OBITUARY

LATE WILLIAM R. PROCTOR

William Robert Proctor a well known former resident of Richmond Hill, passed away at the home of his son, Bernal Proctor, 910 Bloor Street west, Toronto, on Thursday, July 25th. The late Mr. Proctor who was in his seventy-fourth year had been ailing for about a year, but had somewhat recovered and was about as usual until the day before his death. For many years the deceased operated a bus between Richmond Hill and Maple station and was well and favorably known to many people in this district. Some twenty-nine years ago he moved to Barrie where he lived for about seven years and since that time he has resided in Toronto. He is survived by his wife, one daughter Kathleen in California, and two sons Harold in Winnipeg and Bernal in Toronto. He is also survived by two brothers and three sisters. The funeral was held on Monday afternoon and interment took place in Mount Pleasant cemetery.

BIRTH

MR. A. J. H. ECKHART ANNOUNCES PERPETUAL ANNUITY FOR YORK COUNTY BOWLERS

The final play-off for the Mackenzie King cup donated by Rt. Hon. W. L. Mackenzie King, Prime Minister of Canada for annual competition among the bowling clubs of North York was held in Richmond Hill last Friday evening. The teams of the league represent Richmond Hill, Newmarket, Aurora, Schomberg, Stouffville, Unionville, Markham and Almirra and this year the premier honors were won by Stouffville. They are the winners of the handsome trophy as well as the points competition for which a cash prize is given. The personnel of the winning Stouffville rinks were; Bert Smith, Blake Sanders, Sam Armstrong, F. Button skip; M. Watts, W. R. Sanders, E. A. Gray, M. Storey, skip. The cup was presented to the winners by G. A. M. Davison, of Unionville, president of the league and was acknowledged by skip Button.

The play-off was featured also by a friendly tournament for special prizes in which the Almirra rink won first prize and the Richmond Hill rink skipped by J. Harry Naughton won second prize. The personnel of the Richmond Hill rink was, G. H. Glenn, L. A. Hill, James McLean, J. H. Naughton skip.

Following the presentation of prizes Mr. J. H. Naughton spoke regarding the Eckhard trophy, which had been competed for by York County bowlers for a number of years. He pointed out that this cup was donated by Mr. A. J. H. Eckhart and was originally given for competition in Markham township. The tournament later grew to include other County clubs, but it was felt that some definite arrangements should be made regarding future competitions for the trophy. He suggested that a committee representing all the clubs be appointed to look after the annual tournament.

Mr. A. J. H. Eckhard who was present concurred in this suggestion. He pointed out that he had given the cup some twenty years ago for annual competition and as far as he knew it was the first trophy in Ontario donated in that way. He wanted the cup to be used so that it would be the maximum use to the bowlers of North York as his only wish was to promote good sport and good fellowship among the rural communities of York County. Mr. Eckhard also made a notable announcement of interest to the bowlers of the County when he explained that it was his intention to bequeath in his will a thousand dollars which would be held in trust, the interest on the same to be used to provide prizes for the ladies and men's tournaments for the Eckhard trophy. The announcement was greeted with hearty applause by the assembled bowlers and three cheers and a tiger were heartily given for Mr. Eckhard.

Mr. A. J. Eckhard who is a descendant of one of Markham Township's pioneer families has won an enviable reputation for generosity and he has during recent years done a great deal to promote the best interest of Agriculture, and community welfare throughout York County. His many generous donations to Agricultural Societies, Plowing Matches, Sporting clubs, etc., are well known to most of our readers and this last announcement of a legacy in perpetuity for the Bowlers of York County is one which has been very favorably received.

Another Richmond Hill rink in the tournament here last Friday night was, C. Kerswill, A. A. Eden, N. J. Glass, George Gee, skip.

