Don't try to do the heavy parts of the fam-
ily wash. Let us help you. This new plant
was designed and equipped for that very
purpose and can give you as much or little
help as you desire by means of five differ-
ent kinds of laundry service—all moderate-
ly priced. We use only soft water and pure
soaps, etc. No marking, no starching, and
each wash done separately.

GENERAL NEWS AND VIEWS

Owing to the illness of Reeve Saun-
ders the Stouffville council have ap-
pointed Councillor Borinsky as acting
reeve.

The fine weather over the week-end
attracted a record crowd to the high-
ways and traffic on Yonge Street was
the heaviest of the season.

The assessment of Markham village
has slipped back \$5,000 in the past
year, according to the figures submit-
ted by the assessor to the Court of Re-
vision last week.

This is a good jingle to remember,
says the Kincardine Review Reporter:
"What greedy ears receive, loose tong-
ues betray, but no one can repeat
what you don't say."

During the month of May there
were 40 convictions in the Police Court
of Barrie, for breaches of the Traffic
Act. There were 58 cases of all kinds
the fines totalling \$617.00.

Credited with being the champion
groundhog exterminator of Wellington
county, City Clerk H. J. B. Leadlay
produced a record to-day to show that
he had bagged over 2,000 of the pests
within the last 12 years.

The Holstein Breeders' Club of York
Peel and Halton gathered in large
numbers with their families at Eaton
Hall Farm, Eversley, King Township,
on Saturday, where an old-time basket
picnic was participated in.

Thrown to the pavement with terri-
fic force when the car in which she
was riding skidded and turned turtle
on Yonge Street, near Aurora, Mrs.
Rosie Smith, aged 63, 767 King Street
west, Toronto, was instantly killed a-
bout noon on Sunday.

Sneak thieves entered the home of
William Boak, 9th Line, King last
week, and secured \$10.50 from the
trouser pocket of Tim Hackett, the
hired man. They also entered Mr.
Boak's room and turned the pockets
inside out of all the clothing in his
bedroom and closet. The thieves
were so expert that they were able to
carry on their operations without dis-
turbance to the inmates. En-
trance was secured through an out-
side cellar door. The thieves also us-
ed the feed room of the stable as
sleeping quarters for at least part of
the night, but had decamped before
morning.

The York and Peel Counties W.C.
T. U. held their annual convention in
the Westminster United Church, Wes-
ton, June 4th and 5th. There was a
good attendance and splendid meetings
with most encouraging reports. P.
W. Pearson, M.P.P., Newmarket was
the speaker at the evening meeting.
The election of officers resulted as
follows:—Hon. Pres., Mrs. E. Western
Newmarket; Hon. President, Mrs. H.
H. McMahon, 39 Metcalf Street, Tor-
onto; President, Mrs. T. R. White,
Aurora; Vice-President, (York), Mrs.
A. E. Plewman, Richmond Hill; Vice-
President, (Peel), Mrs. Lorne David-
son, Meadowvale; Cor.-Secretary, Mrs.
H. J. Charles, Aurora; Rec.-Secretary,
Mrs. O. L. Wright, Richmond Hill;
Treasurer, Miss F. L. Toole, Newmar-
ket; L.T.L. Secretary, Mrs. A. L.
Phipps, Richmond Hill; Y. Secretary,
Mrs. J. A. L. McPherson, Islington.

There will be five by-elections for
seats in the Dominion House this year.

The completion of the Royal York
hotel has involved a total expenditure
of some \$16,000,000.

Albion township council has decided
by resolution to fix the assessment of
all gasoline pumps and tanks in the
township at \$150 for the year 1929.

In these days when we are being told
that the tendency is to "ride on rub-
ber" and that the day of the radial is
"done" it is interesting to note that an
Essex border. Hydro operated radial
line reports a surplus of \$8,562.12 for
the past six months. Let the T.T.C.
put that down in their note book.

Members of York County Council
and other prominent county officials
journeyed to Newmarket last Friday
on their annual tour of inspection of
the County Industrial Home. The
Home commissioners, Cuthbert Lane
and R. L. Stiver, conducted the party
through the Home and surrounding
farm grounds. Following the tour,
which showed everything to be in a
satisfactory condition, the party sat
down to a banquet, where the visitors

congratulated the Home commis-
sioners and the superintendent of the in-
stitution, T. D. Stoddart, on the excel-
lent condition of the property. Ad-
dresses were delivered at the banquet
by Warden J. Ray Price, Cuthbert
Lane and R. L. Stiver, Home Com-
missioners; B. Stoddard, Home superin-
tendent; ex-Wardens George B. Little,
M. Gardhouse and William Padgett;
Reeves Ellerby Farr, W. C. Gohn and
J. J. Addy; R. W. Phillips, Chief
of the County Police; W. White, agri-
cultural representative for the county
and Reforestation Superintendent
Richardson.

