The speaker of the afternoon was Mrs. Bertram, of Stoney Creek, and in a very interesting address she discussed the general conduct of a meeting and ways and means of best utilizing the talents of the members and also touched on the value of a school nurse in a community.

A pleasant feature of the meeting was the presentation of a beautiful floor lamp to Mrs. Aicheson a highly esteemed member of the Institute who has moved to Weston, as a mark of appreciation of her untiring efforts for the welfare of the organization. The presentation was made by Mrs. E. Stong and the address was read by Mrs. E. Phillips.

Joint W.I. Meeting Held at Thornhill

On Tuesday afternoon, June 25th the summer series meeting of Thornhill, Oak Ridges and Richmond Hill Women's Institutes was held at the home of Mrs. Riddell at Thornhill. Mrs. O. C. James, President of Thornhill W.I., spoke a few words of welcome and asked Mrs. Phipps, of Richmond Hill, to preside. Mrs. Phipps in introducing the speaker, Mrs. Cook, told of the splendid community work being done by the Women's Institutes throughout the country.

Mrs. Cook touched on various phases of the Institute work and spoke of the phenomenal growth of the Women's Institute in England, the number there being 265,000, and the many branches of work being taken up.

The great influence and helpful work of the school nurse in building up a strong and healthy childhood and the great value to the children of the hot lunch served in so many rural schools was emphasized. Mrs. Cook said she could not speak too highly of these two helps from a health standpoint and also of their aid to the children in their studies.

Another subject stressed was Health Protective Food, dealing with the food and medicinal value of milk, vegetables and fruit and showing the important place they have in the diet and the need of a great deal of this kind of food each day, and especially of the coarser vegetables. Cod Liver Oil and sunlight for the young and growing child was essential in preventing rickets.

Miss Muriel Burnaby, of Oak Ridges and Mrs. D. M. Chamney, of Richmond Hill, delighted those present with a number of musical selections.

A vote of appreciation to Mrs. Cook, the soloists and also to the ladies of Thornhill was moved by Mrs. Plewman, of Richmond Hill, seconded by Mrs. Mitchell, of Oak Ridges and heartily endorsed.

This very helpful and educational meeting was brought to a close by the singing of "The National Anthem" and tea was served by the Thornhill ladies. It was regretted that so few of the members of Richmond Hill Women's Institute were present to enjoy this splendid programme.

Mrs. Phipps announces an important business meeting of the Women's Institute on Tuesday, July 2nd at 7.30 at the home of Mrs. Mylks, and urges every member to make an effort to be present.
