Timken Bearings on the

TORONTO Windmill

ON thousands of Canadian farms the "Toronto" Self-Oiling Windmill has given a lifetime of efficient service, with the least possible attention.

Now, further improvements make the "Toronto" even better than ever before. Timken bearings — the same as on your automobile — allow it to run in the slightest breeze. Its famous long life is extended by ball-bearing turntable. The new adjustable stroke fits the "Toronto" for any well.

All the time-proven features are retained. Self-oiling — oil once a year. All gears run in oil — reducing friction and wear. Tower is heaviest and strongest-braced ever built.

The new "Toronto" is worth the closest investigation. Come in when you are in town, or write for free, fully-illustrated literature.

THORNHILL DISTRICT NEWS

LARGE CROWDS ATTEND 6th ANNUAL FIELD DAY

Thornhill sixth annual Field Day held on Monday, July 1st was a marked success. Ideal weather favored the event and about fifteen hundred people attended. The beautiful athletic grounds where the field day is held made an ideal setting for the fine program of sports and attractions which crowded the day and the smoothness and efficiency with which all arrangements were carried out was a tribute to the officers and committees who had charge of the event. The softball tournaments proved to be a major attraction and in both the ladies and men's games there was lots of keen competition and some excellent play. Thornhill ladies won out and the winners of the mens rural section was St. John's team of Scarborough, and of the city section the Gideons of Toronto. Dick Walker's clown band proved an entertaining attraction and they dispensed peppy and popular music during the afternoon. A sumptuous supper was served in the rink by the ladies of the district which was par excellence and in the evening a delightful concert was presented by the Burt Lloyd Novelty entertainers.

Elmer Taylor, of Silverthorn Public School, gained the greatest number of points in the junior boys inter-school section, thereby winning the school individual championship cup for the year 1929, while his school succeeded in carrying off the much coveted John Breakey trophy, presented by Mr. John Breakey. This cup will be up for competition until any one school wins it for three successive years. The Breakey Inter-school trophy was donated by Mr. John Breakey, of Thornhill, to be competed for by the public schools of local and surrounding districts at the Thornhill annual field day. This is the 1st year that such an event has taken place and the interest, enthusiasm and rivalry were very keen. Happy, eager children were determined to do their part in winning the trophy for their respective schools. Parents were delighted to see their children have the opportunity to compete in so many events. The whole inter-school activities were a huge success and many amusing incidents occurred. The pillow fight brought screams of laughter when two representatives from each school took part and they did fight, knowing that each had their respective school behind them. In the finals Elmer Taylor and M. Kehler fought to the last notch. They say birds of a feather flock together, but in this case those birds fought together, when Elmer's pillow burst, bust or broke we don't know which. Anyway young Kehler came out victorious amid showers of feathers. Silverthorn succeeded in carrying off the trophy and they also had the boy champion, Elmer Taylor. Silverthorn won 51 points and Thornhill 31. Schools that completed were:—Thornhill, Langstaff, R. H. McGregor; Silverthorn, Rawlinson, Richmond Hill, Edgeley, Lansing, Danforth Park, Burlington Beach.

One of the very attractive events to every one and particularly to the schools was the marching and drill by

the Langstaff school conducted by Mr. McDonald, principal. Langstaff has won the cup for three successive years and are now the happy possessors. Mr. McDonald deserves great credit for the capable manner in which he conducts this event of his school which reflect the splendid obedience and respect of the pupils for their teacher.

Too much credit cannot be given the ladies responsible for the fine supper served. The response from the women of the district in giving both provisions and cash was most gratifying to the committees and the success in this regard contributed in no small measure to the unqualified success of the celebration. The conveners of the supper committee were Mrs. R. Simpson and Mrs. F. Echlin and the secretary of the committee was Miss A. Boyle. The officers of the association for the year under whose able direction the successful celebration was staged were; Honorary President, Richard Simpson President, W. A. Dean; Vice-President J. C. Smith; Secretary, W. R. Howard, Assistant Secretary, Miss May Campbell; Treasurer, S. B. Elson; Chairman of sports, P. Drake; Chairman of Booths, S. Findlay; Chairman of mid-way, F. H. Echlin; Chairman of Concert, J. C. Smith; Convenor of Supper Committee, Miss Agnes Boyle.

AURORA LADIES COME TO THORNHILL

The Aurora Ladies the present leaders of the Yonge Street League will meet the Thornhill Ladies on the home diamond, Monday evening, July 8th. At present Thornhill have lost only one game and that to Aurora so if they win on Monday the teams will be tied for first place as Aurora has not lost a game yet. Thornhill have it down pat that Aurora will not win. The local girls have been showing good form this season, winning first at Richmond Hill, May 24th; first at Victoria Square garden party and after a ten inning game with Stouffville at Musselman's Lake won second and at Thornhill, July first, again carrying off the high cash. They also won a decided victory over the Planters, leaders of the Oakwood League, Toronto, in an exhibition game at Thornhill. Now if you want to exercise your lungs and then go home with a grin from ear to ear, come to the Thornhill Baseball field on Monday evening.

STOUFFVILLE GOES DOWN TO DEFEAT

The Thornhill girls hit the turf last Friday evening, June 28th, when they played a snappy league game with Stouffville on the latter's diamond, winning by a score of 19-8. Stouffville have a peppy outfit of players but the heavy batting of the locals unnerved them.

WINS SECOND AT MUSSELMAN'S LAKE

At the union picnic held at Musselman's Lake last Saturday, June 29th, the local ladies ball team showed good form when they defeated Newmarket by a score of 13-3, then they met the Stouffville aggregation in a hard fought game. The heavy hits of the locals over the crowd, that surrounded the diamond, did not give them their usual advantage as only one base was allowed. However the excitement was intense as the game ran up to ten innings, when Stouffville scored the winning run.

THORNHILL LADIES CARRY HOME FIRST MONEY, JULY 1st

Thornhill Field Day, July 1st was a decided success as far as our local ball team was concerned. Their first victory was against Lansing last years league winners, when they defeated them by a score of 14-3. But they spoke in whispers of the next game for they had to meet Cee-Bees, of Toronto in the final game. This team defeated Thornhill last year by one run, carrying off first prize and in two exhibition games through the season defeated the locals. Every nerve was on edge, our girls were slow at starting, allowing Cee Bees four runs in the first inning. But they began to wind up to business and to a finish that put Thornhill on top. The score was 8 to 9.

THORNHILL AND OAKWOOD LADIES MEET AT CARRVILLE

If you want to see a snappy exhibition ball game, go to Carrville, Saturday evening, July 6th, Thornhill Ladies will play Oakwood. The locals are determined to win this game, for they went down to Oakwood Stadium one Saturday evening and after playing only three innings were defeated by 1 run. That pill was hard to swallow and they don't intend to take another. So here goes for a hard tussel. Remember at Carrville, July 6th

WARNING

We have shaken off the fetters of one winter and are beginning to prepare for the next. Nature takes care of the birds and beasts, but man has to look out for himself. The lesson to be learned from all this is that man puts off from day to day the things he should do. Suddenly he realizes that time is getting short and he must hurry. This is a reminder to urge our customers and others to put their coal in NOW.

Mine prices have already risen with another advance, July 1. Our prices for the BEST HARD COAL OBTAINABLE are under Toronto prices with a 40c per ton more freight rate.
