If You Want Business You Must ADVERTISE

The man who doesn't use newspaper space sees his trade shrink while the man who advertises liberally is the man who is successful.

Some business concerns have a shrinking business and wonder why. They are the ones who do not realize the importance of ADVERTISING.

ADVERTISING IN THE LIBERAL is a class of news demanded by the public, because it tells them where to find what they want.

ADVERTISING IN THE LIBERAL is educational because it brings new necessities and luxuries before the public in a way that proves to them that they need the articles or service offered.

Non-Advertisers, as well as occasional advertisers who continue their advertising to bills only, should stop and think about using the advertising columns of THE LIBERAL. It should receive their most serious attention. Lack of REAL ADVERTISING causes a slump in business.

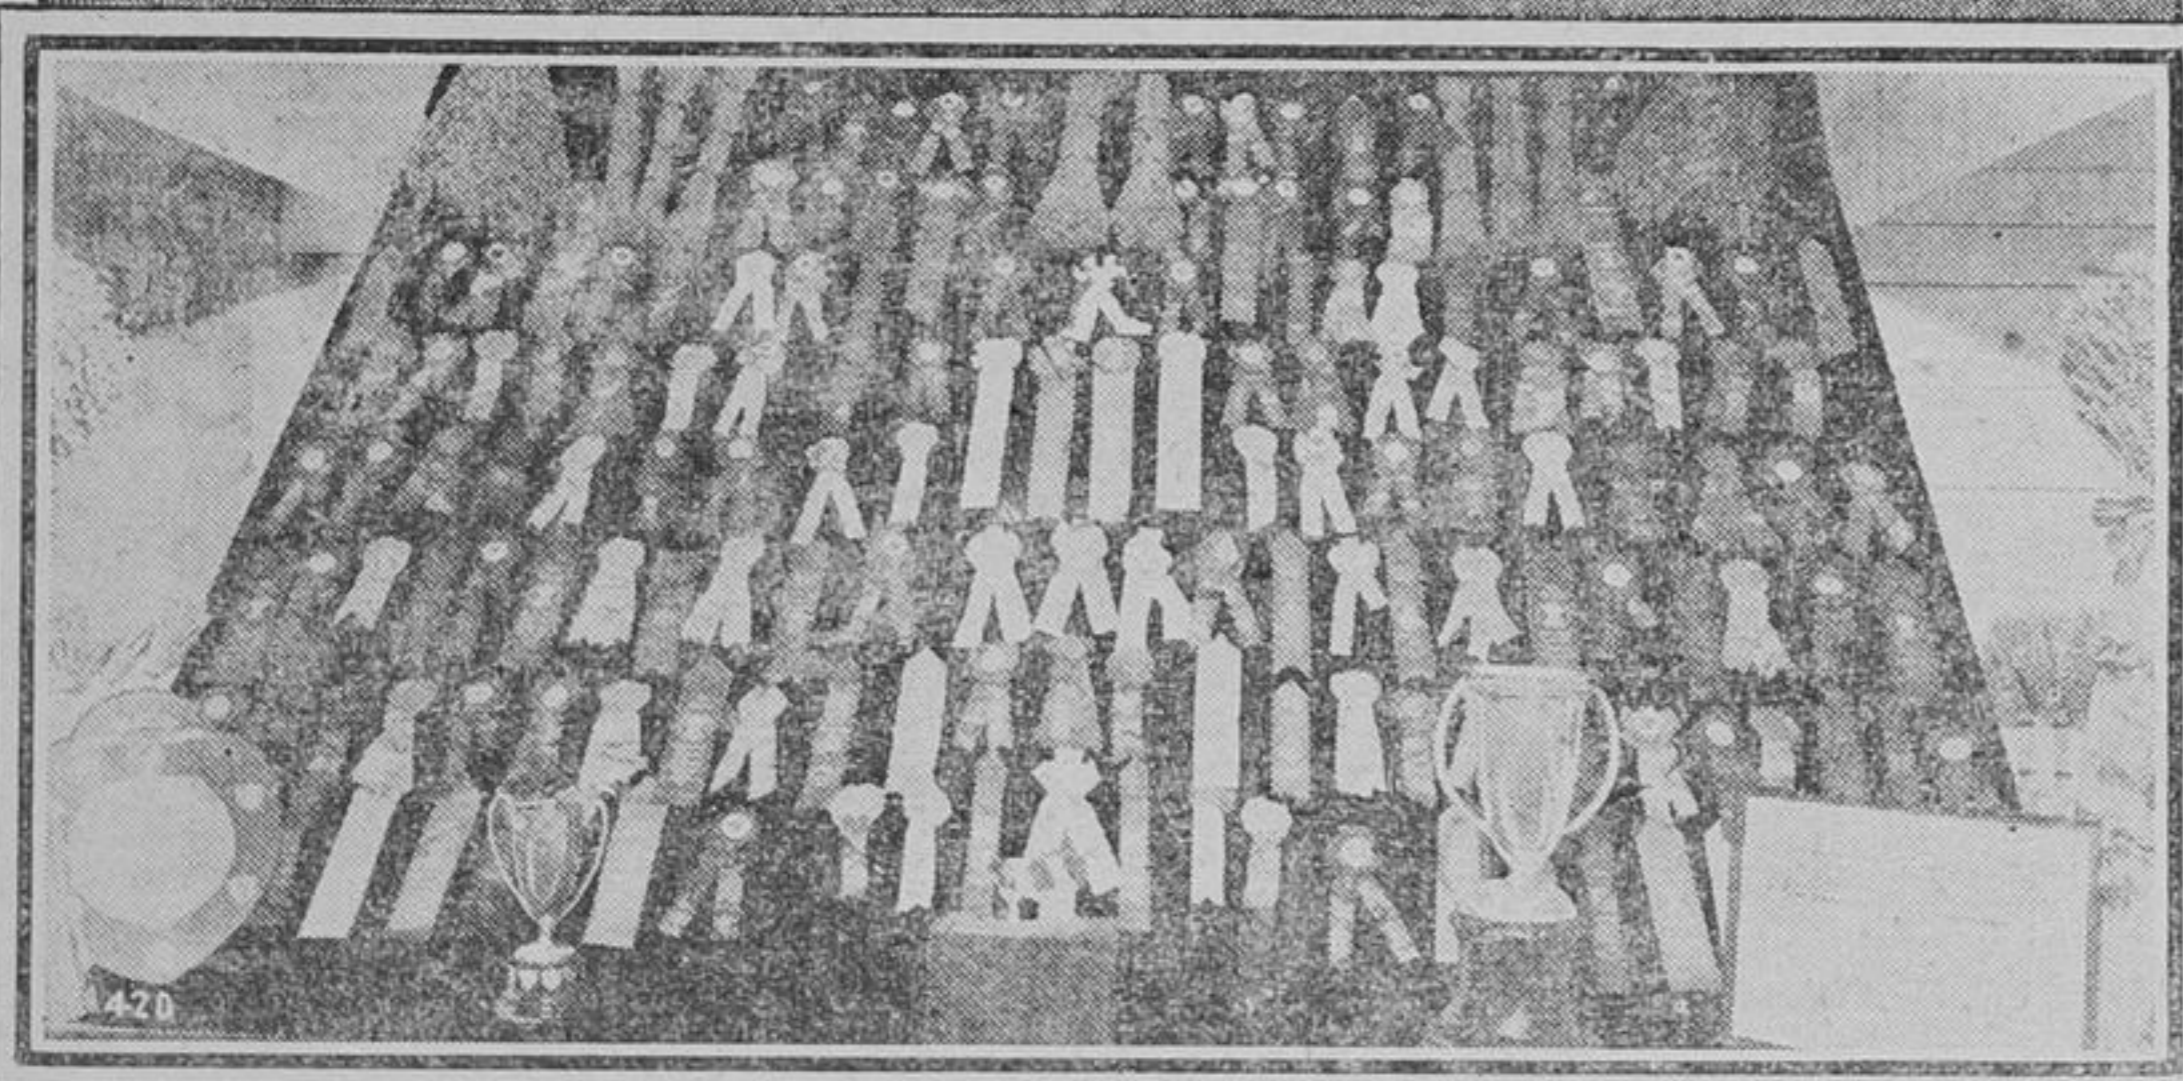

