**RICHMOND HILL COUNCIL
MEETING NEXT TUESDAY
EVENING**

Richmond Hill council will meet on Tuesday evening and it is expected many important matters will be discussed. In the face of the growing seriousness of the radial situation the question of transportation on Yonge Street will probably be one subject before the members.

It is understood that there will be an important announcement regarding the electric light system by councillor Sims, chairman of the electric as a result of recent visits from the Hydro Inspector.

The recommendation of the joint Boards of Health of the Municipalities of Richmond Hill, Markham township and Markham Village that the Public Health Nursing be continued will probably be discussed and the basis of apportioning the cost decided upon.

AN OLD SUBSCRIBER

Mr. Peter Jones, of Vaughan Township renewed his Liberal this week for the forty second consecutive time. Mr. Jones has eighteen acres of potatoes this year and reports the crop to be very good. This week he harvested forty bushels from six rows fifty rods long.

Oak Ridges

REGULAR MEETING OF WOMEN'S INSTITUTE NEXT WEDNESDAY

The August meeting of the Women's Institute will be held at the home of Mrs. George Dibb, Jefferson, on Wednesday, August 7th. Mount Albert branch will be guests at this meeting and will give the program. The district President Mrs. John Botham, of Schomberg will also be present. All are cordially invited and a good attendance is requested.

SUCCESSFUL IRISH TREBLES TOURNAMENT AT UNIONVILLE

A very successful Irish Trebles tournament was held at Unionville on Wednesday afternoon. Thirty one rinks competed and some very fine games were enjoyed. Rinks were present from Port Perry, Uxbridge, Stouffville, Clarendon, Aurora, Oshawa, Highland Creek, Newmarket, Aurora and several from Toronto. The prize winners were: 1st skip Joyce, of Withrow Park, 2nd skip Kennedy of Uxbridge, 3rd skip Russel, of Stouffville, 4th skip Grant, of Kew Beach. The ladies of the club served a sumptuous supper to the bowlers which was much appreciated.

Boards of Health Favor Continuance Public Health Nurse

A meeting of the members of the Board of Health of the Township of Markham, Village of Richmond Hill and the village of Markham, was held in the Township Hall, Unionville on Monday evening. G. A. M. Davison, clerk of Markham township presided and representatives were present from all the municipalities. Dr. J. P. Wilson, M.O.H., Richmond Hill, J. J. Lunau, Reeve and George Gee member of the Board of Health represented Richmond Hill, Reeve Wesley C. Gohn Reeve, Dr. MacKay, M.O.H. and Mr. Gibson member of the Board of Health, represented Markham township. Markham village was represented by Reeve Wilson and a member of the Board of Health, the M.O.H. being unavoidably absent. Dr. Fair of the Ontario Department of Health was also present and spoke at some length on the subject of Public Health Nursing.

The meeting was called to consider the report of Nurse Vrooman who has conducted a Public Health Nursing demonstration in this year. The report which was presented to the meeting was published in The Liberal last week. Many favorable comments were made concerning the report and concerning the work which has been carried on throughout the district. The opinion was unanimous that it was a work which should be continued and a resolution by George Gee of Richmond Hill and seconded by Reeve Wilson, favoring its continuance was unanimously passed.

The cost of carrying on the work was discussed but no definite arrangement was made. This feature will probably be discussed by the various councils who will take up the question from that angle at their regular meetings next week. The approximate cost is \$2000, of which the province pays \$500, leaving \$1500 to be paid by the three participating municipalities.

FELL FROM BARN

Mr. Dugald McIntyre is making favorable progress from injuries sustained when he fell from the barn of Albert Constable on the seventh of Vaughan last Saturday morning. Mr. McIntyre received no serious injury but is suffering from the shaking up and shock.

FORTY-TWO SUMMONED LAST WEEK-END

Forty-two motorists received summons to appear in the local court for breaches of the traffic laws on Saturday and Sunday last. The speed limit in Richmond Hill is twenty miles per hour and at least forty more people will have that fact impressed on their memory after they appear before Magistrate Duncan.

NEW TEACHERS FOR PUBLIC SCHOOL

At a meeting of the Richmond Hill Board of Education held on Monday evening, Miss E. Reesor, of Sunderland and Miss P. Collings, of Bradford, were engaged for the Public School staff taking the places of Miss F. M. Brown and Miss Fox who have resigned.

WINS PRIZE FOR WHEAT

Herbert Kennedy, of Agincourt, whose farm adjoins the village, has been awarded the Scarboro and Markham competition prize for the best field of wheat in the townships. Mr. Kennedy has been a consistent winner of farm produce prizes in the field and at the exhibition. Last year, he exhibited the second best sheaf of wheat at the Canadian National Exhibition.

HAD NARROW ESCAPE

Mr. C. W. Ciffin who is engaged in painting the town water tank had a narrow escape last Friday, when his scaffolding slipped and he fell towards the ground, but miraculously caught one of the cross-sections and saved himself from probable serious injury.

County Engages Expert to Advise re The York Radials

York County are engaging a railway expert to give advice concerning the Metropolitan radial and he will be secured and on the job just as soon as it is possible for him to get here. This was the decision of the County transportation committee after having interviewed the Board of Control and the Toronto Transportation Commission last week. The Board of Control stated quite clearly that they would be guided by the T.T.C. and referred the deputation to that body. The County councillors interviewed the three transportation commissioners on Thursday last but were told that the Commission was still standing by its report to the board of Control and that any contrary action must come from that body. It is possible however that the date of September 30th which has been fixed for the discontinuing of the service will be extended to allow the County time to make complete investigation.

