## Imposing Ceremony Marks Laying of the Corner Stone of the Lawrence Memorial Parish Hall

IMPORTANT EVENT IN HISTORY OF TRINITY  
CHURCH, THORNHILL

**LATE REV. S. A. LAWRENCE**  
Rector of the Thornhill Anglican Church 1912-18 and in honor of whose memory the new Lawrence Memorial Parish Hall has been named.

An important event in the history of Thornhill and the North Yonge Street district was marked on Wednesday evening, when the corner stone of the new Lawrence Memorial Parish Hall, of the Thornhill Anglican congregation was well and truly laid with fitting and imposing ceremony.

The ceremony was carried out in the presence of over two hundred people and numbered among the visitors were prominent members of the clergy from Toronto and all sections of York County. The service opened in the church and in his introductory remarks Rev. N. H. Noble, rector of the parish pointed out the need which had long been felt for a parish hall. "It has also been the wish," he said "of this congregation to raise a fitting memorial to the late and much loved rector, Rev. S. A. Lawrence." Rev. Noble said that in deciding to erect the parish hall they would perpetuate the memory throughout the coming generations of one who was highly honored as a very dear friend to all who knew him and of the Thornhill parish. Among the clergymen present was Rev. W. E. Baker, of Thornhill-United Church and Rev. Noble recalled that the records of the district show that the Methodist church had withdrawn their services at the opening of Trinity church nearly one hundred years ago.

The new parish hall which will be modern in every respect will cost approximately \$10,000 and of this \$6000 has already been subscribed. Rev. Noble explained that anyone desirous of contributing to this fitting memorial to the late Mr. Lawrence should feel free to do so at any time.

The scripture lesson from the third chapter of Ezra was read by Rev. A. C. McCallum of York Mills.

In delivering the address of the evening Archdeacon Warren, of Toronto, recalled the early pioneer days of Yonge Street and York County. Yonge Street was then but a trail, a muddy winding trail, but through the years had progressed and today was the main highway of the province leading northward. The demands of progress had changed it from a mud trail to a paved highway and the speaker pointed out that this progress was typical in all departments of life, and human endeavour. Our churches change from the old to the new and in all lines must keep abreast with the march of progress. "Our fathers did not need a parish hall" he said "but a successful church to-day demands one."

Canon W. J. Brain, of Toronto, brother of Mrs. Rev. N. H. Noble represented Bishop Sweeny who was unable to be present. He paid tribute to the sterling worth of the late Rev. S. A. Lawrence. He had known him and worked with him for a great many years and at all times had found him faithful to his people and his work. The late Mr. Lawrence was one who

inspired the affection not only of his own parish but of the whole community. He reminded his hearers of the great help and inspiration which Rev. Lawrence had received from his wife Mrs. S. A. Lawrence who would lay the corner stone of the new parish hall. Canon Brain emphasized the value of a parish hall for the varied activities of the church and especially the young people.

At this juncture Mrs. S. A. Lawrence, of Markham, who officially laid the corner stone was presented with a silver trowel by Lieut.-Col. George H. McLaren. The trowel was engraved as follows: "Presented to Mrs. S. A. Lawrence on the occasion of the laying of the corner stone of The Lawrence Memorial Hall, Thornhill, June 12th, 1929." A brass tube containing an historical document, a copy of the notice of the laying of the corner stone as in the press and copies of current issues of newspapers including a copy of The Liberal was placed in the north-east corner stone by Mr. W. C. L. Ball.

The following official document was read by the Rector, Rev. N. H. Noble;

Whereas this is the nineteenth year of the reign of our gracious Sovereign Lord, King George the fifth.

His Excellency the Right-Honourable Viscount Willingdon, G. C. S. I., G. C. M. G., G. C. I. E., G. B. C., being Governor General and commander in chief of the Dominion of Canada.

The Right Honourable William Lyon Mackenzie King, C. M. G., M. A., being Prime Minister of the same.

The Honourable William Donald Ross, Lieutenant-Governor of Ontario.

The Honourable George Howard Ferguson, Premier of the aforesaid Province.

And whereas this is the twenty-first year of the consecration of the Right Reverend James Fielding Sweeny, D. D., as the fourth Bishop of Toronto.

Whereas be it known that the corner stone of this Parish Hall, of Trinity church, Thornhill, Ontario, was well and truly laid by Mrs. S. A. Lawrence on Wednesday, June 12th in the year of our Lord, one thousand nine hundred and twenty-nine.

Be it known also that Trinity church, Thornhill was officially opened by the Right Reverend John Strachan, D. D., first Bishop of Toronto, Ontario, February 28th, eighteen hundred and thirty. The original building with additions is still used for divine worship.

McDonald. The present incumbent, the Rev. Norman Henry Noble was inducted on March 8th, 1923 as ninth rector of Thornhill.

**HARRY H. JOHNSON**

Frederick G. Sanderson, M. P., for South Perth, and Ontario Liberal Whip in the House of Commons, will devote most of his time after the House prorogues to organization work in Ontario.

At the request of the Prime Minister, Ontario Ministers, Members of Parliament, and Officers of the Ontario Liberal Association, the Ontario Whip has been induced to give much of his time between the end of this session, and the commencement of the next to attending conventions and visiting the Federal Riding Associations, to aid them in strengthening their organization throughout the Province.

One of the most popular members in House, and one of its most eloquent speakers, he has his own Riding in a high state of organization, and it is felt that his knowledge of parliamentary affairs and organization will be of great assistance to the Liberal bodies of the Province.

Mr. Sanderson will have his headquarters in the Reford Building, Toronto, with Harry H. Johnson, recently appointed Secretary of the Ontario Liberal Association. In this office he will meet party committees and officers and plan his itineraries.

Born in St. Mary's, Mr. Sanderson was educated in St. Mary's Collegiate Institute and the Ontario College of Pharmacy. He is a flax grower and manufacturer. He has been a member of St. Mary's Town Council, was Mayor 1911-1912, member of the Public Utility Commission 1914-1916, and President of the St. Mary's Board of Trade 1920.

He has had a distinguished military career, going overseas with the rank of captain, as paymaster of the 110th Battalion. After being with the 8th Reserve in England, he served in France with the 87th Battalion. Elected a member of Parliament in 1925 and re-elected in 1926, he was appointed Ontario Liberal Whip in 1926.
