## VICTORIA SQUARE NEWSY NOTES

### DAIRYMAN'S LIFE NOT ALL SUNSHINE

The troubles of some dairymen on our line do not come single handed. Of late two have been notified that their milk is not up to proper cream test. Following this the man to whom they were shipping deliberately took about forty dollars apiece from their cheques. This looks like genuine daylight robbery and we think shippers of whole milk to this dairy had better keep their eyes open.

### PLAYED TRICK ON CONSTABLE

Not only do dairymen have troubles with their test, but a constable who had occasion to visit Gormley on Saturday with his motor car, found on returning to it after some absence that the contents of his radiator was far below test with the result that Jack Frost had his car well in hand. Some busy body had apparently replaced his antifreeze with water while the constable was away on business. LOST FIFTY BUT FOUND FORTY NINE

Mr. William Klees rather unfortunately lost fifty dollars in bills from his pocket a few evenings past. The following morning as Mr. Gerald Lyon was travelling to the corner he spied a green back in the snow and on close examination he found it was a five "lucky" though he a few yards farther and luck was again his. History kept repeating itself and the farther he journeyed the wealthier he became. A limit was reached at forty nine dollars. Mr. Klees soon had his lost treasures in safe keeping. To scatter fifty dollars to the winds and regain all but one seems rather lucky. Lucky to have an honest man find it.

Some of our radio fans enjoyed the address of Mr. Denton Massey, in Massey Hall on Sunday p. m.

Rev. P. M. Peacock again occupied the United Church pulpit on Sunday and gave an earnest and inspiring address, basing his remarks on the words of his text, "Who passing through the

valley of Baca make it a well." Next Sunday the service will also be conducted by Mr. Peacock. He will also give the address in Sunday School.

A thoroughly pleasant evening's entertainment is the general report of the many who attended the play in the Public Hall here on Friday evening, presented by the Victoria Square dramatic club. The play from beginning to end was clean, wholesome, refined, some instances quite serious while in others very tragic. Every artist acted his part very creditably.

Messrs Thomson and Chadwick supplied several instrumental selections between the acts which were thoroughly enjoyed by all.

A pleasant event of the evening was the presentation of a handsome pen knife and chain to the director of the play, Mr. E. J. M. Hitchcock by the members of the club, as a slight token of their appreciation of his efforts in training and assisting them to develop their talents in this sphere.

Neighbouring communities who are looking for two or three hours good entertainment we think would consult their own interests in calling the director for terms.

Miss Jean Collard of Lefroy, spent the week-end with her sister, Mrs. Herman Mortson.

Messrs John and Glenn Smith, Rolph and Earl Empringham, James Dennie and Misses Pearl and Eva Dennie enjoyed the play in the hall on Friday evening.

The ladies of the United Church spent a busy day on Wednesday, quilting. In all eleven quilts were put in good shape.

Miss Grace Arnold spent a few days last week with Miss Marie Dennie.

Messrs Jarvis and Shaw, of Newmarket were Sunday evening visitors at the home of Mr. Chas. Dennie.

Mr. Bush, of Aurora, paid his weekly visit to our town on Tuesday.

We are sorry to report Mr. Stanley Smith in a Toronto hospital undergo-

ing surgical treatment to his knee which he injured last year. Mrs. Leslie Boynton is staying with Mrs. Smith during his absence.

Master Hughie Phillips is again in our midst. His injured leg is in a plaster paris cast.

The young people of the league planned to have a skating party on Wednesday evening, but owing to weather conditions they enjoyed a sleigh ride and then were entertained by the Misses Nichols at their home where they enjoyed an oyster supper.

Mr. Frank Brumwell nearly missed the sleigh-ride as his Chevrolet got mired in the snow banks on the fifth line. A strong team came to his rescue and soon he joined the happy company. Cecil says "Get a Pontiac Frank."

### Richvale

On Wednesday evening last, the Sr. boys met at the home of Mrs. Huestis, Spruce Ave., for the purpose of forming a boys club, the officers elected are and name of club, Cheerio Fellows; J. Tarpley, President; G. Huestis Vice-President; Clarence Hill, Treasurer; Jack Lambert, Secretary; Ken Rowe, editor of the paper called Richvale Gazette, now look out Mr. Editor you might have competition here.

On Friday, Mrs. Huestis gave a Valentine party to her Sunday School class of Junior girls, refreshments and games being the order of the day, she was assisted by Miss Lillian Macklem.

### CONCERT AT RICHVALE ON SATURDAY, MARCH 8th

Another of the successful series of concerts under the auspices of the East Vaughan Ratepayers Association will be held in the Richvale Church on Saturday, March 8th. The program will be supplied by Wilkie's Vaudeville troupe and Miss Bessie Lamarr of Tom White's Follies. These talented entertainers will entertain with snappy song hits and novelties. Miss Wiltshire and Miss Allen will also take part in this program.

## County Prepares For Court Action On The Radials

CITY STILL DETERMINED TO ABANDON — HON. G. S. HENRY STILL SILENT ON BUS PERMIT

Speaking in Toronto on Wednesday night, Controller Claude Pearce reaffirmed the stand taken by the City of Toronto that the Metropolitan Radials will be abandoned on March 15th. The County Council on the other hand remains firm in its stand that such will not take place and are going ahead with preparation to fight the proposal in the courts. A. G. Slaght, eminent counsel of Toronto has been appointed to act for the County in the place of Col. T. H. Lennox who cannot act on account of his association with the Toronto Transportation Commission.

It will be two weeks to-morrow since the York County transportation committee met the Board of Control and were given time to come back to the Board with some proposition. Why the City which owns the line and has been operating it had no proposition to offer is difficult to understand. It is understood however that the City wants the County to either take over the road or accept responsibility for deficits. Just how much the City would be willing to take for the line or what agreement regarding deficits the City would consider has never been stated.

The County Council has shown little interest in the deficit sharing proposition or in the purchasing of the line and will go to court to compel the operation of radials on the strength of existing agreements.

There has been no public statement from Hon. G. S. Henry, Minister of Highways and member of the legislature for East York and under whose department the responsibility for bus permits rests. During the last provincial election campaign Hon. Mr. Henry stated that he favored a radial service and would do all in his power to have the service continued. He stated moreover that the permit issued about a year ago for the operation of busses was issued in his absence and on the assumption that it was of no particular moment of the radial service. It is quite apparent now that that permit issued by the Department of Highways was of very great moment to the radials and unless something is done very quickly it will spell the doom of this service which means so much to the residents of York County. In view of the seriousness of the present transportation situation on Yonge Street it is hoped that Hon. G. S. Henry will give a practical demonstration of his concern for the residents of this district by cancelling the existing permit for the operation of busses and thus end the controversy which now threatens to rob the North Yonge Street of a radial service and substitute a bus service which the people do not want.

### WOMEN'S INSTITUTE

The regular monthly meeting of the Women's Institute held last Thursday at the home of Mrs. Taylor, was most interesting. The programme given by members of the Aurora Institute, took the form of a "Radio Broadcast" consisting of community singing, vocal and instrumental numbers; also two splendid papers—"Making yourself interesting" by Mrs. Grey and "Current events" by Mrs. Welsh. The programme closed with a humorous sketch, entitled "The business meeting." A social hour brought this delightful meeting to a close.

A card party is being arranged for Friday evening, March 21st in the High School Gymnasium. proceeds to be applied to the library fund.

### ORATORICAL CONTEST
