**RICHMOND HILL "KIDS" WON EXHIBITION GAME FROM PHOTO ENGRAVERS BY SCORE OF 4-2**

Ralph Tyndall, a former Richmond Hill boy and a member of the Photo Engravers, of Toronto, led his hockey team on the ice at the Richmond Hill arena on Monday evening, when they met the local "Kids" in an exhibition fixture. Incidentally it might be mentioned that Photo Engravers and Electrotypers Ltd., is the organization responsible for the production of the electros or "cuts" of local and national celebrities which appear in The Liberal from time to time.

Unfortunately due to the vagaries of the weatherman the game was played on soft ice and both teams found the going hard and had difficulty in carrying the puck. Nevertheless both teams turned in some good hockey and the play was well matched for the whole sixty minutes.

Walker Wilson a former Richmond Hill O. H. A. player scored the first goal for the visitors, taking a shot from centre ice when the puck slipped by Jim Grainger, which put the score at the end of the period Photo Engravers 1, Richmond Hill 0. The second period was very much the same as the first, and for a while it looked as though the period would end with the same score, but Richmond Hill had the edge on the visitors after five minutes of play, when they checked them hard, and in about five minutes to go "Curly" Lynett the stalwart defence made a solo flight through the whole Toronto team and beat Burns for the locals first goal which tied up the game. Before the period ended the Photo Engravers broke the tie, when Madill popped in a loose puck which was a hard shot for Grainger to stop. In the third and last period the Richmond Hill "Kiddies" went wild and scored three goals which gave them the game, but not until the final gong of the bell ended the game, because the visitors sure tried hard to even up the count, but luck failed them. It was hard to pick a star from either team but Wilson, Stonehouse, Webb and Burns were the pick of the Photo Engravers the four playing good hockey and for the winners Grainger in goal was the outstanding player of the evening making some very clever stops which saved the game for Richmond Hill. This was Grainger's first time in goal and he is the makings of a good goal keeper. Mackie, Grant and Lynett were the other stars, each scoring for the winner.

The line-up of the teams is as follows: Photo Engravers—Goal, Burns; Defence, Tyndall, Madill; Centre, Wilson R. wing, Stonehouse; L. wing, Northgrave; Subs, Malloy, Webb, Wilkinson, Jackson. Richmond Hill — Goal, J. Grainger; Defence, White and Lynett; R. wing, Mackie; L. wing, Crean; Centre Grant Subs, Grainger, Young and Blanchard. Penalties — Tyndall, Northgraves, and Lynett.

Scorers — Wilson, Madill, Lynett 2, Mackie, and Grant.
