The supper and the concert in connection with the Diamond Jubilee of the United Church were quite successful. On account of the inclemency of the weather the attendance was not so large as it otherwise would have been, but as it was, over one hundred dollars was realized. It might interest the public to read the names of the superintendents of the church since it was built, and these are as follows; Rev. C. Fish Hunt, McCallum, A. Brown, Betts, M. Fawcett, P. Addison, Starr J. Pickering, J. E. Starr, J. Parkwell, J. Pearen, P. Campbell, Geo. Browne, A. Bedford, J. W. Stewart, S. W. Dean, W. N. Crantler, P. Jones, J. E. Wilson, H. S. Lovering, J. Morgan, T. Leggott, R. K. Lambert and A. S. Kerr.

On Sunday night the C. G. I. T. and their leaders took part in a Vesper Service of worship in the United Church. The sermon was preached by Rev. A. S. Kerr, and Mrs. H. Bryan was leader in the Vesper Service. This is a worthy society and the girls deserve credit for their work and should have the support of all.

The monthly meeting of the Women's Institute was held last Wednesday at the home of Miss Walkington. A large number were present and Miss McLennan, of Weston, District President, and Mrs. A. L. McNeil, of Vellere, district Secretary were visitors. The usual programme was given and refreshments were served.

The members of St. Stephen's branch of the W. A., Maple, have decided to hold their annual pancake social on Monday, March 3rd, in the Parish Hall, beginning at 5 p. m. This pancake tea has become quite popular and is looked forward to by many.

Mr. W. T. Cook had the misfortune to have his wrist broken while cranking his truck on Thursday last.

Nine competitions, including men's and women's handicap events, men's and women's team matches and mixed foursomes will feature the programme of the second annual Empress midwinter golf tournament to be played over the Colwood course at Victoria, February 17-22. The E. W. Beatty trophy is the chief award for the men's and women's handicap competitions.

Miss Connie Wilson, champion fancy skater of North America and Great Britain, will take a star part in the Ice Pageant of the Frontenac Winter Sports Club to be staged at Quebec February 12-13. She will be supported by the best talent of Quebec and a group of stars from Toronto, including the championship team of the Toronto Skating Club. Ottawa will be represented by the Minto Skating Club and 24 lady skaters from Toronto will perform in the "Danse Moderne" number.

The greatest fireworks display of the year, the "Fete de Nuit" exhibition at Quebec, recently, one of the features of the Winter Sports season which lasts until March, consisted of a sham attack by hundreds of snowshoers bearing torches, upon the garrison of the citadel. The heavy explosions of Roman candles, bombs and rockets began the attack, which culminated when the besiegers were driven back by the garrison, who sent volley after volley of blanks crashing into the night. When the bugles sounded the "Cease Fire", the show was generally voted one of the finest in years.

The outstanding contributions that the Canadian Pacific Railway has made to the life of the Dominion in an industrial and cultural way were emphasized by E. W. Beatty, chairman and president of the road, at a recent address before the Canadian Industrial Traffic League at Montreal recently. His company, he said, had in the past five years, spent over \$249,000,000 on capital account alone and during the same period had built over 1,000 miles of branch lines. 1929 with its decrease in earnings, he regarded as an exceptional year not likely to be repeated in subsequent years.

A considerable increase in grain shipments from Saint John has already been established since the new year, over the entire month of December, 1929, General Superintendent J. Woodman, of the Canadian Pacific Railway, states. Bushels of grain for December export from Saint John totaled 508,357; from January 1 to January 17, total was 651,438.

The second annual Sea Music Festival of the Pacific Coast passed into history January 19, when once again capacity houses greeted the final offerings. Outstanding among the features were the two ballad operas, "The Order of Good Cheer", incorporating French-Canadian sea chanteys of the 16th century, and "Bound for the Rio Grande", a rollicking sea-song playlet by Captain Frederick Wallace. Each of these was repeated by request on three successive days.

The 16th annual winter carnival with the first official Western Canada Ski tournament will be held at Revelstoke, February 4-5. World records have been made on the ski hill at Revelstoke, and leading ski jumpers of the continent will attend the carnival.
