Maple

The new order of services for St. Stephen's Anglican Church, Maple is as follows:—1st, 3rd and 5th Sundays 7 o'clock p. m.; 2nd and 4th Sunday's 11 o'clock a. m.; Holy Communion 2nd Sunday.

Progress is visible in the St. Stephen's Congregation, electric lights are being installed and other improvements made. Remember the Bazaar in St. Stephen's Parish Hall, November 30th.

The Girl's club of St. Andrew's Church will hold a bazaar on Saturday, November 23rd. Fancy and useful articles will be sold. Lunch served. Hall will open at four o'clock.

The Sunday School of St. Andrew's Church, Maple, intend to hold their annual Christmas tree on Tuesday, December 17th.

A four act play entitled "Aunt Susan's Visit" by Clara Rockwell Anderson, will be presented in the Community Hall at Maple next Monday night, November 25th., commencing at 8 o'clock. A full two hour programme will be given. After the play their will be a programme consisting of solos, duets, humorous readings, and instrumentals. Tell your friends about it and bring them along to meet Aunt Susan. She is a concert in herself.

Oak Ridges

Mr. Arthur Grant and Mr. A. Mc. Kennedy and other members of the Bond Lake Hunt Club arrived home Sunday morning and all report having a successful hunt and getting their full complement.

Vote In January On Question of a Public Health Nurse

COUNCIL DECIDES IN FAVOR OF A PLEBISCITE

Richmond Hill electors will be asked to express their views on the question of a Public Health Nursing service at the coming municipal elections. That was the decision of the council which met in special session on Friday evening last. All the members of the council were present and Dr. J. P. Wilson, M.O.H. and George Gees, member of the Board of Health were in attendance.

It was explained that a Public Health Nursing Demonstration was now being conducted in Vaughan Township and the village of Woodbridge and that an opportunity had been offered Richmond Hill to participate in this free service. The only condition of the offer was that since Richmond Hill had enjoyed the free demonstration last year that the Board of Health should give the Provincial Department an assurance that the service would be continued on a paid basis provided Vaughan and Woodbridge decided to carry on. In other words if this assurance was not given it looked as if Richmond Hill was merely "looking for something for nothing".

The annual cost of a Public Health Nursing service for Richmond Hill was mentioned as about \$400. The exact cost cannot be stated inasmuch as the demonstration and survey of the field to be served has not been completed. There was a lengthy discussion of the subject and many varied opinions were expressed by the

councillors. Councillor Sims moved that the question be submitted to the people at the January elections. Councillor Middleton seconded the motion and it was carried. Councillor Davis opposed the motion as he claimed the people should not be asked to vote on a question when the council was unable to tell what it was going to cost. "The people will be voting in the dark" he said. Councillor Mansbridge supported the motion as he said although he felt a Nursing Service was very desirable that the people should be consulted.

BROWN'S CORNERS

Brown's Corners United Church are holding an oyster supper on Wednesday, November 27th. Supper will be served at the Church from six to eight o'clock, after which a first class program will be given by Mr. Park and Company of Toronto. Admission 50 cents. Everybody welcome.

CONGRATULATIONS

The Liberal extends congratulations to H. J. Mills, Ltd., of Richmond Hill, who were successful in winning four firsts, two seconds and one third at the Rose Show of the Royal Winter Fair this week.

Unanimous For Radial Service

The people of the North Yonge Street district with their ballots have declared in no uncertain voice in favor of a Radial Service and against a Bus Service. During the week since our last issue in which we published a Transportation ballot and asked our readers to indicate their preference as to a Radial Service or a Bus Service, 805 ballots have been returned and 805 VOTES WERE MARKED FOR THE RADIALS. NOT ONE VOTE IN FAVOR OF A BUS SERVICE.

The unanimity of the result is very gratifying although we had hoped that a larger number of our readers would have registered their vote on such an important problem. However there are always those who leave it to the "other fellow" and carelessness more than indifference would probably account for the fact that a vote of 2000 or more was not rolled up for the Radials.

The result of the vote was given to Reeve Lundy, chairman of the York County Transportation Committee, late on Wednesday afternoon and he expressed on behalf of himself and other members of the committee sincere appreciation for the practical interest taken by readers of The Liberal in the Transportation problem. Engineer W. B. Redfern, expert engaged by the County to investigate the Radial question when acquainted with the result was highly pleased. A letter has gone forward to the Toronto Transportation Commission telling of the one hundred per cent. pronouncement in favor of Radials by readers of The Liberal.

The Radial question occupied the attention of the County Councillors in session to-day. Engineer Redfern presented his report which disclosed the details of the findings of his investigation carried on during the past month concerning the operation of the Metropolitan Radials. A large number of citizens from every community served by the Radials were in attendance when the matter came up for discussion at three o'clock this afternoon.

A notable development concerning the negotiations with the view to the continuance of the Radials was the announcement that the County would be heard before Judge Denton in the T.T.C. probe now in progress. Clifford Case, M.P.P., was appointed to represent the County at the hearing and on Wednesday Judge Denton agreed to hear the arguments of the County of York in regards to Metropolitan line. It is expected that Engineer Redfern will be the principal witness called in the interests of the County, and that he will refute the statement of the T.T.C. that the City loses half a million a year on the Metropolitan.

EXPRESSES APPRECIATION FOR PRACTICAL INTEREST OF LIBERAL READERS

Newmarket, Ontario,
November 21st, 1929

The Editor,
The Liberal,
Richmond Hill, Ont.
Dear Sir—

I wish to express on behalf of the County Council Transportation Committee appreciation of the unanimous expression of opinion as voiced by readers of The Liberal through the Transportation ballot conducted by your paper. Let me assure you that the assurance of the unanimous support of the people of the North Yonge Street district means much to those of us who are actively engaged in working for a continuance of the Radial Service. It means much to us that the people are behind us in this

matter and we can carry on with renewed vigor and enthusiasm the fight which we confidently hope will mean a continuance of the Metropolitan Radials.

Again thanking you Mr. Editor for your whole-hearted support and your readers for their practical interest in this important Transportation problem, I am

Yours very truly
F. A. LUNDY,
Chairman York County
Transportation Committee.

ELGIN MILLS

On Saturday, November 23rd at 3 o'clock, a sale of Home Cooking and Candy will be held at the Elgin Pavilion, Elgin Mills in aid of the Community Sunday School.

Extensive preparations are under way for the Christmas Tree and entertainment which will be held on December 19. Watch for further announcement.

Mrs. Wm. J. Whitten served a dainty luncheon to-day to a number of friends, the proceeds of which were in aid of the Elgin Mills Sunday school. Similar luncheons will be continued throughout the season at the different homes of Sunday School workers.

Every parent realizes the necessity of correctly fitting the children's feet as a safeguard against all future foot troubles. Hurlbut's are roomy, yet well fitting with just that specially designed feature for growing feet which has made them the most popular children's shoes of the day.