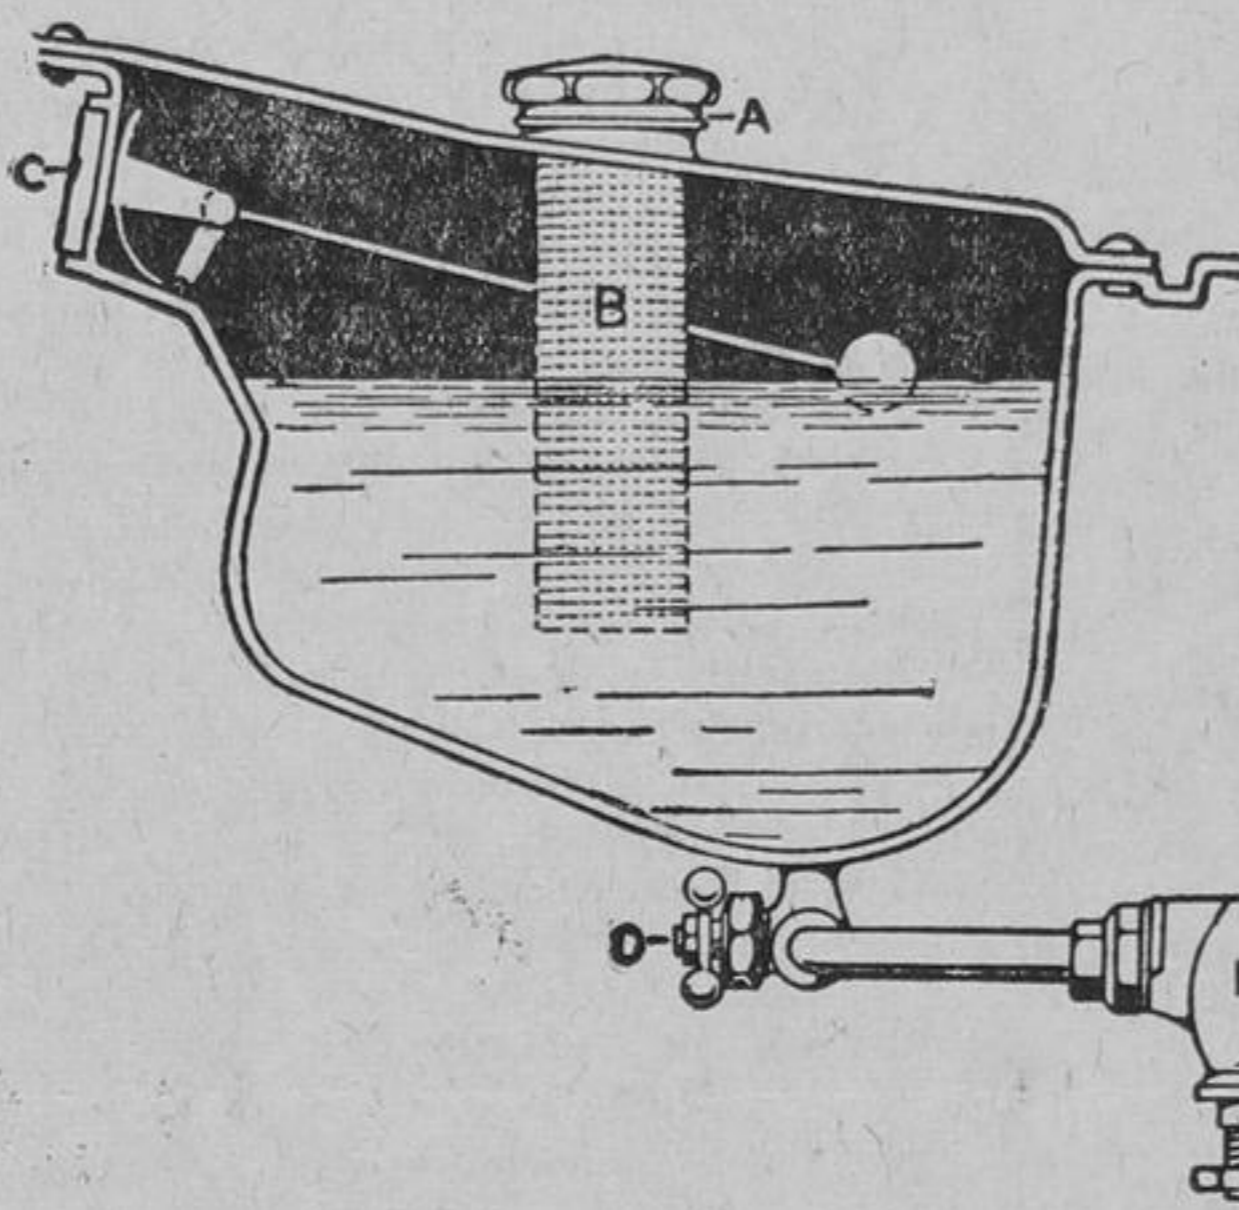

Mrs. S. (in restaurant): "Just look
at that Scotchman eating over there."
Mr. S.: "I see the man, but what
makes you think he is Scotch?"
Mrs. S.: "He licked his spectacles
after eating his grapefruit.—Clipped.