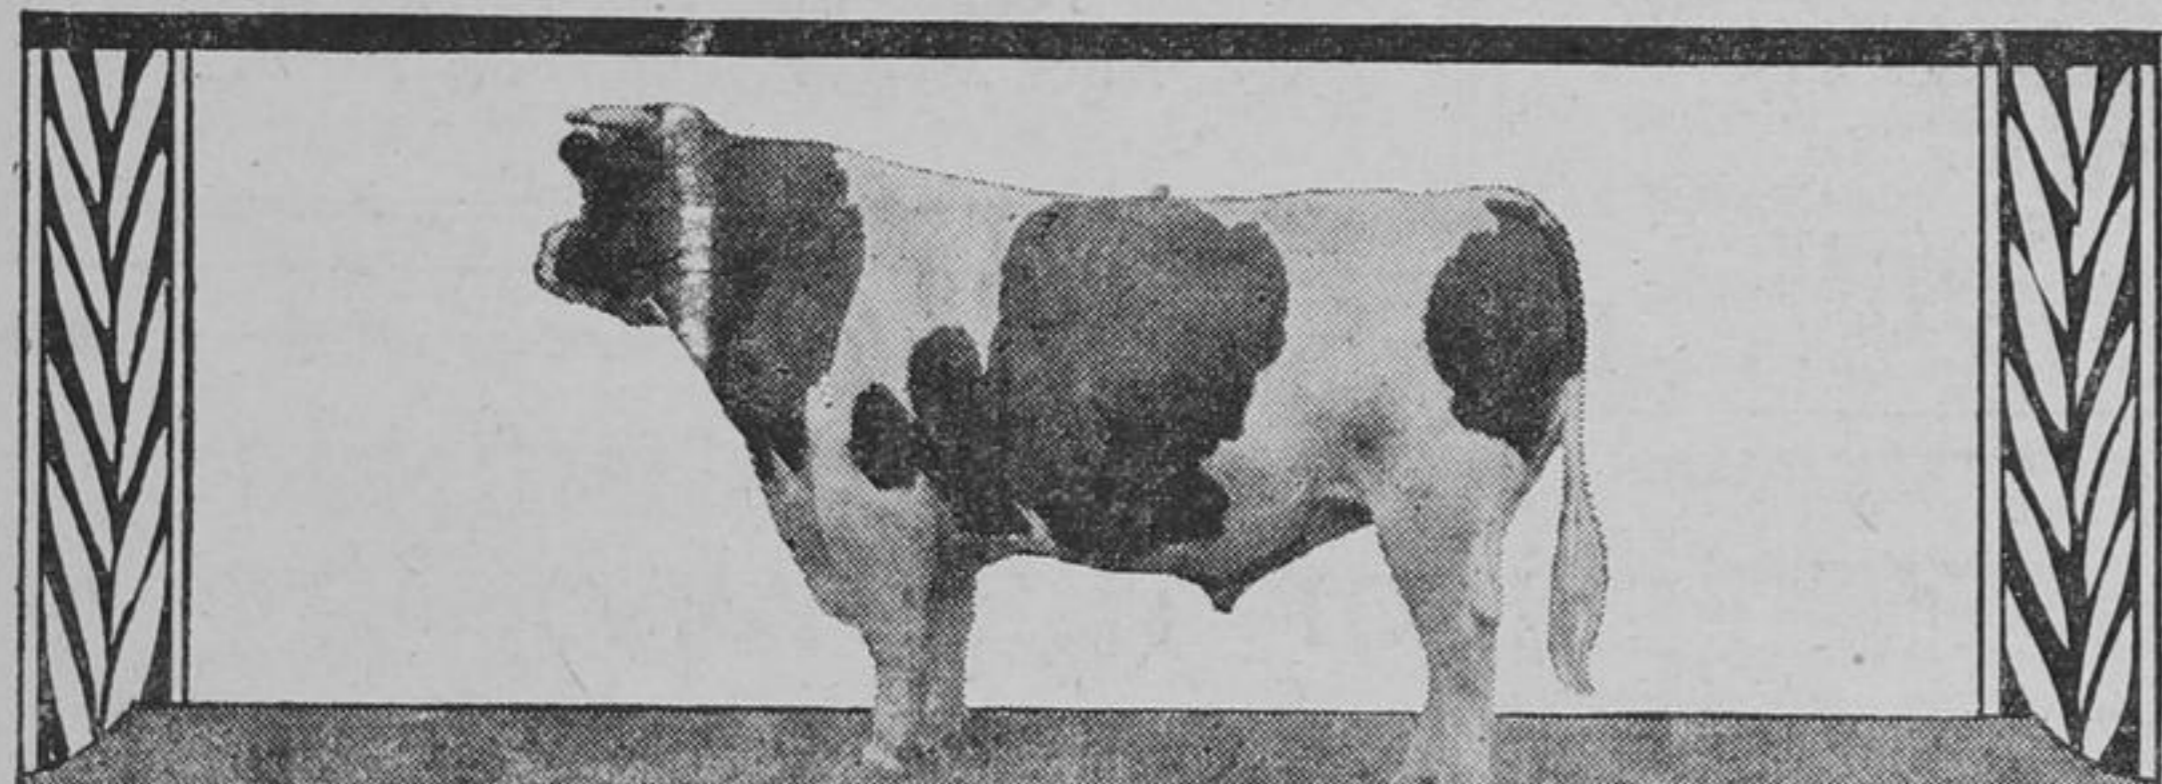

NEWSPAPER ADVERTISING makes better business.

LIBERAL ADVERTISING IS THE GOLD MINE OF BETTER BUSINESS IN RICHMOND HILL AND THE NORTH YONGE STREET DISTRICT. EVERY BUSINESS ORGANIZATION SHOULD DIG FROM IT THEIR SHARE OF BETTER BUSINESS.

It Pays to Advertise in The Liberal because it produces results.

The large cup, right, was won at the Calgary spring show for the best purebred Aberdeen Angus heifer. The Canadian Pacific Railway thus own one of the finest, if not the finest, herd of cattle in Canada. The cow any has done a great work in improving the breed of cattle throughout the West.

FATALLY INJURED WHEN WALKING ON YONGE STREET

As the result of injuries received when he was struck by two motor cars Monday night, Joseph Wilbert Heebner, 53, of Thornhill, died while being rushed to the Toronto General Hospital.

