

**Hockey Notes**

**RICHMOND HILL WIN EXCITING GAME FROM BUTTONVILLE AFTER TEN MINUTES OF OVERTIME — FINAL SCORE 5-3**

Buttonville hockey team supported by a large number of Markham township fans invaded Richmond Hill on Tuesday night and with the Richmond Hill boys as opponents turned in one of the best exhibitions of hockey which has been seen at the local arena this year. An overtime period was necessary to decide the game which at the end of the scheduled time was a 3-3 tie. In the overtime the local squad secured two counters making the final score 5-3. It was a good game and the large crowd of fans went home well satisfied and determined not to miss any of the future games in the Markham township league in which the race for championship honors is now drawing near the finishing line.

At the end of the second period the score was 3-1 in Richmond Hill's favor. Up to this time of the game Buttonville although showing signs of some good playing did not seem to hit their stride and Richmond Hill had the edge on the play. In the third period the Markham township boys hit their stride in earnest and as a result of some fast skating and clever combination tied the score. In the overtime which was five minutes each way "Curly" Lynett of the Richmond Hill defence broke the tie by a successful rush when he registered a counter. In the second five minutes despite the hard work of the Buttonville team "Rusty" White scored Richmond Hill's second and deciding goal.

Following the game on Tuesday evening, Mr. W. Pipher, of the Hotel Richmond, treated the boys of the Richmond Hill team to a sumptuous supper. The generosity and interest towards the team shown by Mr. Pipher was graciously acknowledged on behalf of the club by Councillor Wes Middleton.

The Mission Band met at the Parsonage last Saturday afternoon with sixty in attendance. Several members contributed piano selections and readings and a missionary story was read on the "Japanese Red Riding Hood." After the meeting there were games and contests, after which luncheon was served. One of the main features of the meeting was a Valentine Post Office where everyone present received a Valentine. All present had a very happy time.

**MARKHAM**

At the regular monthly meeting of the Markham Branch W. I. held in the Library Rooms on Tuesday last, it being Grandmothers' Day. The program presented was an unique one, Mrs. R. A. Mason giving an interesting paper on "Grandmothers of the Victorian era and the Present day." Music was also supplied by the grandmothers. A contest and exhibition of aprons was another interesting item, Miss E. Thomas, Mrs. Ferrier and Mrs. LaFraugh winning the prizes. The roll call was responded to by "Ancient Events." Hostesses for the day were Mrs. Warriner and Mrs. Lowry.

Mr. George Prentice, Massey-Harris Agent, Milliken, Ont., invites all interested to a tractor school held at the Orange Hall, Markham, Ont., on Monday, February 17th, at 1 p. m. Moving pictures will be shown of the new famous Massey-Harris tractor and new improved power farming machinery. These pictures have been taken in all parts of Canada of the machines in action. Everybody welcome. Admission free. Come and hear inspector Stroud.

**FARM MECHANICS COURSE**

Mr. W. H. Champion, Secretary of the Unionville Junior Farmers, has arranged through the Ontario Department of Agriculture for a special Farm Mechanics course to be held in the township hall, Unionville, February 24th to 28th. This course is free and is open to senior members as well as juniors. The daily sessions will commence at 9.30 a. m. and conclude at 4 p. m. Mr. J. C. Duff, of Harrison and Mr. E. B. Kelley, of Renfrew, have been chosen to conduct this course. The following is a brief outline of the course:—

The study of gas engines and tractors. Installation of water systems in farm homes. The farm water supply and sewage disposal. Care, selection and sharpening of tools. Care and overhauling of implements. Rope splicing and making knots. Farm concrete. Electricity on the farm. Paints and painting. Soldering, etc.

The lecture on Rural sanitation and installation of water systems in the home, will be given on Wednesday afternoon, February 26th, and should be of interest to the ladies as well as the men. Everybody is given a cordial invitation to attend this course.

**WON THE MUG**

Recruit — "Well, what's the matter? Didn't I do alright in the parade?"

Top Sergeant, sweetly — "Sure, you did alright. Didn't you win it by half a yard?" — Brooklyn Eagle.

**INTERESTING ST. VALENTINES MEETING HELD AT U. C. Y. P. S.**  
A very pleasant time was spent by the United Church Young People's Society last Monday evening, when the programme took the form of a St. Valentines Social. The contests given by Miss Bird was won by Miss Hodson and Mary Johns, each receiving a box of stationery. The advertising contest was won by Ruby Jefferies and Bruce McDonald, each winning respectively a bud vase and tie rack. The important feature of the evening was the presentation of an initialled wallet by the president Mr. Willard Simpson to Mr. Neil McDonald for his unflinching and willing services, both as Secretary and President of the Young People's Society in the past. Mr. McDonald replied in a few well chosen words, expressing his desire to still take as keen an interest in the Society even though it may not be in the capacity of President. The evening closed with a social time.

