WHY NOT A DIFFERENT PLACE THIS SUMMER?

Spend Your Holidays on Georgian Bay

There are many more than 30,000 Islands in Georgian Bay—they seem to be all over the map and no two are alike.

You can spend a great holiday in this district. There are hotels and boarding houses on the larger islands—their rates are reasonable—plenty of real outdoor fun—tennis, swimming, sailing and canoeing. Bass fishing is the real sport up here, though, and maskinonge are frequently taken. Anglers come back year after year.

Get the descriptive booklet "30,000 Islands of the Georgian Bay." Any agent of the Canadian National Railways will gladly supply it.

Y. P. A. colors and spring flowers. The program that followed had not a dull moment. The president, Mr. A. Hill was chairman of the evening and the applause he received signified his popularity in this organization. Rev. J. J. Robbins. The speaker of the evening was Rev. Walton who for 37 years was a missionary to the Eskimos. In his address though teeming with humorous expressions one was impressed by the striking reality of the seriousness and also of the hardships that a job such as his contains. He is indeed, a man with a vision and his address will ever be remembered by young and old as an inspiration for better service. The musical part of the program was too, very pleasing.

The ROYAL MASTER. A luxury Tire? Yes and No!

If you drive a car for one year only, Royal Masters are an extravagance. They last too long. If you drive a car as long as the average man does, Royal Masters are a positive economy. One set will see you through. The Royal Master is the best tire ever made — built with deliberate disregard for costs.

The tread is double thick. Side-walls are made with extra plies of web fabric, guarded against scuffing.

Not one Royal Master in a thousand will ever puncture. Not one in five thousand will blow out under two years of service.
