To the Electors of King Township

By your unbounded confidence thus expressed in me, you have set a record in this Municipality in (the largest vote and majority ever recorded at our Municipal elections) and by this expression of your good will and confidence I shall always endeavor during the year of 1930 to render you the very best service in a Municipal way that there is in me.

I also trust that when I return to you at the end of the year 1930 to render you an account of my stewardship that you will find that your unbounded confidence was not misplaced and that I have served you faithfully and well with credit to myself and with distinction to this the largest Municipality in the Province of Ontario and for whom I have the honor to represent as Reeve for the year 1930.

Beaten out of world series glories, three members of the Yankees Baseball Team, R. Shawkey, coach; Roy Sherid, pitcher; and B. Bengough, catcher, salvaged their disappointment with a ten-day sojourn in the Laurentians, hunting section north of Montreal. The annual school meeting in the section here was poorly attended. A meeting held in No. 7 on Saturday night was very well attended. The meeting was called by the trustees to see what arrangements could be made to overcome the overcrowded conditions of the school. Some of the ratepayers' of the section attended with the intention of seeing that pupils from outside were sent to their own section. As the meeting progressed they learned that many outside of the section were intensely interested in sending their off-spring to this institution because of the high moral tone of the school. After much friendly discussion the decision was reached that some extra seats would be procured and no pupils now enrolled would be asked to vacate their places at present. The trustees intimated that a small fee would likely be levied to pay the expenses of the extra accommodation. The room at present will seat thirty-five. Already this term enrollment is forty-five and some of school age will be seeking admission again after Easter or midsummer.