Twelve rinks took part in the Irish Trebles tournament held here on Tuesday afternoon. An Oakwood rink won first prize, skip James McLean of Richmond Hill second, and skip Piercy, of Tottenham third. The following Richmond Hill rinks took part in the games; A. G. Savage, George Gee, A. E. Glass skip; H. Thomson, P. C. Hill, Gid Moodie skip; C. Kerswill, A. A. Eden, W. Wellman, skip; F. J. Mansbridge, E. T. Stephens, James McLean, skip.

The tournament for the Eckhard trophy will be held on the second Friday in August. The presidents of the various clubs are a committee in charge of arrangements.

On Wednesday afternoon 3 rinks from Richmond Hill visited tournaments. The following two rinks went to Islington: Mrs. Stephens, G. Moodie, Mrs. Kerswill, E. T. Stephens skip. Miss Switzer, N. J. Glass, Mrs. N. J. Glass, A. E. Glass, skip.

The third rink went to the Thistles Club on Bathurst Street. It was made up as follows; Miss McLean, J. H. Naughton, Mrs. Glenn, James McLean, skip.

None of these rinks were successful in winning any prizes but they reported an excellent time.

"Nothing is worthless," says the philosopher. What about last week's endurance record?

RICHMOND HILL BOYS WIN GAME FROM NEWTONBROOK AND TIE UP THE FIRST HALF OF SERIES IN LEAGUE

Newtonbrook boys journeyed to Richmond Hill last week and played a league game with the local boys, this game was to decide whether Newtonbrook would remain on top of the league or if Richmond Hill should come across with a victory it would tie up the works, and after playing a nip-and-tuck game Richmond Hill managed to pull out in front with a 1 run lead which decided that Richmond Hill would be tied for first place with Newtonbrook. In the first innings Crean and Bennet each connected for home-runs with a runner on bases each time, and in the fourth innings "Al" White slammed out a homer. The hero of the game was "Mac" MacKie the Local short stop, who went to bat in the last innings with one out and a runner on second base connected with that old "horsehide" for a double which brought the runner in and scoring the winning run. Bennett was on the mound for Richmond Hill and pitched his usual good game while John McLean was behind the plate; Jacks started for the losers but soon retired to Mert Williams who finished the game, with Charlie Proctor catching.

SMALL CROWD AT GAMES
The Richmond Hill boys softball team are very much disappointed in the crowds that they have been getting to their games, the largest that has attended a game this year was about 25 people. The boys are playing good ball and are a bunch of good clean sports that are trying to put their town on the map for sports. So come on fans let's turn out to the games in the second series of this league and give the boys your SUPPORT.

CIVIC HOLIDAY
Reeve Lunau has proclaimed Monday, August 5th, as Civic holiday for the village of Richmond Hill.

IN MEMORIAM
MASHINTER—In loving remembrance of our dear daughter Cora May Mashinter, who fell a sleep in Jesus August 4, 1927.

Two years has gone, our heart still sore,
As time goes on we miss her more
Her cheerful voice, her welcome face,
No one can take dear Coras place
Her memory is as dear to day as in
the hour she passed away.
When days are dark and friends are few,
Dear Cora how we long for you.

Life was more simple before the tourists came. The farmer could shoot Indians that destroyed his crop.

Science hasn't made man's life any longer. But it has enabled us to loaf more and thus made life seem longer.

Self-pity is that awful feeling a man has when he comes home an hour late and finds his wife hasn't come yet.

FISHING IN GEORGIAN BAY

Fishing is the business in Georgian Bay—black bass for the rod, and salmon or lake trout down deep.

Hotels and comfortable stopping places afford every facility at reasonable rates, and Canadian National Railways offer two gateways, viz: Midland and Parry Sound, with steam-er connections from each to resorts and fishing grounds lying in-between. Ask your nearest Canadian National Agent for the booklet entitled "30,000 Islands of Georgian Bay."

We can't abolish the stock exchange There must be some recreation for those not wicked enough to hoot craps.

