### CHICKEN SHOOT

Sixteen chickens were put up as prizes at a shooting match by R. S. Frisby and Son, Victoria Square, on Tuesday afternoon, Jan. 14th. The weather conditions were unfavorable for shooting and at times the fog made it seem like a game of blind man's buff but eight contestants kept their "weather eye" in shape and some good shooting developed. Tom Shadlock won 3 bids score 152 out of 160; Wm. Young 3 with 151; Fred Carruthers 2 with 149; Jack Frisby 3 with 149; C. Boyington 2 with 144; P. Stiver 2 with 141; Councillor Clark 1 with 139 and Fred Stiver 132 without the bird. Despite the weather all were pleased with the afternoon's sport and it is probable R. S. Frisby & Son will hold another shoot in the near future.

It is also proposed that the Board will this year undertake an extensive municipal survey when it is hoped much valuable information will be secured.

A vote of thanks to the retiring president William Davies was unanimously adopted by the meeting.

### WILLOWDALE

That North York Township is alive to the advantage of an up-to-date and reliable transportation service was evidenced by the action of the Municipal council which on Monday last at the regular meeting instructed the township solicitor to prepare a report on the possibility of widening Yonge Street to 100 feet from old Yonge Street to the northerly limits of the township.

A resolution was also put through requesting the Toronto Transportation Commission to prepare an estimate of the cost of constructing and operating a double-track street car service from the northerly city limits of Toronto to the northern limits of the township. Reeve James Muirhead presided.
