RECORD CROWDS ATTEND THE RICHMOND HILL SPRING FAIR

Fine weather favored the staging of the eightieth annual Spring Exhibition of the Richmond Hill Agricultural Society which was held on Friday, May 24th. It was a delightful spring day with a bright sun and gentle breeze and despite the fact that it is a very busy season for the farmers they were at the fair in full force. Hundreds of former residents were present and had a most enjoyable day renewing old acquaintances. The crowd was one of the largest which has passed through the gates for many years and from every standpoint the success of the day was most gratifying and was a source of much satisfaction to the officers and directors who have worked hard during the past months in preparation for the day.

The showing of live-stock although not large was of fine quality. Some of the finest horses in the County were on exhibit. As in former years the Sports programme was the attraction for thousands of the visitors. Softball, athletic events, horseshoe pitching were followed throughout the day by crowds of interested spectators.

A noonday luncheon was held at the United Church, when the officers and directors had as their guests distinguished visitors and judges of the day. Following the luncheon the directors and guests headed by the Stouffville Band marched to the grounds where the Fair was officially opened. The immediate past president of the Fair Mr. W. H. Legge, introduced Hon. George S. Henry who was to perform the official opening ceremony. Hon. Mr. Henry extended congratulations to the officers and directors and to the people of this district which could proudly boast of an institution such as the Richmond Hill Fair which had been held continuously for eighty years. He commended the small fairs for the work which they were doing in encouraging Agriculture throughout the province and expressed his pleasure on once again being privileged to preside at the opening of the Richmond Hill Fair.

Health Exhibit Was Centre of Much Interest

The Child Welfare Exhibit sponsored by the Ontario Department of Health and in charge of Public Health Nurse Vrooman of Richmond Hill and Dr. J. P. Wilson, M.O.H. was the centre of attraction for large numbers during the afternoon. There was no busier place on the grounds and from all the visitors were heard many favorable comments on the educational value of the exhibit. Of particular interest in the exhibit was the "House that Health Built" a novel and impressive plan to impress on the youngsters the desirability of using healthful food. The neatly constructed house had walls of cereals a roof of graham biscuits, chimneys of milk; the windows had curtains of lettuce, shutters of brown bread and sills of dates. The steps of the porch were cheese; sticks of macaroni made pillars, while the foundation was of beans and peas. A wagon was loaded with green vegetables and fresh fruits; and eggs and nuts were seen on the lawn, while rice was the white pathway leading to the door.

Horseshoe Pitching Contest

Keen interest was shown in the Horseshoe Pitching and hundreds watched the progress of the tournament during the afternoon. There were sixty entries and the newly constructed courts were in excellent shape. The prizes were most attractive and inspired keen competition from some of the most expert pitchers in the province. The championship went to Wilds and Johnston, of Toronto and second prize to Goulding and Marwood of King. The first prize in the consolation event was won by Smith & Son of Malton who were the winners last year. The second in the consolation

was won by Stouffer and Clendenning, of Stouffville.

The tournament for the ladies was an innovation this year the winners being 1st Mrs. Findlay and Miss Seager, of Thornhill; 2nd Mrs. Leusby and Mrs. McLean, of Thornhill.

Softball

There were over twenty entries in the softball tournament. Five diamonds were in play and many keenly contested games delighted the large number of fans. The sports committee headed by Mr. Wes Middleton as chairman and Mr. J. A. Greene as secretary were assisted during the day by Mr. J. G. Routley, of Toronto. The Pals club of Toronto won the men's championship with Newtonbrook nine second; Thornhill team won a popular victory in winning the girls championship with Alexandra School as runners up.

Many Attractions

Novel attractions and varied games in the midway as usual attracted a large following and was crowded throughout the day. The exhibits in the hall were of good quality and in the childrens department especially there was some keen competition. In the evening a play was presented in the Masonic Hall by the young people of Mount Pleasant. The hall was filled to capacity for the presentation which was well received by the large audience.

Victoria Square

Peach orchards of the Niagara District have courted the attention of several of our young people. The apple orchards of this township with their profusion of bloom are indeed a source of pleasure to every lover of the beautiful. Judging from blossoms on all fruit trees a bumper crop is promised.

The sudden change in the weather has caught even some quickly moving farmers napping. Mr. Chas. Hart who has one of the townships best orchards and who has been diligently spraying it considered when examining the blossoms on Monday that the time to spray would be Wednesday. On visiting his orchard on Tuesday he was much surprised to find the development in twenty-four hours was more than it had been in seventy-two hours a few days before. Grain sown last week shows green already.

The J.W.I. will meet at the home of Miss Ethel Morton on Saturday, June 1st, 1929 at 2.30 p. m. The speaker for the meeting will be a lady from "The Neighbourhood Workers." The roll call will be responded to by a "cute saying" of a small child.

Mrs. G. Schell who spent the past few months with her daughter, Mrs. Bertram Boston, is now spending the warm season with another daughter, Mrs. Howard Jackson, of Hope.

Mrs. Jennings, Miss Vera Jennings, Mr. M. Jennings, Miss C. Forester, of Toronto, were guests of Mrs. R. F. Klinck over the week-end.

We are wondering Mr. Editor if the Hydro wires which cross the fourth concession to supply customers on the opposite side of the road are not very, very dangerously low. A man driving a load of hay under them cannot possibly pass under them even lying on top of his load, and not touch them. Is it not possible a fatal accident may result?

A lecture on "Holland" illustrated with lantern-slides will be a feature

of the meeting of the Young People's Society of Victoria Square United Church on Friday, May 31st at 8 p. m. Young and old are requested to be present.

AURORA HORSE SHOW
AURORA HORSE SHOW is on again, Saturday, June 1st, 1 p. m. DAYLIGHT SAVING TIME, will see the largest and finest aggregation of Hunters, Ponies, Driving Horses, as well as Classes of Draft, Percheron, Agricultural and Work teams, assembled outside of Toronto.

The Brier Farm Competition which offers in all \$145.00 in cash and a Silver Tea Service for Brood Mares, is again heavily filling up. These are real prizes. Roadsters and Gentlemen Turnouts are attracting attention as also Ponies, Harness Horses, Clyde Percheron and Agricultural, will be well represented and awards of \$35.00, \$25.00, \$10.00, \$5.00, for teams make big drawing cards. Township Competition and Farmwork Outfits are popular and provide a show in themselves. Dairy and Beef Cattle are here in increased numbers as also Beef and Swine and the Sheep classes are doubled over last year.

The Sports include a Log Cutting contest and Horseshoe pitching. The former will provide keen excitement and the latter will test your skill at Ontario's Grand Old Game.

Remember, AURORA, SATURDAY, JUNE 1st.

APPOINTMENT OF ROAD SUPT. FOR MARKHAM LEFT FOR REGULAR MEETING

Markham Township council met in special session on Monday evening to open applications for the position of road superintendent made vacant by the resignation of Mr. L. Middleton which takes effect June 1st. Eight applications were received but no appointment was made, any action on the matter being left over until the regular meeting on Monday, June 3rd.