HARRY QUINN STRUCK BY AUTO EARLY SUNDAY MORNING

Mr. Harry Quinn a veteran resident of Richmond Hill, aged over eighty years was struck by a north bound auto early on Sunday morning as he was crossing Yonge Street, just south of Baldock's garage. The car was owned by Mr. Frank Williams of King and was driven by Mr. N. F. Johnson, of Aurora. Mr. Quinn sustained a broken leg, three broken ribs, severe cuts about the head and a bad shaking up. He was taken to the Toronto General Hospital in the ambulance of Wright and Taylor and is in a critical condition.

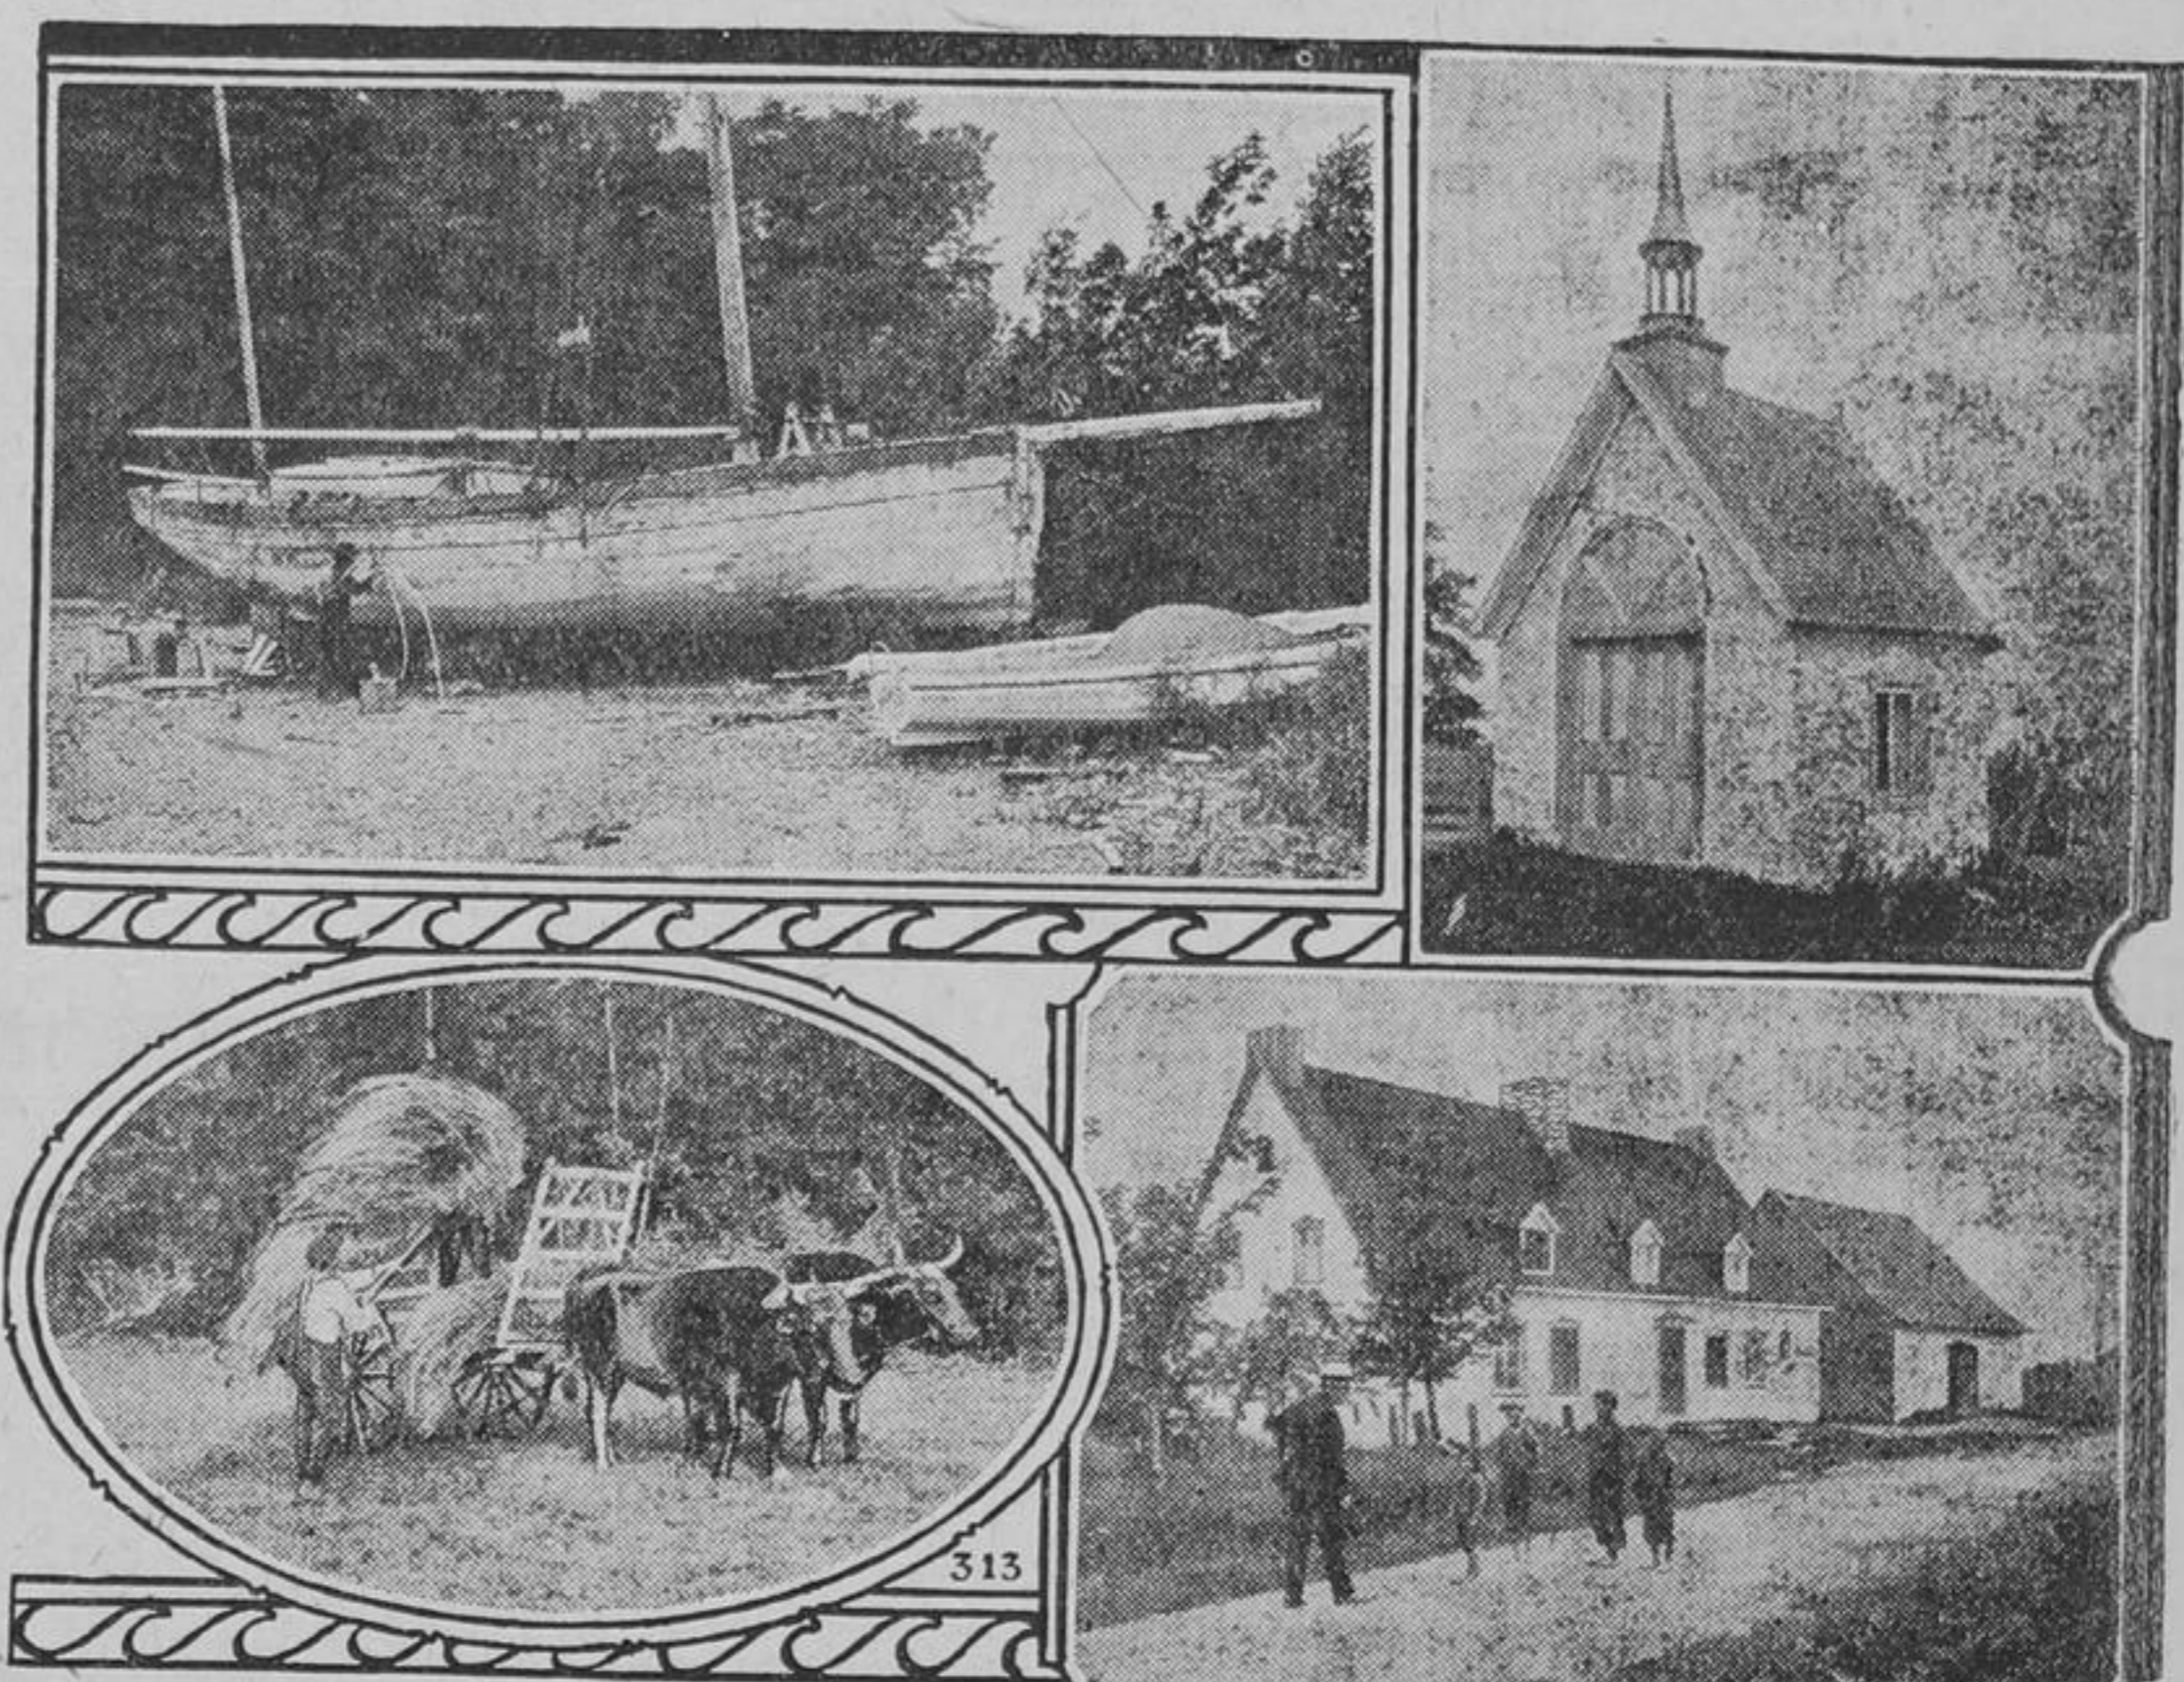

A WORLD APART

When you leave the steamer "Bell of Temagami" you are in a quiet retreat seemingly thousands of miles from the noisy workaday world. Peace and quiet are the chief laws of this forest kingdom, twenty miles from the nearest automobile and a hundred from a street car.

Under the lordly trees of Temagami black bass, lake trout and maskinonge life in wait for the fisherman in the innumerable lakes. The quaint Indian settlements, the magnificent scenery and the many other attractions simply can't be appreciated until you see them.

Ask your Canadian National Agent for literature and information on Temagami.