While walking south on Yonge St., Mr. Heebner was struck by a car driven by Alfred Wade, 187 Roehampton Ave., Toronto, and thrown unconscious into the centre of the road. Stopping his car Wade ran back to the injured man, but as he did so a north bound car driven by Jack Saunders, of Richmond Hill, ran over Heebner.

An inquest will be held on January 16. The case was investigated by Chief of Police Sid Barraclough and Traffic Officer William Reid, of Richmond Hill. Wade said he was blinded by the lights of a northbound motor car. Mr. Heebner was a brother of Mrs. Fuller of this village.

CHICKEN THIEVES STILL AT LARGE

Chicken thieves are still travelling around this district. About half past one Monday morning, Mr. Clark living on Thornhill sideroad west, was awakened by the barking of his dog. On looking out of the window he could see a truck backed up to the door of his poultry house, Mr. Clark shot at the intruders but they escaped. Constable Barraclough was summoned but lost trace of them in Toronto. It is expected that they are of the same gang as the Russian thief that was captured, as he admits that there were two cars with him that night. Poultry owners of this district should have more protection as it is the general opinion that a constable in Thornhill is necessary to cope with the situation.

ACCIDENT AT STOP 17

Miss Amy Wilcox met with a severe accident Wednesday evening while waiting for the Street car at stop 17. As no one was there when the accident occurred it is thought that she might have slipped under the Street car while reaching the step. She was picked up by the motorman and conductor and taken to the office of Dr. Wesley. It was found that her right leg was broken and a bad break on the forehead, with other injuries. She was taken in Wright and Taylors ambulance to the Western hospital where she lies in a semi-conscious condition.

Bird and Isobelle Farr.

Sunday, December 29th large congregations were present at Thornhill United Church.
