NO CHANGE FORSEEN IN FORD MODELS Little Brothers, local Ford dealers when interviewed by The Liberal this morning characterized as "Absurd" the report in the Toronto press that the Ford factory had laid off several thousands of men.

"This hardly seems likely" said Mr. Little "in the face of the leading sale record established by Ford, and the demand for the car both in United States and Canada." He said there was no intimation of a new model and said that some of the suggestions in the press story were ridiculous. He thought there was absolutely no foundation for the publication of such reports.

CARD OF THANKS Mrs. Wm. Pingle and Irene, wish to express their sincere appreciation to their friends, for the sympathy and kindness extended to them in their recent bereavement.