Island of Orleans—Island of Bacchus

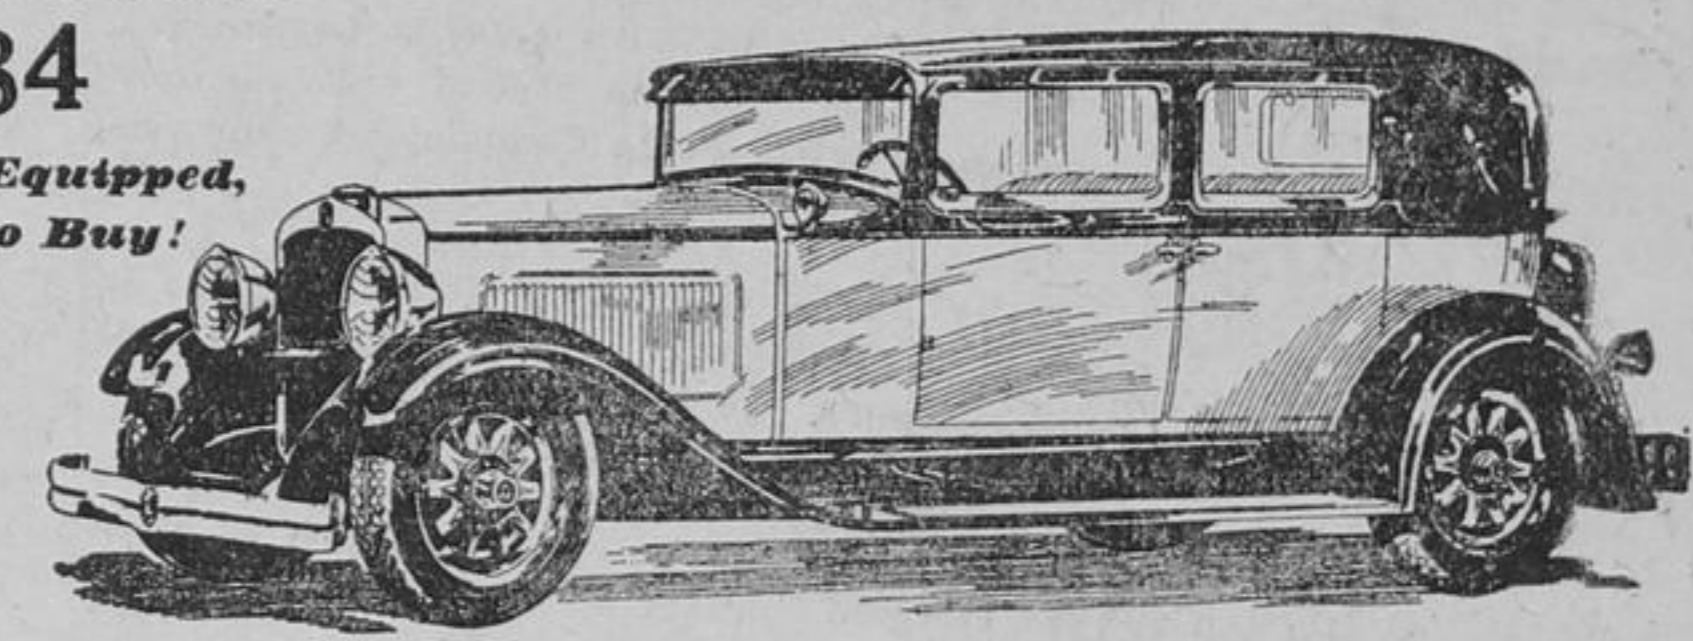

The ship may be as old as the wayside shrine, and only oxen tramp where Cartier found the Indian and the vines. The house by the road is more than 250 years old.

"WE likewise found quantities of vines such as we had seen nowhere else in the world which led us to call this the 'Island of Bacchus'." Thus the Saint Malo captain, Cartier, who discovered the Isle of Orleans in 1535 first named it. Four hundred years. Ships of the adventurer, the explorer, the pioneer, the builder of empire and later, great ships of commerce followed those of Cartier, but the Isle of Bacchus has not known them all and has slept before the portal of the new world for many generations. Not that it has been forgotten, but that the bigger ships have gone by. Industry has not destroyed its charm and today it remains, if not the pristine Isle of Cartier, a piece of old France as translated by those who shortly followed him. The illustrations above typify the island. "Progress" has been slow. Its people have learned the secret of content. Their tongue, their modes, their homes are of a century ago. They weave their catalogue; live in homespun. They are blessed with old people. Yet, a short ferry distance away, Quebec with its ramparts, its Chateau Frontenac and its ocean shipping, keeps pace with the advance of the times. At Ste. Petronille, one of the quaint little villages where wealthy Quebec has its summer homes, an inn has this year been opened, so that it is now possible for the visitor to rest for a while and absorb at leisure the charm and beauty of the forgotten island. But he must be prepared to eat of the good viands of the Habitant and to live a little closer to the homespun. The people of the island will welcome him with good-nature but they have little liking for the modern. They have the secret of content and good-living, on the Island of Bacchus. The name of the new Inn is La Catalogne and it once was a seignorial mansion.