**PROTESTED GAME PLAYED TUESDAY, FEBRUARY 11th**

The protested game from last Tuesday, February 4th was played on February 11th and the married men won by a score of 1-0. The game was close but the experienced broom handlers had a bit the better of the game. Skating was enjoyed before and after.

**SPECIAL SCHOOL MEETING**

A special meeting of the ratepayers of Union School Section No. 1, will be held in the Public School on Friday evening, February 14th at 8 o'clock for the purpose of electing a trustee. A good attendance is requested.

**WOMEN'S INSTITUTE**

The appeal for supplies for the Canadians of the north met with the very generous support of all enabling us to send two large bales packed with serviceable clothing. The Institute members also made five layettes which were enclosed in the bales. The Institute wishes to take this opportunity to thank all those who helped in any way. There will be no meeting of the Thornhill Women's Institute this month.

**WILL PRESENT PULPIT TO RICHVALE CHURCH**

The members of Mrs. McKean's and Mrs. Luesby's classes are asked to meet at the Sunday school room at two o'clock sharp next Sunday afternoon, to leave for Richvale, where they will present the pulpit formerly owned by the Thornhill United Church. Anyone who will bring their car for transportation will be much appreciated.

**THORNHILL UNITED CHURCH**  
Rev. Dr. J. J. Sparling, D. D.

2.30 p. m.—Sunday School  
7 p. m.—Plockhurst's Painting — Jesus Walking on the sea, illustrated by lantern slides.  
Monday evening 8.15 p. m.—Y. P. S. DIED

**JAMES**—At her late residence, Thornhill, on Wednesday, February 12th, Maud Helmky, dearly beloved wife of Otto C. James. Funeral service at above address on Friday at 2.30 p. m. (private) and interment will follow in Thornhill cemetery.

**SOCIAL AND PERSONAL**

The Sunday school of the United Church are having a tobogganing party on Saturday afternoon, February 15th at 3 o'clock. Supper will be served in the Sunday School for the children and their parents.

Mr. and Mrs. Wm. Ness spent Sunday with Mr. and Mrs. Harvey Ness. Mr. Snider, of Huntsville, is spending a couple of weeks with Mr. and Mrs. C. MacDonald, John Street.

Mrs. Lee and Miss Baxter are leaving next week for the South, where they will spend the remainder of the winter.

Mrs. J. J. Sparling is visiting this week in Barrie, the guest of her sister Miss Egan read a chapter from the Study Book. Mrs. McNeil and Mrs. Rutherford gave a very interesting report of the Toronto Presbyterian held in Cooke's Church on January 30th and 31st. The meeting closed with singing and prayer.

Rev. Dr. Sparling and Mr. Nelson Smellie have been appointed delegates to the Horticultural Convention held at the King Edward on Thursday and Friday of this week.

**Vellore**

**SUCCESSFUL SHORT COURSE CONCLUDED WITH BANQUET AND DANCE**

The very successful short course concluded at Vellore last Friday and it was fittingly ended with a banquet and dance. Sixty young people of the community were enrolled, the girls taking household science subjects and the boys studying general agricultural work and stock judging in the course of which they visited several farms in the district. The sumptuous banquet served was a tribute to the members of the girls' class who were responsible for quality and plenteousness which characterized the supper. For the program which followed Mr. Kerstine the assistant Agricultural representative in the County very ably acted as toast master. After the toast to the King the toast to "The Girls' Class" was proposed by Mr. Mervyn Keffer and responded to by Miss Jean McKinnon. The remainder of the program was: solo, Mrs. Hutchinson, toast "The Boys' Class" sponsored by Miss Eleanor Malloy and replied to by Mr. Lawrence Polliat, a reading by Miss Ella McIntyre, vocal duet by Miss Laurena and Albert Rutherford, toast to "Agriculture" by agricultural representative R. E. White and responded to by Mr. Clarence Graham, piano solo Miss Elora Craib, violin selections McDonald Brothers.

The thanks of the girls' class to the instructress Mrs. Cook was fittingly expressed on behalf of the girls by Mrs. Hutchinson and Mr. Stewart Rutherford representing the boys class thanked the Agricultural staff. Miss Beatrice Mathewson expressed the appreciation of the girls for the financial assistance so generously extended by the Women's Institute.

The evening was brought to a close by dancing enjoyed by all to the music supplied by McDonald Brothers, with Stewart Rutherford and Mr. Kerstine doing the "calling off". It is worthy of note that three young men who participated in the class, Messrs Albt Rutherford, Frank Robson and Alex. McNeil were chosen to represent York County at the Ontario Swine Breeders' convention in Toronto this week.

