## MARKHAM TOWNSHIP COUNCIL HELD REGULAR OCTOBER MEETING

**A. SUMMERFELDT APPOINTED TAX COLLECTOR AND J. W. COWAN NAMED AS CONSTABLE FOR MARKHAM TOWNSHIP**

Markham township council met in regular session at the township hall, Unionville, on Monday afternoon. Reeve Gohn occupied the chair and all the members were present. No matters of a contentious nature were up for consideration and the business slate was not large.

Petitions were received for the construction of macadam roadways on Sussex and Cedar Avenues at Langstaff, under the Local Improvement plan. The petitions were received and the work will be proceeded with immediately. This will complete the improvement of all the streets in the Langstaff sub-division.

Mr. Abner Summerfeldt, of Unionville, was appointed tax-collector for the east side of the township, taking the place of the late William Pingle. Applications were received from A. E. Milner and H. Summerfeldt.

Owing to the death of Constable J. Clayton, the council was faced with the problem of appointing a successor for this office. Several applications were received, but after due consideration the council appointed J. W. Cowan, of Markham, at a salary of \$25.00 per month and a mileage allowance of ten cents per mile. Mr. Cowan has had some police experience with the township of Scarborough and comes very highly recommended. It is understood that Road Supt. Maxwell will also be sworn in as a constable and will assist Constable Cowan.

A grant of ten dollars was made to the Junior Farmers plowing competition and a grant of twenty-five dollars to the North York Plowmen's Association. The North York Match will be held this year at Dixon's Hill on October 24th.

Mr. Mackie, of Richmond Hill, appeared before the council and asked that the council repair the bridge on the centre road leading out to the second concession from the Richmond Hill C.N.R. station. This bridge was washed out during the spring floods and has never been repaired. Reeve Gohn pointed out that this road is only thirty-three feet wide and has never been assumed as a township road. A great many people use this road however and the council will investigate and see if some agreement cannot be made with the village of Richmond Hill and with interested citizens for its repair this fall.

Mr. A. McKinnon applied to the