NASH '400'
LEADS THE WORLD IN MOTOR CAR VALUE

"400" Advanced Six Ambassador
\$2784

Delivered, Fully Equipped,
Nothing More to Buy!

THE AMBASSADOR BY NASH
—TWIN-IGNITION-MOTORED

THOUSANDS of people who drive the Twin-Ignition-motored Nash "400" Ambassador have discovered that the most luxurious type of motoring is not necessarily prohibitive in price.

Obvious to every eye is the style and thoroughbred character of this charming motor car. There is beauty in the purity and grace of every line and curve. There is luxury in every item of interior dress and decoration, from inlaid walnut panellings to the deep, overstuffed cushions, upholstered in fabrics restricted to fine car manufacture.

And equally obvious, to those who know good motor cars, is the high quality of "400" engineering and Ambassador performance. Here, in this moderately priced car, is the Twin-Ignition motor, the year's most notable achievement in power. Another very attractive "400" feature is the "world's easiest steering."

And the Ambassador is one of the easiest riding cars ever built. The wheelbase is 130 inches. The springs are built of special process alloy steel, individually designed for Ambassador size and weight, and out-board mounted Houdaille double action, hydraulic shock absorbers are regular equipment.

Other features of convenience and quality which Nash volume makes it possible for you to have at Ambassador price, are Bijur Centralized Chassis Lubrication and Chromium-nickel bumpers front and rear—at no extra charge. Volume and its manufacturing economies plus Nash engineering skill make possible this value. More than 168,000 Nash "400s" were built and sold in the 12 months (just ended) since the "400" introduction.

Delivered, Fully Equipped Price Range of 23 Nash "400" models \$1224 to \$3165 includes Touring, Roadster, Coupe, Cabriolet, Victoria and Sedan Models