Vellore Class Expresses Thanks To

The Vellore Euchre Club entertained the Upper Tens on Monday evening to a Progressive Euchre. Miss Matheson, Mrs. Bates, Mr. Blough and Mr. Emerton were first prize winners; second prizes went to Miss Craib, Miss Matheson, Mr. Craib and Mr. R. McDonald. A third prize was given to Miss Davidson and Mr. McKinnon while the consolations went to Mrs. Julian and Mr. Caseley. Lunch was served and all report a very enjoyable evening.

Those who Helped Make Course A Success

The members of the young ladies' and men's agricultural short course class held at Vellore last week desire to express their appreciation to the Vaughan Township council for the free use of the township hall, to the trustees of the Vellore School Section for the free use of the school basement and to the Women's Institute for financial assistance. This assistance was gratefully received and it is hoped to have the continued support of these bodies if it is possible to hold the course at Vellore again next year.

WANTON MADCAP

Captain Orlebar, this British speed demon, who recently flew in that wonderful new plane at the rate of 268 miles an hour, is said to be about the best croquet-player in England. We knew there was a wild streak in him somewhere. — Los Angeles Times

WHAT MOTHER MISSES

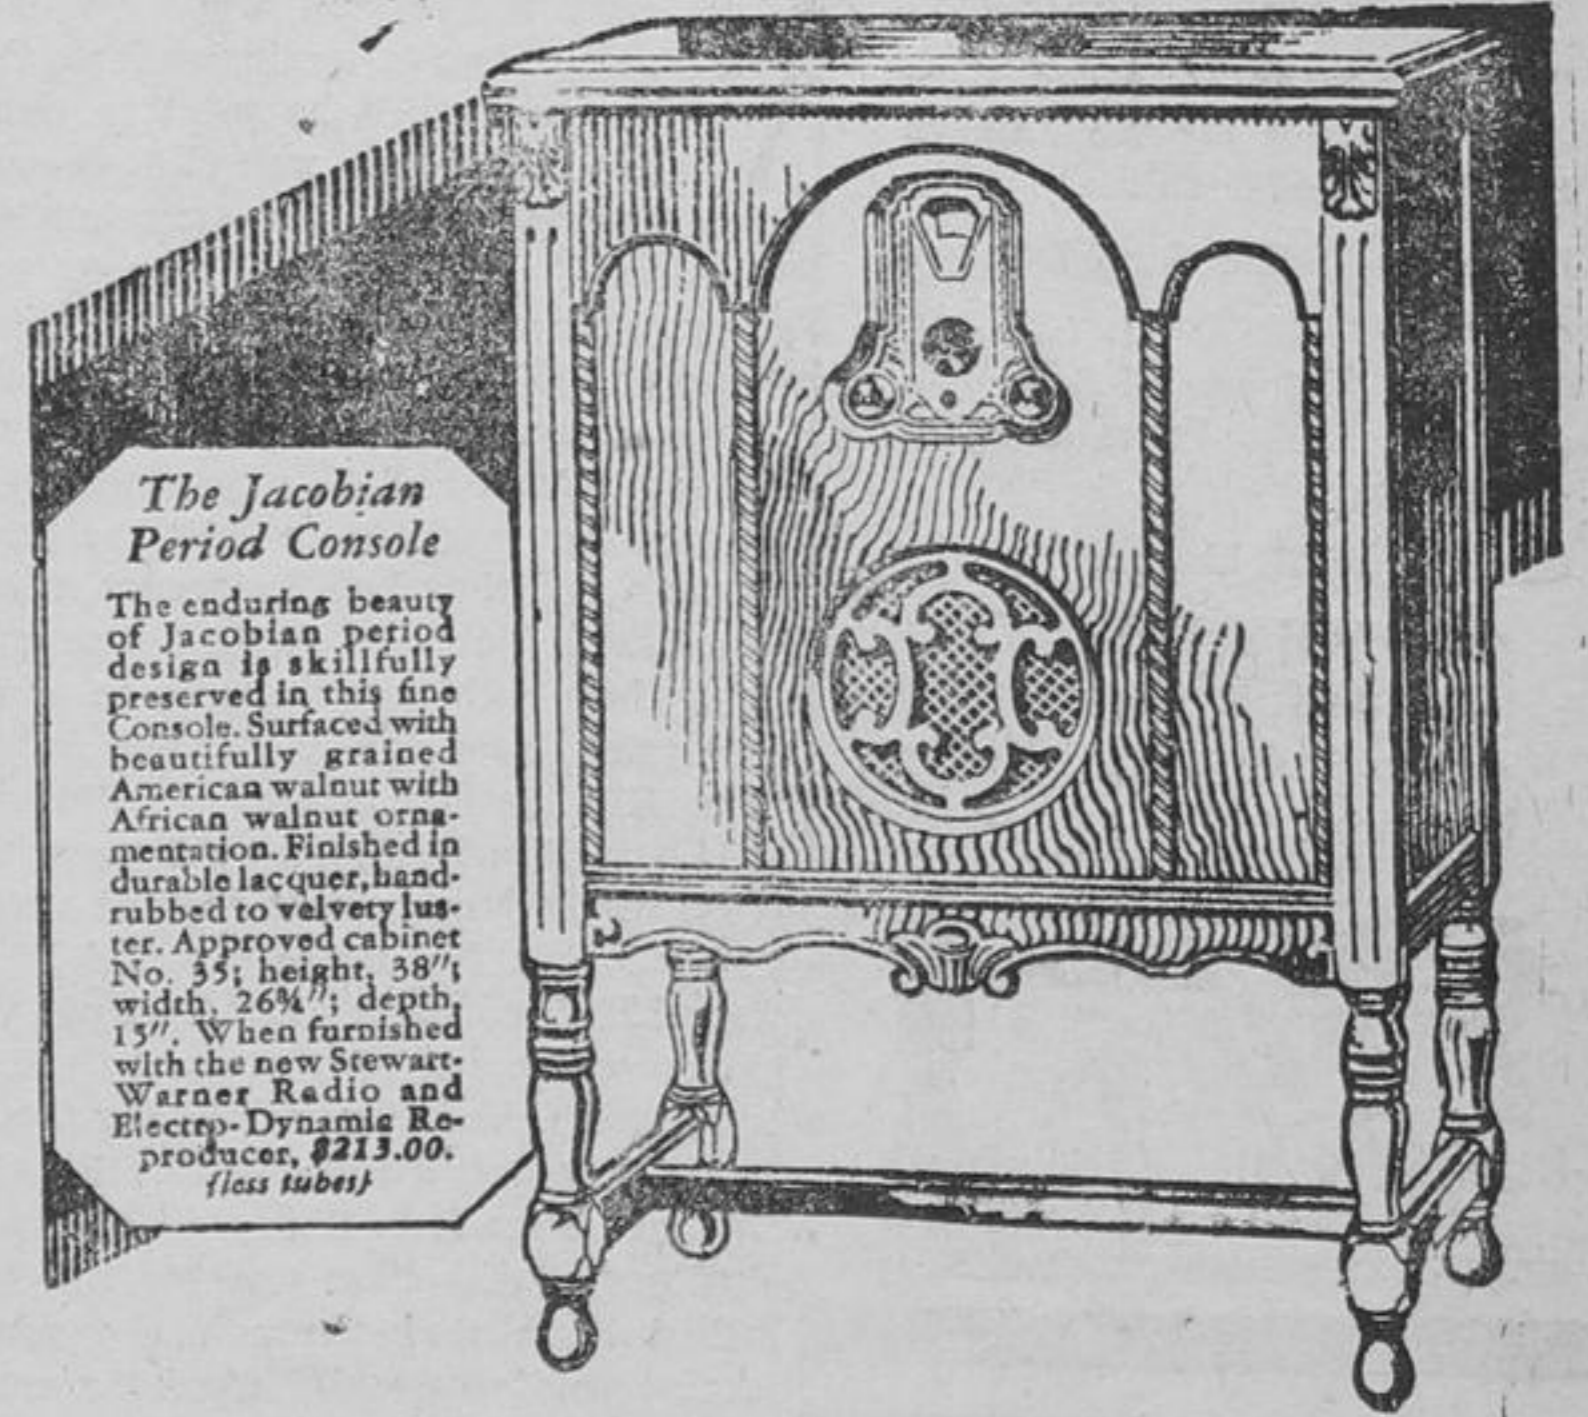

Passer-By. "What would your mother say, little boy, if she could hear you swear like that?"  
Boy—"She would be tickled to death if she could hear it."  
Passer-By. "How can you lie like that?"  
Boy—"That's no lie, She is stone deaf." — Chicago Tribune.

**The Joy of Accomplishment**

To save money may require that you make some sacrifice, but if a stated sum is placed in a Savings Bank account at regular intervals, your money, with the interest it earns soon grows and you experience the joy of accomplishment. There is a Savings Bank Department at every branch of this Bank.

**Communication—Air, Sea and Land**

Ever since the invention of Bell's telephone fifty years ago the study of electrical communication has unfolded one phase after another of a fascinating drama of science.

With plans already well under way for the laying of a telephone cable beneath the Atlantic we now learn that the Bell Telephone research department has just placed in service this huge Ford tri-motor all metal monoplane. In the outfitting of this plane destined to be the largest and most complete flying radio laboratory in the world, Bell Laboratories are following their established policy of making pioneer studies of all phases of electrical communication. The plane has been specially designed to adapt it to research work, and will be used for the development of radio apparatus for aircraft communication from the earliest experimental stages through to the final testing of the apparatus under actual flying conditions.
