

VICTORIA SQUARE NEWSY NOTES

The wet weather is retarding seeding on heavy clay farms, many in this section have as yet been unable to seed any of their fields.

Wheat and clovers are looking exceptionally well.

A musical and literary treat was in store for those who were entertained by the United Church choir of St. Clair Avenue, West, Toronto on Monday evening in the United Church here. Mr. Chapman, the leader had his excellent choir of about fifty, well prepared for the occasion.

The selections by Mrs. Adams, the soprano soloist and by Miss E. Armstrong, the contralto, and by Mr. Nicholson the bass, were all exceptionally well rendered and made an especial appeal to everyone in the audience. The duet "Watchman what of the Night" by Messrs Chapman and Nicholson was executed with precision.

Miss Pearl Carter delighted everyone with her humorous readings. The anthems by the choir—"Onward Christian Soldiers;" "Hark Hark my Soul;" "Handels "And to the Glory of God" and others completed one of the best programmes we have enjoyed for some time at our corner. A vote of thanks was moved the choir by Rev. A. A. Wall.

The J.W.I. will meet at the home of Mrs. Clarence Glover on Saturday, May 4th at 2.30. The roll call is to be responded to by a "Suggestion for next years programme." The address

for the afternoon will be given by Mrs. I. Graves, district president. Members are requested to pay their fee for the coming year.

HOME TOWNLETS

A newspaper can do a lot of good for a town; a town can do a lot of good for a newspaper.

A business can do a lot of good for a town, a town can do a lot of good for a business.

A community can do a lot of good for a citizen; a citizen can do a lot of good for a community.

Neither of these should wait for the other. Both should start doing at once and keep everlastingly at it. If one waits both may wait, and nothing would be done.

HERE'S HOW NASH "400"

DELIVERED PRICES SAVE YOU MONEY

ASK THE SALESMAN: "WHAT IS THE PRICE, DELIVERED, FULLY EQUIPPED?"

"400" STANDARD SIX SEDAN \$1224
Delivered, Fully Equipped, Nothing More to Buy!

WHEN a Nash "400" leaves the factory it has been furnished with all items of equipment, including chromium-nickel bumpers, front and rear, hydraulic shock absorbers, tire lock and tire cover. There is no extra charge made thereafter for these items.

So, when you see, in a motor car advertisement, a price quoted, and under it the words "All prices f. o. b. factory," you should make a mental note to ask the salesman for that car how much extra, over and above the f. o. b. price, it will cost you to have a fully equipped car such as the Nash "400."

Some dealers (not Nash dealers) charge up to \$50 or \$60 extra for bumpers alone.

Investigation will show you conclusively that the Nash way of building and selling a motor car saves you money. You will find cars of competitive makes actually costing considerably more than a Nash "400" when delivered, fully equipped, nothing more to buy!
