- (5) Cover your nose and mouth with a clean handkerchief when sneezing or coughing.
- (6) Don't visit or come in contact

with those that have the infection unless necessity demands it.

- (7) Don't worry about the "Flu"

How to Know "Flu"

The disease usually starts rather abruptly with an "out of sorts" feeling— indefinite pains and aches, cold in the head or slight cough, fever, and sometimes vomiting or diarrhoea. Neglect of these symptoms of onset may lead to pneumonia and change a mild case into a severe one.

How to Fight "Flu"

- (1) Go to bed immediately.
- (2) Stay in bed till you are absolutely well.
- (3) Remember the period of getting well is longer than the time actually ill.
- (4) Keep your room at a temperature of 68F and well ventilated.
- (5) Call your physician at once and do exactly what he tells you.

New Whippet Cars Now On Display

Development of body liners that strike a note of beauty and quality, heretofore, found only in cars that sell in the higher price ranges, is seen in Willys-Overland's announcement of its completely redesigned lines of Whippet four and six cylinder cars.

The lowness of the prices on both lines completes the marvel of the achievement.

Willys-Overland, one of the largest automobile manufacturers now brings high priced car beauty and greater value to the low priced field in addition to presenting a car of proved mechanical excellence. This development follows just two and one-half years after his successful introduction of the original Whippet.

Mr. G. Yerex is district dealer for the Whippet cars.

Sporting Notes

The annual President-Vice President games were played at the local curling rink on Wednesday afternoon and evening. The ice was good and some very interesting games were enjoyed. President Lunau and his stalwarts proved too formidable for Vice-President, Mansbridge and his followers and the result was a 56-34 victory for the president. The prize for the largest plus donated by the two presidents was won by skip Harry Thomson. The rinks and scores were:

Mr. and Mrs. A. R. Cade and family have removed to Toronto this week. Mr. Cade has been placed in charge of a store at the corner of College and Clinton Streets.

School has re-opened. Owing to so much illness there has been but a small attendance so far, though every day sees an improvement.

The cold snap has been hard on the coal bin, but that is better than sickness and doctor's bills.

Mrs. R. J. Risebrough had an unpleasant experience the other morning. Her house caught on fire from overheated stove-pipes and the fire-reels were called. But before they arrived the young men of the farm had come in and put the fire out.

The Young People's Society last Monday evening was in charge of Miss Janet Riddle. Several interesting contests were held and Miss Joan Nuttall gave a reading. An interesting and profitable evening was enjoyed.

A great deal of sympathy has been extended to Mr. Edgar Barker and his family on the death of Mrs. Barker. The family has suffered a great deal through continued illness for a long time; first the illness of the daughter, who made a remarkable recovery and then the illness of Mrs. Barker, who, after much suffering, passed away last Sunday at the family home, Don Valley Gardens. The funeral was held on Tuesday afternoon from the Lansing Funeral Parlors of Mr. Bert Humphrey to the Zion United Church, where a service was held. The service was conducted by Rev. E. R. Young who spoke of the faith, patience and even cheerfulness of Mrs. Barker through her long and trying illness. Many friends and neighbors were present to show their respect for the departed. A special duet was sung by Mrs. and Miss Pike. Interment took place in the Zion Cemetery. Besides her husband, Mrs. Barker leaves two children, Irene and Edgar to mourn her loss.

The Zion's Woman's Association met on Wednesday afternoon at the parsonage.

THE UNITED PRAYER SERVICES

The services for United Prayer, arranged along Yonge Street, began on Monday evening at Lansing, when Rev. W. E. Baker, of Thornhill, spoke on "Christ's Call to Confession." On Tuesday evening, Rev. A. A. Wall, of Richmond Hill, addressed a good sized and very appreciative audience at Willowdale and on Wednesday evening Rev. T. G. McAteer, of Lansing, addressed a good congregation at Newtonbrook on "Christ's Call to Consecration." To-night (Thursday), Rev. George Waugh, of Willowdale, will address the united service in Thornhill on "Christ's Call to Fellowship" and on Friday evening, Rev. E. R. Young of Newtonbrook, will speak in Richmond Hill on "Christ's Call to World-wide Advance."

These meetings are held at the call of the General Church Council and it is one way in which ministers and congregations have the opportunity of making "New Year's Calls" upon one another.

Mr. Alex. Watson, we are sorry to say, is on the sick list and has been so for some time. Last reports, however, are that he is some better.

Death has struck again with startling suddenness. Miss Culham, who has lived alone for some time on Greenwood Ave., an who was actively engaged in her work and attended the funeral of Mrs. John Graham on December 31st., died just one week later. It is expected that she will be buried on Thursday.

The Official Board of the United Church will meet in the Parsonage on Tuesday evening, January 15th. On Wednesday evening, January 23rd., the annual Congregational meeting will be held in the Church.

BOARD OF TRADE

The annual meeting of the Richmond Hill Board of Trade will be held in the council chamber on Monday evening, January 21st. Election of officers and transaction of general business. A full attendance of members is especially requested for this important meeting.
