**RICHMOND HILL LOSE FIRST GAME — AGINCOURT OUT SCORE RICHMOND HILL BUT DON'T OUT PLAY THEM—SCORE 3-2**

Richmond Hill "kids" motored to Unionville last Friday night where they met the Agincourt "Huskies" in a Markham Township League fixture. The game was one of the best seen here this winter and a large crowd turned out to witness what was billed to be a real fast and scrappy game. This was Richmond Hill's first defeat this season and although they were out scored they were not out played. Agincourt started the fireworks in the first period when they scored two goals to Richmond Hill's none, the first goal was scored when Gooderham took a shot at Grainger from the blue line and when he went to clear it dropped it into the net. The second goal was scored the same way, but the third and deciding goal was scored when Gooderham skated down the left wing and slipped the rubber in. Richmond Hill never gave up trying and in the second and third periods they played every man up but the goal keeper, and they had Agincourt in behind their blue line so tight the only way they could get out was to shoot the puck from one end to the other. The Hill scored one goal in the second period but owing to the puck hitting the rafters referee Leggitt would not allow it. In the third period Richmond Hill scored two and that put the game on ice and they pressed right in on Gooderham the goalie for Agincourt who saved the day for them by his clever work in the nets. Blanchard scored the first one for the Hill when he skated through the whole Agincourt team and flipped the rubber by Gooderham and about two minutes later "Rusty" White the stalwart defence man wig-wagged his way through and put the game on ice when he scored Richmond Hill's second goal. The stars for Richmond Hill were, Blanchard, White and McLean and Grainger in goal; while Gooderham, Stibert at centre and Gooderham in goal were the stars for Agincourt. Referees Robb and Leggitt handled the game.

**RICHMOND HILL HAVE ONLY TWO MORE GAMES**

Richmond Hill have only two more scheduled games to play in the Markham township hockey league and they are both to be played at Unionville. One on the 21st of February with Buttonville and they other one with Falcons.

**RICHMOND HILL WILL BE IN THE PLAY-OFFS**

There will be four teams in the play-offs of the Markham Township Hockey League which will most likely start in two week's time. The first four teams all have a chance for the handsome cup which is being donated by two prominent Unionville men. The teams are to date, Richmond Hill, Milliken, Agincourt and Buttonville.

**Newtonbrook**

Mr. Wm. Coombs met with a very painful accident last week. With his team and sleigh, he went to the assistance of a truck that was stuck on a side road, just off Yonge Street. The truck was hitched to the back of the sleigh. The horses, in plunging, jerked the box loose and Mr. Coombs was thrown, landing on a stretch of ice. He was severely hurt about his head and back and has been confined to his house ever since.

Mr. A. W. Galbraith has returned home from Listowel, where he spent some time in the hospital. He is making a good recovery but will be confined for sometime to his home.

The many friends of Mr. H. B. and Mrs. Schmidt took advantage of the occasion of the fiftieth anniversary of their wedding day, last Monday, to call on them and extend their hearty congratulations and well wishes. All afternoon and evening, Mr. and Mrs. Schmidt were kept busy receiving their friends. Besides the visitors who came from local points, many came from outside places as Weston, Newmarket, Unionville and Toronto. Many beautiful flowers were brought; glorious daffodils and marigolds, in their golden color, appropriately triumphing on this occasion over roses and carnations and other floral tributes, which made the house a bower of beauty and loveliness. Mrs. Pingle, Mrs. E. R. Young and Mrs. D. H. Bales poured tea in the dining room, Miss Margaret Bales and Miss Irene Pingle assisting. In the drawing room, Mrs. Frank Schmidt and Mrs. Bertram Smith assisted the venerable bride and groom in receiving their guests.

Mr. Archer Wardle, of Connaught Avenue, who are sorry to say, is very seriously ill and is now in St. Michael's Hospital.

Mr. Don Foreman has accepted a

position with the Newtonbrook store; Mr. Cormack, who has been in Newtonbrook for some time, assisting in the store, left last week for Toronto. Mr. Edgar and Mrs. Woods are rejoicing over the arrival of another son. The mother and babe are in the Western Hospital and both reported doing well.

The Newtonbrook Woman's Association met last Thursday afternoon at the home of the President, Mrs. G. R. Goulding. Though the day was cold and stormy, there was a large attendance of members and some gentlemen joined the ladies at the supper table. Plans are being perfected for at "At Home", which will be given sometime in March.

The Rev. A. E. Marshall, B. A., of Newmarket, will occupy the pulpit of the Newtonbrook United Church next Sunday morning.

The Pollyanna Club and the Young People's Society held a very enjoyable Valentine Social last Monday evening. Miss Eva Lockyer presided over a programme of games and contests. The prize-winning pairs were; Miss Kay Lockyer and Miss Janet Riddell, and Miss Evelyn Bellsmith and Rev. E. R. Young. After the programme dainty Valentine refreshments were served.

The Choir was entertained last Friday evening by Mrs. E. R. Young, at the Parsonage.

The Executive of the Newtonbrook Sunday School met last Thursday evening at the home of the Superintendent, Mr. J. R. Smith, of the Fairbank Young People's Society were present and arrangements were completed for the entertainment to be put on in the Public School this (Thursday) evening. The annual sleigh ride is planned to take place, all being well, on Saturday afternoon, February 22nd.

**WE OVERLOOKED HIM**

All in all, this is an age of remarkable talent. We quote: "The shop-lifter made his way through a crowd of women shoppers and escaped." When they get around to making the final All American football list they ought to remember the unique performance of this bird.—Boston Herald.

One of the most beautiful and costly displays in the recent Exhibition at Toronto was the exquisite diamond replica of the latest Canadian Pacific Hotel, the Royal York, in Toronto. To build this unique miniature which was valued at over \$300,000, more than 15,000 Ellis faultless quality diamonds were utilized. These were mounted on a framework of satin wood covered with the finest wax. The miniature was drawn true to scale and measured 15 inches high by 12 inches broad.

The farm of James H. Walker, at Raymond, Alberta, of which 70 acres were sown to Kharkov wheat, yielded 2,800 bushels of 40 bushels to the acre, says the Lethbridge Herald. This particular crop was produced on a summer fallow field. The farm is diversified and rotated. Sugar beets do well on it and there is a flock of 2,000 sheep to help keep it in shape.

In a summary of the wheat situation the Manitoba Free Press points out that wheat is grading so high this year as to offset to a considerable degree the shortage in the crop. "Western Canadian wheat," it says, "has never graded so high in many years. The protein content of samples so far checked grade the highest that the West has known since the practice of testing for protein was inaugurated."
