

## Flying Fingers and Flying Heels

Helen McGregor, of Winnipeg, "The Flying Pianist" whose "flying fingers" earned her unofficial title, and Myrtle Cook, whose flying heels won her the official title of Amateur Lady Champion of the World at the Olympic Meet last year, take a lesson in navigation from Captain Dott of the Canadian Pacific liner "Montrose."

Miss Cook, who now covers women's sports for the Montreal Star is not unfamiliar with the air, having flown the English Channel on several occasions when on the other side at athletic events. Miss McGregor is one of the few women familiar with the controls of trimotored planes. She travelled west as a passenger in the Junkers plane which was landed at Montreal from the Canadian Pacific freighter "Beaverbrae" for the Western Canada Airways, Limited, by whom it will be used in air mail and express services.

The Gateway of C. P. R. Connections to New York

At the heart of New York, at 42nd Street is the New York Central Station where Canadian Pacific trains from Montreal and Toronto arrive and depart. The above is a photo of the New York Central building which is a part of the station building and is one of the outstanding buildings in a city of wonderful buildings. Standing almost forty stories high at the head of Park Avenue, it rises well above the high buildings surrounding. It is of gold relieved by brilliant reds and greens and when lit by a battery of flood-lights at night it is one of the beauties of New York and can be seen for many miles around.

### Bendale

On Sunday last St. Andrew's Presbyterian Church, Bendale, Scarborough's historic church held the 112th anniversary, many old friends assembling there to worship. Located in a most picturesque spot, the weather being ideal and the services inspirational, it was a privilege to attend. Associated with Scarborough's earliest history, the first building was erected in 1817, adjoining the church is the cemetery where many of Scarborough's pioneers are buried. The minister of the day was Prof. J. D. Cunningham, of Knox College, Toronto, assisted by the pastor Rev. (Major) Burch. Special music was supplied by the choirs of Knox Presbyterian Church, Agincourt and St. Andrew's Presbyterian Church, Scarborough, at the morning service, with St. Andrew's Presbyterian choir of Markham, under the direction of Mr. Allan Harrington, A.T.C.M., in the evening. A solo "The Stranger of Gallilee" by Miss Olive Harrington was very much appreciated. On the following Monday evening a successful garden party was held on the church lawn. The choir of Emmanuel Presbyterian Church supplying the program.
