Regular Session Vaughan Council

The inaugural meeting of the Vaughan Township council was held in the township hall, Vellore on Monday afternoon with Reeve Jas. H. Robson in the chair. There were two new members around the council table. Councillor Robert Dooks is a new member and First Deputy Reeve J. T. Saigeon has returned after an absence of some years. Former Councillor Thomas M. Baker occupied the chair of the second deputy reeve for the first time and councillor William J. Johnson a member of last year's council was returned by acclamation. The new council got away to a good start which augurs well for a successful year. Reeve Robson welcomed the new members and all the members spoke briefly. It was a busy session and a lot of business was transacted but nothing of a contentious nature came up for discussion.

It was agreed to hold the council meetings this year on the first Tuesday of every month. The usual copies of the Municipal World were ordered for the councillors and officials of the township.

Some time ago the council by resolution offered an award of five dollars to anyone shooting a dog caught in the act of worrying sheep. This action was taken in an effort to reduce the loss due to the savages of dogs. George McNair appeared to claim the award and was granted ten dollars for killing two dogs. Lewis Diceman was paid five dollars for giving information leading to the killing of another stray canine.

Milton McDonald was again appointed as caretaker of the Township Hall at a salary of \$25 for the year.

Once again the sick children's hospital received the usual donation of ten dollars.

On motion it was decided to pay five dollars per day for a man and team during the months of December, January, February and March and sixty cents an hour for a man and team and thirty cents per hour for day labor during the other months of the year.

On motion of Deputy-Reeves Saigeon and Baker it was agreed to allow \$10,000 for hauling gravel during 1929, all grants to be made by the whole council in accordance with the requirements of the Ontario Highways Department.

Constables Harry Chapman and Thomas Rowntree were appointed School Attendance officers for the west and east halves of the township respectively. Other appointments were; Auditors, George M. Arnold and R. D. McNaughton; Assessors, Thomas H. Keyes division 1; Charles H. Byam division 2, Dugald McIntyre division 3; M. O. H. Dr. T. H. Presbyterian Choir Held Annual Meeting

On Monday evening of this week the Choir of the Presbyterian Church held their annual meeting in the church parlour.

At 7 o'clock the choir members sat down to a "Fowl Supper." The tables looked beautiful and were tastefully decorated with roses. After doing justice to the sumption repast, the retiring President, Miss C. L. Heise gave a short address.

Rev. C. A. Mullen was then called on and in a few well chosen words thanked Mrs. J. Atkinson, organist and the members of the choir for their hearty co-operation and untiring efforts during the year. Mr. Mullen was asked to take the chair for the election of Officers which resulted in the following being elected for 1929:--Honorary Presidents, Mrs. J. Atkinson, Miss C. L. Heise; President, Miss Margaret Ireland; Vice-President, Miss Reta Stein; Secretary, Miss Stella Mackie; treasurer, Mr. Kenneth Blanchard; Mistress of Robes, Miss Gladys Savage; Music Committee, Mrs. J. Atkinson, Mrs. K. Blanchard, Miss Lucy Savage.

RICHMOND HILL AGRICULTURAL SOCIETY ANNUAL MEETING

J. G. Routley, P. C. Hill, A. D. Buchanan and J. A. Greene New Directors.

MR. F. A. CLARK ELECTED PRESIDENT—SEED FAIR ON FEBRUARY 9th—SOCIETY ENJOYED SUCCESSFUL YEAR

The annual meeting of the Richmond Hill Agricultural Society was held on Saturday last when a very satisfactory financial report was received, new officers elected and plans formulated for the holding of the eightieth annual spring exhibition on May 24th next. President, W. H. Legge occupied the chair and along with the directors gave reports of the different departments of last year's fair.

After two years in office Mr. W. H. Legge relinquished the presidency of the society. Glowing tribute was paid to the able leadership given to the organization during his term of office by the retiring president much of the credit for the success of the institution and the splendid financial standing was attributed to his untiring efforts. Mr. Legge sincerely thanked the officers and directors for their co-operation and support during the past years without which he said no officer could carry on.

Mr. F. A. Clark was unanimously elected president for the coming year. Mr. T. H. Trench is the first Vice-President and Mr. Frank Graham 2nd Vice-President. The directors elected include some new members who should add strength to the board and are as follows; Joseph Cherry, R. W. E. Burnaby, A. B. Wells, Frank Legge George Dibb, J. S. McNair, Robert Fee, W. H. Legge, Robert Agar, J. E. Francis, Robert Thompson, Wes Palmer, G. H. Duncan, James McLean, W. A. Wright, Wes Middleton, J. Lu-

nau, A. D. Buchanan, P. C. Hill, J. A. Greene and J. G. Routley.

A vote of thanks was tendered to the auditors, Mr. A. T. Minnis and Mr. W. Hall for the splendid report which was submitted. The executive for the coming year will be the officers of the society and Messrs J. E. Francis, J. Lunau, James McLean, Robert Thompson, J. S. McNair and W. H. Legge.

It was decided to hold the Field Crop competition this year for barley and potatoes and it is hoped that the farmers of the district will enter the contest in large numbers. The annual Seed Fair will be held in the Masonic Hall on SATURDAY, FEBRUARY 9th when attractive prizes will be offered and concerning which prize lists are being published and will appear in these columns at a later date.

Arrangements were also made for a public meeting which will be held in the Masonic Hall on Tuesday, February 5th when Mr. John Buchanan, Director of Extension of the O. A. C. Guelph will address the farmers of York County on the subject of the "Enforcement of the Weed Act." The speaker will also deal with the benefits to be derived in the form of increased yields and larger profits from the use of approved seed cleaning equipment. This should be an evening of enjoyment and profit for the farmers of this district and should be largely patronized.

The financial report submitted by the secretary-treasurer was a very satisfactory one. It showed a credit balance of over \$100. A meeting of the directors will be held in the very near future.
