**COUNTY COUNCIL DISCUSSES  
METROPOLITAN RADIAL TO-DAY**

WILL FIGHT TO DEFEND PEOPLE'S RIGHTS  
AND UPHOLD PEOPLE'S WISHES IN  
REGARD TO TRANSPORTATION.

COUNTY AGAIN INTERVIEWES  
HENRY REGARDING THE  
BUS PERMIT

York County will to-day consider the ultimatum of the Board of Control given last Friday when that body allowed the County two weeks to come to some agreement for the continued operation of the Metropolitan Radial. Failing that satisfactory agreement the Board expressed the determination to discontinue the line on March 15th. The County council to-day will decide what the course of action will be. There appears to be little sentiment in the County body in favor of the line continuing as at present under the management of the T. T. C. and the county municipalities assume any portion of the deficits. In the light of the T. T. C. claimed deficits in the past this suggestion appears too ridiculous to consider.

Interviewed by The Liberal this morning Reeve Lundy of Newmarket, chairman of the transportation committee was unable to definitely state what the decision of the County will be, but expressed the determination to fight for the people's rights and wishes for a continued radial service.

Reeve Lunau who is a member of the transportation committee is confident that Richmond Hill will not lose the car service.

Hon. G. S. Henry, Minister of Highways responsible for the permit for the busses which have been operating in competition with the radials during the past year and threaten to drive the cars entirely off Yonge Street was interviewed by the County committee this week. It is the unanimous feeling throughout the district that a radial service should be maintained and there is widespread opposition to the present partial bus service and to the proposal to give the district only a service of this nature. In view of the people's wishes in this regard it was hoped by members of the council that the Minister of Highways would not renew the bus permit for another year. As near as can be learned however the only answer received by the committee was that the Minister would give the matter his very serious consideration. It was one year on Wednesday since the local bus service was inaugurated.

It is learned on good authority that there was absolutely no truth in the published statement of general manager Harvey that it was the intention of the department of highways to proceed shortly with the widening of Yonge Street as far north as Richmond Hill.

AT THE RICHMOND HILL  
POLICE COURT

"Out Again In Again Pat" Was Doing  
Well When Authorities Interfered.

Local authorities stepped in and interfered with a very profitable business enterprise this week, when Pat Magill was arrested in Richmond Hill after several complaints that he had been begging. "Pat" checked out at the Municipal Farm at 9 a. m. and started to raise funds. By twelve thirty he had raised over four dollars which is a tribute not only to "Pat's" salesmanship but to the generosity of people of this district. He was taken before his Worship Magistrate G. H. Duncan and he was back in the jail farm by 1 o'clock.

On Monday there were four cases of speeding in the local court, one offender for driving without lights, one speeder was dismissed and a vagrant was given two months. On Tuesday there were seven cases of speeders and one driver for not having a permit. Two vagrants were given a two months sentence.

SMALL AUDIENCE  
HEARS THE LECTURE  
ON PEACE GARDEN

A meeting of the Horticultural Society with the special object of giving the citizens of Richmond Hill, the privilege of learning particulars regarding the project of "The Peace Garden" was held in the school room of the United Church on Tuesday evening. Unfortunately, the attendance was small. Mr. H. J. Moore, the speaker of the evening, has the honor of being Secretary of The Peace Garden committee, which has been formed from prominent citizens of the United States and Canada.

Before introducing the subject of The Peace Garden, Mr. Moore showed a large number of very fine colored slides of choice flowers and flower gardens. A number of these pictures were of peonies in the demonstration peony garden at Galt, Ontario. One acre is devoted to this peony garden and in it are found the best peonies in the world. The fact that some of these tubers cost one hundred dollars each, will give some idea of the choice varieties to be found there. There is a similar demonstration garden for roses at St. Catharines and a number of very beautiful pictures of the climbing roses there, were shown.

All present at the meeting greatly enjoyed Mr. Moore's enthusiastic address, explaining The Peace Garden project. After Easter a campaign will be launched in the United States and Canada to raise funds to finance the scheme. The names of all adults contributing twenty-five cents or more and all school children contributing five cents will be entered in lists and these stored in vaults to be kept for all time. The object in establishing The Peace Garden is to commemorate the one hundred years of peace between Canada and the United States and a garden would indeed be a fitting peace memorial.

Prize Winners  
At Seed Fair

There was a fair attendance at the annual seed fair of the Richmond Hill Agricultural Society held in the Masonic Hall last Saturday afternoon. The exhibits were not numerous, but were of good quality. "This is not the biggest exhibit I have seen at Richmond Hill" said Prof. Squirrel, one of the speakers, "but the quality is of the best."

In the absence of the president, J. Scott McNair ably acted as chairman and the speakers of the afternoon were, Mr. Wiener, secretary of the Ontario Seed Growers, R. E. White, district agricultural representative, P. Stewart of the Canada Maltng Co., and Prof. Squirrel of the O. A. C. All the speeches were interesting and instructive and were listened to with marked interest by the audience. All stressed the growing importance of selecting the very best seed obtainable.

The chief attraction for the week at our corner will be presented in the Public Hall on Friday evening by the Dramatic Club. Good plays have been presented in the past, but the play for Friday night promises to take second place to none.

Mr. Valliere's neighbours turned out in force on Tuesday and helped him transport the barn he purchased some time ago.

The young men turned out on Tuesday and drew a supply of ice for Mr. Herbert Kaiser.

Messrs Thomas and John Frisby, and R. E. Perkins were exhibitors at the Richmond Hill Seed Fair last week. Mr. Frisby was fortunate in securing the red ticket for each of his eight exhibits, besides receiving the prize for the best sample at the fair. Mr. Perkins received the blue ticket for a very fine sample of barley.

Mr. Bertram Boston is spending the week by the fire on the advice of his physician.

We are pleased to report that our genial pastor is now on the road to recovery and we hope to see him around shortly. He is one of the men sorely missed in a community when laid aside. Some of the sick and aged miss very much his pastoral calls.

Rev. P. M. Peacock, of Toronto, occupied the pulpit here on Sunday, and will again give the message next Lord's Day. Twenty-eight years ago Mr. Peacock was the junior pastor on this charge. Only a few of the congregation now worshipping here were present during that term.

Chicken pox is holding sway in No. 4, Markham, this month. About half the pupils are absent from school duties.

Miss Alice Hopper spent a few days last week with friends in Toronto.

LOCAL CURLERS ENJOY HOSPITALITY OF MR. GEO. COWIE AT ACTON

On Saturday last two rinks of Richmond Hill Club motored to Acton and enjoyed a game with their old townsman and friend Mr. George Cowie. After the game they were royally entertained at Mr. Cowie's home and all will ever remember the lavish hospitality extended to them by Mr. and Mrs. Cowie and family. Everything was perfect to the smallest detail and after extending Mr. and Mrs. Cowie a hearty vote of thanks and hoping for a chance in the near future of returning the compliment, all returned home more than satisfied with the days sport. The following is the score:
