### Social and Personal

Mr. W. A. Fydel, newly appointed Public School Inspector for North York, paid his first official visit to the Richmond Hill Public Schools last week.

A rink of local curlers journeyed to Beaverton on Monday and enjoyed a pleasant days curling. They were successful in winning the second prize in the consolation event and the individual prizes of scarves. The personnel of the rink was; J. Atkinson, B. Bennett, J. A. Monkman, W. Cappell skip.

Mr. and Mrs. A. Grainger, of Toronto, spent Sunday with Mr. and Mrs. F. Grainger.

Richmond Hill was represented in the big Toronto bonspiel by a rink skipped by Harry Thomson. The other members of the rink were G. Moodie, H. Burnett, and C. Hunt. They report an excellent time and scored some notable victories.

A most successful progressive bridge and euchre was held in the Masonic Hall, Richmond Hill on Thursday last under the auspices of the Women's Institute. There were thirty tables in play and a very pleasant social time was enjoyed. The prize winners were: euchre, high count, Mrs. K. Blanchard, low count, Mrs. Sayers; lucky draw, Mrs. Thos. Newton, Toronto; bridge first, Mrs. Robert Thompson, Langstaff; second, Mrs. Neil McDonald, Thornhill; third, Miss Elizabeth McLean. The proceeds and donations amounted to fifty five dollars and were in aid of the Public Library. The members of the Women's Institute desire to thank all those who loaned tables, donated prizes and the local representative of Whippet cars who donated the score cards.

### SHINGLES AT REDUCED PRICES

### IT'S TIME FOR ACTION

The request for legislation to legalize the T.T.C. purchase of outside bus lines should be strongly opposed by outside municipalities such as York County. If the present T.T.C. schedule of cars, busses and rates is any indication of what the suburban areas can expect from Toronto, then their powers had best be limited to the bounds of their own municipality. It is time York County municipalities and York County citizens living north of the City organized to demand at least to know what constitute their rights in regards to the Lake Simcoe Line.

### OFFERING MANY BARGAINS

Attractive bargains are offered to the buying public at Godson Bros. who purchased the stock of Mrs. Norman Batty and are now doing business at that stand across from Hotel Richmond. A large stock of general dry goods, men's furnishings and ladies and children's wear is carried at prices which attract. You are cordially invited to visit the new store and look over the stock.

### PULLET LAYS LARGE EGGS

An ambitious barred rock pullet ten months old and belonging to Mr. W.T. Pearson, Edgar Ave., Stop 22 Yonge Street has been doing some creditable work along the line of egg production. Mr. Pearson presented the editor with a fine sample of this pullet's products in the shape of an egg measuring seven and a half inches by six and one half inches. This is a record for the pullets of the district to try and beat.

### CHOIR CONCERT

St. Mary's Anglican Church, Richmond Hill, was the scene of a quiet wedding on Saturday, February 16, when Ethel Eva, eldest daughter of Mr. and Mrs. W. Kendall, of Elgin Mills, became the bride of John Holmes Clubine, youngest son of Mr. and Mrs. D. W. Clubine, Richmond Hill. The bride attended the church to the strains of Lohegrin's wedding march played by Mrs. Mollett, of Elgin Mills. The bride wore a becoming gown of white French crepe-de-chene with shoes to match. Her silk net veil was caught with a wreath of lily-of-the valley and orange blossoms. She carried butterfly roses and maiden hair-fern and was attended by the Groom's sister, Miss Annie Clubine who wore a pale blue gown with hat to match and carried sweetheart roses. The groom was attended by the brides brother, Mr. Walter Kendall.

After the ceremony the wedding supper was served to the immediate families at the home of the brides parents and during the evening a reception was held at the home of the grooms parents. ## Letters From the People

### MEETING DISCUSSED TOWNSHIP SCHOOL BOARDS

Editor Liberal,  
Sir:—

A meeting of the School Trustees and Ratepayers of Vaughan township was held in the Township Hall, Vellore on Friday afternoon last. The meeting was called to discuss the important question of "Township School Boards". The meeting was well attended and was representative of all but three sections in the township. Mr. Constable, of Vellore, very ably occupied the chair during the proceedings.

There was no representative of the Department of Education present hence the question was discussed from many angles which showed a great diversity of opinion. Reeve Jas. Robson and Deputy Reeve J. T. Saigeon spoke in an interesting manner during the discussion.

Owing to the lack of definite data on the question it was decided to meet again at Vellore on Friday, March 8th at 2 p. m. when a representative of the Department of Education will be present to explain the details of the proposed bill and at which a decision will be made concerning the attitude of Vaughan township.

In my opinion the great conflicting point is all School Trustees were notified to lay before the Ratepayers and discuss the measure at the election of Trustees held on the last Wednesday of 1928 and to appoint delegates to Trustees convention to be held at Toronto. Yet I find on request that only (3) Three School Sections appointed delegates at the same time the whole township shows its interest by assembling at Vellore.

Why oppose the measure at Vellore only?

Why not also oppose it through your delegates to the Trustees Convention at Toronto? Surely there are men, enough Public Spirited to represent the various School Sections at Toronto on an important matter such as this which concerns the whole Township.

Whatever you do—Be Consistant. I hope Mr. Editor your business will permit of your attendance at Vellore on March 8th at 2 p. m.

I am  
Yours very truly  
JAMES WARK

### HOCKEY TOURNAMENT ON MONDAY NIGHT

RICHMOND HILL HOCKEY TOURNAMENT COMMENCES ON MONDAY NIGHT AT 8 P. M. GOOD TEAMS, TWO GAMES EVERY NIGHT AND POPULAR ADMISSION 25 CENTS.

## Extend Welcome To Two Skiers

Richmond Hill tendered a fitting welcome last Friday to the two young adventurers, Kenneth Hulme and Jack Forbes who have performed the marvelous feat of travelling from Timmins to Toronto on skis in less than twenty days and thus qualifying to win a wager of \$250.

The two skiers were met at the village limits by a committee of welcome headed by William Davies, president of the Board of Trade and were escorted into town to the honking of horns and the cheering of the crowd which turned out to join in the welcome.

An informal luncheon at which the two skiers were guests of honor was held at the Hotel Richmond at 6.30 p. m. "Mine hosts", Grant Bros. had the hotel fittingly decorated for the occasion and the guests entered the dining room under an archway formed by a pair of skis draped with the Union Jack. Mr. William Davies who acted as master of ceremonies extended a most hearty welcome to Richmond Hill and congratulated the two skiers on their feat. Short speeches were made by councillors Wes Middleton, F. J. Mansbridge, H. Davis, A. G. Savage, Magistrate G. H. Duncan, J. E. Smith and representatives of the Toronto press who were following the route of the ski trip. Both Kenneth Hulme and Jack Forbes replied in a fitting manner and sincerely thanked Richmond Hill for the warmth of the welcome extended to them.

Outside the hotel at 7.30 councillor Frank Sims introduced the skiers to a large crowd and extended an official welcome on behalf of the town.

In the evening the two skiers looked over the town and attended the Richmond Hill High School Grads basketball game at the High School. They were afterwards entertained to a pleasant evening at the Hotel Richmond.

Early Saturday morning they started on the last lap of their journey and they arrived at the City Hall, Toronto about 3.30 p. m.

### EVERY CITIZEN INTERESTED IN THE DISTRICT SHOULD SIGN THE PETITIONS

It has been brought to our attention during the week that some families are contemplating moving from the district on account of the new T.T.C. bus and radial service. We hope that no-one will take hasty action in this matter as there is a possibility that some headway may be made in obtaining a better radial service. It's up to every citizen to join in the fight to see that this district does not suffer by virtue of a poor transportation service. Sign the petitions protesting against the new schedule.
