MAPLE LEAFS ELIMINATED FROM GROUP PLAY-OFF BY WILLOWDALE JUNIORS

Willowdale Junior eliminated Maple Leafs from the group play-off in taking both games of their important double-header with the fast stepping Leafs 7-0 and 5-4. A seven-run rally in one innings decided the first game for the northern lads but they were forced to come from behind with two runs in their half of the last innings to take the second tussle. Grant hurled both games for the losers and starred despite the double defeat. He claimed a total of nineteen strike-outs, seven in the first and twelve in the second. Poor fielding support brought about his downfall however. Doyle and Brown were the winning hurlers.

Nothing More to Buy**

PRICED TO GIVE YOU GREATEST VALUE

CONSIDER the delivered, fully equipped price of this charming Nash "400" Sedan, and you'll see immediately it is a car you certainly should consider, when you get ready to buy.

For here, at a delivered, fully equipped price much lower than you would expect to pay for a car of its size and character, is an Advanced Six "400" Sedan with the Twin Ignition, high compression, valve-in-head, 7-bearing motor—with the beauty and style that have made the "400" a heavy favorite among all the year's new cars—and with a host of other costly-car features never available before in this price field.

Such features, for instance, as Bijur Centralized Chassis Lubrication which oils 29 chassis points at the pressure

of a pedal. And alloy steel springs individually designed for its size and weight, correlated with Houdaille, double-action, outboard-mounted, hydraulic shock absorbers. And the "world's easiest steering"!

These are only a few of the features of this Nash "400", but they give you an idea of its greater value and the extraordinarily fine performance you may expect from it.

The delivered, fully equipped price on this, and on all "400" models is lower, for the simple reason that all this equipment—Bijur Centralized Chassis Lubrication, Houdaille hydraulic shock absorbers, bumpers, spare tire lock, and tire cover—is installed at the factory and included in the factory price. Some dealers charge as much as \$50 to \$60 extra for bumpers alone.
