### Here and There

(329)  
New style bucket seats for first class coaches on Canadian Pacific day fast trains have been introduced on regular trains of the company and are proving very popular. The seats are upholstered in a cool moquette material and are provided on their backs with coat rail, umbrella stand and check holder for the convenience of passengers.

The stock recently visited Canadian Pacific train No. 51 between Lanigan and Saskatoon and left a daughter to Mrs. Marsyk Alexander on her way with her husband to settle on a farm near Edmonton. Miss Binning, government conductor of the immigration department at Quebec, was on the train. She secured a first aid kit from the conductor and took charge of the case. Mother and daughter are doing well.

Sixth annual trail ride in the Canadian Rockies will start from Banff August 1, and end a few days later at Castle Mountain Bungalow Camp. Seven glacier-fed lakes are on the route which will form half of the long-desired High Line trail from Banff to Lake Louise. The second half will also skirt several glacial lakes. About August 8 the long distance trail ride from Lake Louise to the Columbia Icefield will make a start. This icefield covers the largest and most spectacular body of ice left on the North American continent surrounded by peaks as high as 12,000 feet. The second trail ride will take nearly three weeks.

The only golf trophy offered on the continent of America by His Royal Highness, the Prince of Wales Cup, presented to the Banff Spring Golf Club for annual competition by bona fide amateurs on the course there, will be among the outstanding prizes of golfdom when members of the "Canadian Golfer" tour special train which is crossing Canada from Toronto to Victoria and back this summer, arrive at Banff early in September.

"Scotland and Glasgow are proud of Canada for the part she is playing in trans-Atlantic shipping," said T. L. Duff, well-known shipowner and broker, when interviewed at Banff recently. "The building of a ship directly employs about 5,000 craftsmen on the Clyde," he added, "and the supplying of the materials and fittings required in construction indirectly benefit industries throughout Scotland." Mr. Duff said that Scots felt that the Canadian Pacific whose recent ship orders had done so much for Scottish industry, was as much Scotch as Canadian, the founders having been of Scottish descent and so many of the ships of Scottish construction.

During the past five months all milk production records at Strathmore farm have been broken. Strathmore Sylvia in the mature class by producing 29,374 pounds of milk moved the mature class record up 4,821 pounds. In the four-year-old class Strathmore Texaline Sylvia exceeded the former farm record by 3,145 pounds with a production of 23,830 pounds. Strathmore Lassie Sylvia, in the three-year-old class, finished on February 22nd, 1929, with 23,568 pounds of milk, or 3,568 pounds more than the former record. To Francie, in the two-year-old class, however, belongs the premier honors—she broke the farm record of 5,315 pounds. Although only a two-year-old when placed on test, she produced 22,922 pounds of milk, which was sold to the Union Milk Company for \$564.05. Her calf, now one year old, is priced at \$400.

No cause is worth the sacrifice of your freedom to recognize truth wherever you see it.

Fishing is less cruel than hunting. The amateur never has to explain that he thought his companion was a fish.

There is a difference between insanity and prejudice. The insane man wouldn't be stubborn enough to stay that way if he knew better.

### Notice to Creditors

IN THE MATTER of the Estate of William Patton, late of the Township of Markham, in the County of York, Farmer, deceased.

NOTICE is hereby given, pursuant to the Statutes in that behalf, that all creditors and others having claims against the Estate of the above-named William Patton, who died on or about the 24th day of May, 1929, at the Township of Markham, in the County of York, are required to send by post prepaid, or deliver to the undersigned, Solicitors for the executors of the said Estate, on or before the 10th day of August, 1929, their names and addresses and full particulars of their claims duly verified, and the nature of the securities (if any) held by them and after the said 10th day of August, 1929, the said Executors will proceed to distribute the assets of the said deceased among the persons entitled thereto, having regard only to the claims of which they shall then have notice, and the said Executors will not be liable for the said assets, or any part thereof, to any person of whose claim they shall not then have notice.

Dated at Toronto, this 4th day of July, 1929.

NAUGHTON & JENKINS,  
Room 508, 85 Richmond Street, West,  
Solicitors for the Executors, Clarence A. Skeele and J. Roy Herrington.

