

MARKHAM

ROBB - PIKE
A quiet wedding took place on Wednesday, October 2nd at York Minster Baptist Church, Toronto, when May, eldest daughter of Mr. and Mrs. Fred J. Pike, of Maple Leaf Farm, Locust Hill, was married to John Robb, son of the late George and Mrs. Robb, of Markham, Rev. W. A. Cameron officiating. The bridesmaid was Miss Betty Pike, of Toronto, and Mr. Frank Robb, supported the groom. Immediately after the ceremony the happy couple left on a motor trip to Peterboro and points east. On their return they will reside at the Robb homestead eighth line. Markham Fair was favored with excellent weather and a record crowd. The exhibits in the hall were of a high order in fruit, flowers, fancy work and home made cooking. The Scarborough gardens had a splendid display of Dahlias. In the evening the directors gathered in the board room and some of the guests made a few snappy speeches, congratulating them on their efforts to keep the fair up to its name. Dr. Forrest, of Port Hope, was chairman and called on Mr. A. J. H. Eckardt, Mr. G. A. M. Davidson and L. C. Bennett. Mr. Jas. Malcom and Jas. Torrance replied with a tribute to the W.M.S. Ladies of the Presbyterian Church for their efficiency in serving the luncheon and singing "Good Night Ladies" the fair was closed for another year.

GRASS FIRE AT JEFFERSON
The Richmond Hill Fire Brigade answered a call to Jefferson early Tuesday afternoon, when a grass fire in the field north of the residence of G. M. Beynon, threatened neighbouring houses. The flames were quickly checked by the Richmond Hill Brigade.

Wrong Side of the Ledger
A minister consented to preach during his vacation in the country at an Episcopal church. When he arrived at the church on Sunday morning, the sexton welcomed him and said: "Do you wish to wear a surplice, sir?" "Why, man, I'm a Methodist. What do I know about surplices. All I know about is deficits."—The New Outlook.

Two weeks from next Wednesday is election day. Plan now to record your vote in this election.

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

This is the gospel of labour, ring it, ye bells of the kirk! The Lord of love came down from above, to live with the men who work. This is the rose that he planted, here in the thorn-curst soil: Heaven is blest with perfect rest, But the blessing of earth is toil. They who tread the path of labor follow where my feet have trod, They who work without complaining do the holy work of God. —Henry Van Dyke

Science and Skill GILSON 'MAGIC' FURNACES GAIN NEW HEIGHTS in HEATING EFFICIENCY THE aeroplane, radio, motor car are all products of science and skill. The achievement of Gilson engineers in producing the Gilson "Magic" furnace is just as revolutionary. They did not follow. They were leaders in the heating world. New ideas in construction were employed. Old style cast-iron with puttied seams was discarded. "Modern methods, modern materials." By using Toncan steel plate and electrically welding all seams, they produced a furnace that is positively smoke, dust and gas proof. Gilson's proved that steel plate will heat three times faster than cast iron. Patented conical grates, booster flues and other exclusive features effect a fuel saving of one-third. Ten thousand satisfied Canadian owners prove that the Gilson "Magic" furnace has gained the greatest heights in heating efficiency. Write today for free illustrated booklet, "The Supremacy of Steel." Gilson Heat Wave Ideal for small homes, offices, stores, schools, etc. Looks like a piece of furniture. Built of steel. Beautiful ornamental finish. Draws cold air from floor—circulates warm air. Big fuel saving. Gilson All Cast Furnaces! A big over-sized furnace at a record low price! We install quickly at small cost with money-back guarantee of quality from manufacturer.