"Stop the Presses!" commanded the
constable as he drew up alongside of a
roadside petting party.—Judge.

SUMMER TIME

"Mother," cried little Mary, as she
rushed into the farmhouse they were
visiting, "Johnny wants the Listerine.
He's just caught the cutest little black
and white animal, and he thinks it's
got halitosis."

THE FORD CAR FUEL SYSTEM

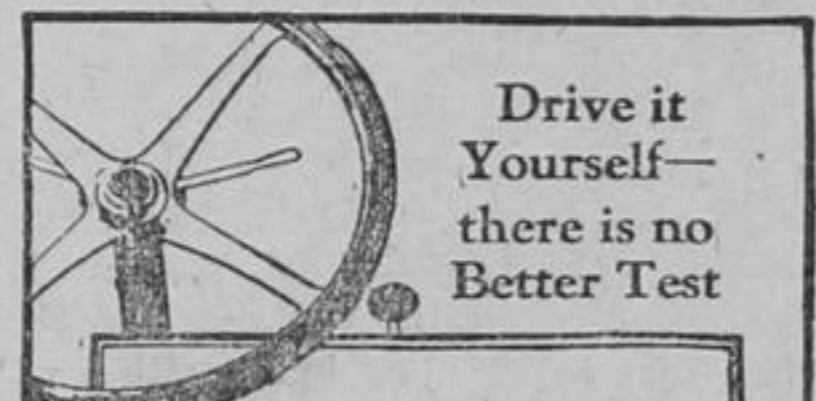

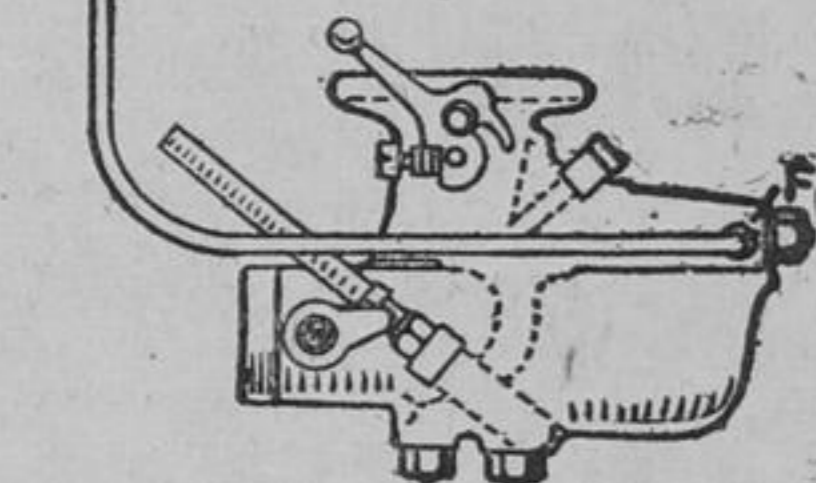

- A—Filler Cap.
- B—Filter spout screen filters gas and prevents splashing through filler opening.
- C—Gas gauge.
- D—Fuel line main shut off valve.
- E—Gas filter.
- F—Carburetor Connection.

Simple—Safe—
and Dependable

THE Ford car fuel system is simple because
it is direct. Gravity flow does away with
forced feed. A short feed line with a mini-
mum of elbows and connections is easy to
service and eliminates approximately 100
parts required by the vacuum tank or fuel
pump system.

The nine gallon tank is so placed that it is well
protected from front or rear end collision.
Any overflow runs off on the ground with
no serious results, since the only point of
possible spark contact is the rear end of the
exhaust. Three screens instead of one, as in
most fuel systems, prevent foreign matter
reaching the tank. A solid steel dash sepa-
rates the Ford gas tank from the engine.

The gas gauge on the dash of the Ford car is
controlled by a simple float as shown in
diagram, being more direct, simple and
accurate than any other type. Another
point of driving convenience made possible
by the gravity flow system is the ease with
which the tank may be filled, while the driver
supervises the operation without moving
from behind the wheel.
