W. P. Mullock Is Liberal Choice In North York

At an enthusiastic convention held in Newmarket on Wednesday afternoon William P. Mullock, grandson of Sir William Mullock, was unanimously chosen as the candidate for the Liberal party in the historic riding of North York.

Over seven hundred delegates from all parts of the riding were in attendance and the speeches of the candidate, the other nominees, Hon. James Malcolm, Minister of Trade and Commerce, and F. G. Sanderson, M. P., chief Liberal whip were enthusiastically received.

H. W. S. Cane, president of the North York Association presided and in the order named the nominations were received, W. P. Mullock, Morgan Baker, J. Harry Naughton, Harry Sifton, Reeve W. C. Gohn, of Markham, and Dr. G. McLean, of Woodbridge. The last nominated was called first and in order the nominees made short addresses in which all paid tribute to the excellent record of the present Liberal administration and expressed faith and confidence in the leader of the Liberal party, the present Prime Minister, Rt. Hon. W. L. Mackenzie King. All withdrew in favor of W. P. Mullock, who in accepting the nomination expressed his appreciation of the confidence reposed in him by the Liberals of the historic riding of North York. He assured the gathering that he would do all in his power to redeem the riding and to give North York the best possible representation at Ottawa.

Fred G. Sanderson, M.P., spoke confidently of the outlook of the Liberal party in all parts of Canada. He foretold not only a sweeping victory at the next election but also a substantial gain of twenty to twenty-five seats more in the province of Ontario.

Hon. James Malcolm, Minister of Trade and Commerce complimented the Liberals of North York on the choice of candidate. "North York has been fortunate in its representation in past years having been represented by such distinguished statesmen as Sir William Mullock, Sir Alan Aylesworth, and Rt. Hon. W. L. Mackenzie King. I believe Mr. Mullock who is a young man has it in him to be one of the best representatives this riding has ever had" he said. The Minister of Trade and Commerce told in glowing terms the story of the romance of Canada's progress and quoted statistics from every department of national endeavour which showed Canada was forging ahead and enjoying a measure of national prosperity unequalled anywhere else in the world. He told of the efforts of the King government during its tenure of office to strengthen the bonds of empire by fostering trade with the motherland. The Liberal government is not a free trade government, nor a high tariff government. We treat the tariff as an economic instrument to promote the welfare of the country. The Minister pointed out the large increase in industrial employment during the office of the present government. He pointed with pride to the tax reductions, reductions in the national debt, the success of the Canadian National Railways and to the general efficient record of the administration.

The officers of the North York Liberal Association for the coming year were chosen as follows:—President, Morgan Baker, Whitechurch; Secretary J. Harry Naughton, Elgin Mills; Treasurer, T. H. Trench, Richmond Hill. The vice-presidents will be elected by the various municipalities at meetings held in the near future.

A motion of thanks to the retiring president, W. H. S. Cane who has served as president for nearly twenty years was sponsored by J. H. Naughton, seconded by Morgan Baker and heartily endorsed by the meeting.

The meeting closed with the National Anthem and three cheers for the candidate.