Some time ago the T.T.C. engaged an expert who went over the whole Metropolitan line and reported in favor of its abandonment and recommended the substitution of busses. The report and findings of the County expert will be anxiously awaited for by the people of the district who feel that the line with good business management and free from bus competition should be a success.

COACH LINES AND THE RADIALS

Writing in The Globe this week a correspondent expresses himself regarding the Metropolitan radial situation as follows:—The sum of \$105,000 was expended on a gauge alterations and other improvements and was charged to current expenses on Metropolitan (Lake Simcoe Lines) radials. The total operating deficit was \$110,000.

It would be interesting to know exactly how much was expended on gauge alterations (which were not operated) and the other items included in the total, and also the amount of loss transferred to radial accounts for Gray Coach Line operations on North Yonge Street.

The interesting fact is that \$105,000 was expended on radial improvements, yet the Manager reports that no advertising was done because it had been decided to abandon the radial.

What the public wants to know is: Who had decided to abandon the city-owned radials and who is responsible for the gross mismanagement of the radial?

The opinion is growing that if the T.T.C. management had put as much energy into the work of running the radial as is the case with Gray Coach Lines, there would be no more talk of abandoning the radial, which only needs efficient administration."

SOME MORE ON RADIALS AND BUSES

G. H. Price, of Richmond Hill, in the Daily Star this week commented as follows on the radial and bus controversy:—"In regard to your editorial of July 18th re buses and the Metropolitan, you say the T.T.C. has been able to take off a number of car trips and substitute bus trips, at a saving of money, as one man buses can be operated more cheaply than radial cars. Then sir, why is the fare on the buses to Richmond Hill about double to what it is on the radial.

The fares are as follows: On radial single, 30 cents; on buses, 55 cents; on radial, return 55 cents; on buses, \$1.00; on radial, commuters 12-ride book tickets, \$2.40; on buses, \$4.95. Let the T.T.C. come down to earth in regard to fares on buses, and they will be patronized more than they are at present, and would help to reduce the loss on the radial. If this is an example of what the buses would charge should the radial be disbanded, then the outlook for north Yonge St. is anything but bright."

Bridge: A structure used to effect a crossing. Also a method of training husbands to eat sardines.

ANNUAL FIELD DAY HELD AT RICHVALE

Despite the warmth of the weather the second annual Field Day of the East Vaughan Ratepayers Association was held at Richvale on Saturday afternoon and was a very successful event. There was a good crowd in attendance and the program of sports was much enjoyed. Many spirited contests featured the afternoon and young and old entered into all the games with the real enthusiastic picnic spirit. The Thornhill orchestra provided music during the afternoon which was much appreciated. The games and booths were well patronized, the weather being conducive to bumper sales of ice cream and pop.

In the softball game Thornhill won from Newmarket by a score of 14-4. An attractive feature was the tug-of-war. The ladies had their pull first and it was a real battle with the local ladies being victorious over the girls of the softball team. The men's teams proved to be pretty well matched and after each side had won one pull a mighty effort was made in the third and final. After several minutes of pulling the rope broke and the draw was declared a tie and the prize divided.

Some of the winners in the races were: Miss Sinclair of Thornhill, who won the single ladies' novelty race; Reg. Baker and Ernie Bone were first and second in the married men's dash. Mrs. S. Sparkes was the winner in the race for members' wives. The men's surprise race was carried off by B. White and J. Koning, while the measuring contest went to J. Bentley.

In the evening the concert was well patronized. President Coles ably acted as chairman and all the numbers were well received and the artists were generous with encores. The President took occasion to thank all who had contributed to the success of the day. The proceeds are in aid of a fund to build a community hall.

Tariff: A method of shearing a flock of sheep to make a nice coat for the poor shivering lion.

Pity the poor missionary if the savage taught to wear clothes happens to see a new fashion magazine.

Newtonbrook

Mr. and Mrs. A. W. Stephenson spent last Sunday at Goderich. Mr. and Mrs. J. R. Smith and Master Harold enjoyed a week-end visit to Lake Scugog.

Mrs. Stanley Marsh and Mrs. D. Foreman returned last week from a short vacation spent at Niagara Falls. Miss Cora Good motored, last Sunday, to Guelph.

Misses Mary and Lillian Hanna, of Toronto, are guests at the home of Mrs. Thos. Street.

A goodly company of members of the Newtonbrook Young People's Society motored last Saturday afternoon to Shanty Bay and had a delightful visit with Mr. Gordon Galbraith who is summering there.

A shower was given to Miss Lola Foreman by the Pollyanna Club and other friends, last Thursday evening, at the home of Mrs. Marsh, Alexandra Boulevard.

Mr. and Mrs. R. Trimble and Miss Evelyn, spent last Sunday at Niagara Falls.

The Rev. Frank Rae, of Willowdale, will occupy the pulpit of the Newtonbrook United Church next Sunday, August 4th. The services are at 11 a. m. and 7.30 p. m. (daylight saving time.) Special music will be rendered at both services.

The service at the Zion United Church will be taken by Mr. P. J. Mason. This service will be at 7.30 p. m. (daylight saving time.)

Richvale

LUCKY NUMBERS ANNOUNCED

Coal, Coke and Sugar Will Go to the Winners

The winning numbers of the draw held in connection with the Richvale field day on July 27 have been announced. The program numbers were 1501, half a ton of hard coal; 1137, 100 pounds of sugar. The winning red tickets, sold separately, were 602, 223, and 656. The first receives 50 bushels of coke and the other two 20 pounds of sugar each. Holders of these tickets should get in touch with J. Evans, W. Herron or other committee members.