### Sporting Notes

NO GAMES IN THE MEN'S YONGE STREET LEAGUE NEXT WEEK

There are no games scheduled in the Men's Yonge Street League for this week. The next game will be played on July the 25th when the Aurora aggregation will play at Legions and Newtonbrook will visit Richmond Hill.

WILLOWDALE JUNIORS LOOSE TO MANNING'S ON MONDAY

The Willowdale Junior Softball team are in a slump just at present, they have lost the last three games, and are but a half game on top of the league. Monday night they took the Manning's A.C. into camp and were defeated by a score of 9 to 7 after a very exciting battle.

THORNHILL GIRLS DEFEATED AURORA GIRLS 17 to 4

Thornhill girls turned the tables on Aurora Monday evening at Thornhill park, when they defeated them by a score of 17 to 4. Thornhill girls sure did clout that ball and had the Aurora aggregation dizzy running after hard hit flys. "Ede" Luesby on the mound for Thornhill pitched a good game and was backed by a team of well coached ball players. "Jimmy" Goulding was on the mound for Aurora but did not receive the support that the Thornhill twirler did. By Thornhill winning this game put them in a tie with Aurora for first place each losing one.

NEWTONBROOK ARE LEADING THE MEN'S SOFTBALL LEAGUE, RICHMOND HILL SECOND

The Newtonbrook boys are leading the Men's Yonge Street Softball league, losing no games and winning 4 and Richmond Hill boys are right on their heels in second place with one lose and three wins.

RICHMOND HILL BOYS DEFEAT LEGIONS 19 to 9

The Richmond Hill Boys took the Willowdale Legions into camp last night in a league game and were successful in pulling out in front by a score of 19 to 9.

TWO GOOD GAMES IN THE LADIES SOFTBALL LEAGUE FOR FRIDAY AND WEDNESDAY EVENING'S

Thornhill ladies have two very important games in the Ladies Yonge Street Softball League for to-morrow night (Friday, July 12) and Wednesday, July 17. On Friday they travel to Lansing where they will meet the girls of that place and on Wednesday the Stouffville girls will visit Thornhill. These will be two real good games and a large crowd is expected. Games will start at 7.45 (daylight saving time.) Fill up your car with gas and motor to Lansing and Thornhill and show the girls that you are with them. Thornhill girls have lost only one league game this year and are now on top of the league with the Aurora girls a close second.

HOW TO KEEP FROM GROWING OLD

Always drive fast out of alleys.

Always race with locomotives to crossings. Engineers like it; it breaks the monotony of their jobs.

Always pass the car ahead on curves or turns. Don't use your horn; it may unnerve the other fellow and cause him to turn out too far.

Always demand half the road. The middle half. Insist on your rights.

Always speed; it shows people you are a man of pep even though an amateur driver.

Never stop, look or listen at railroad crossings. It consumes time.

Drive confidently, just as though there were not eighteen million cars in service.

Always lock your brakes when skidding. It makes the job more artistic.

Always pass cars on hills. It shows you have more power; and you can turn out if you meet a car on the top.

In sloppy weather drive close to pedestrians. Dry cleaners appreciate it.

Never look around when you back up. There is never anything behind you.

With a population that ranks 28th among the countries of the world, Canada is fifth in total exports and third in total turnover of trade.

Charles Olsen and Raffaele Maiullari, rival round-the-world racers, are trying to make a trip circling the globe in less than 30 days using only "regular means of transportation." Olsen left Victoria on Canadian Pacific greyhound Empress of Asia June 13, and Maiullari arrived at Vancouver on the Empress of France June 22. Airplanes come within the term of the contract since both men have already used them. The race at time of writing is very close.

A problem that has defeated the learned for centuries—the squaring of the circle—has apparently been solved by L. W. Hartman, Canadian Pacific Railway timekeeper at London, Ont. Hartman claims he devised a geometric method by which to reproduce the exact area of a circle in the shape of a square.

University professors are now examining his solution. He was born in Rumania and never saw a college, but speaks English, French, German and Rumanian fluently.
