## GENERAL NEWS AND VIEWS

In order to prevent any more jail deliveries, Toronto authorities should adopt Richmond Hill's policy of leaving the door open.

Newmarket council is taking steps to have houses in that town numbered.

Richmond Hill council talked of similar action some time ago, but nothing has been heard of it for some time.

Drop in anywhere in the North Yonge Street district and you will find the topic of conversation is transportation.

"When will we have the cars again?" is the popular question.

Spring is here and it might be a good time for the council to take up again the question of cleaning the Memorial and having the lettering of the names painted.

So many towns in Ontario are taking action to curb the running at large of dogs during the summer months that local residents are wondering what Richmond Hill council will do in the matter.

We regret that due to a delay in the mails our Gormley subscribers were late in receiving their papers last week. The Liberal was issued and mailed at the regular time last Thursday, but through some error they were mislaid in the mail.

Subscribers who do not receive The Liberal on scheduled time any week will do us a favor by calling us at once. Prompt reports of non delivery will enable us to more quickly trace the trouble and in this we ask the co-operation of our readers.

London city council has decided not to extend charity to those who have liquor permits. The bread line and booze line should never run parallel.

The Oshawa Daily Times says the water in Lake Ontario is at a higher level just now than for many years. The same is true of Lake Simcoe.

Legislation to prevent overcrowding in the front seat of an automobile is contained in an amendment to the Highway Traffic Act introduced in the Provincial Legislature by Hon. Geo. S. Henry. A penalty is provided if a person drives a motor vehicle with persons or property in the front seat so placed as to interfere with the proper management of control of the vehicle. A charge of negligent driving may be laid against the driver.

Meaford's tax rate is 52 mills.

J. A. Webb has been appointed as night constable and traffic officer for Bradford.

Midland has passed a by-law prohibiting loitering on the streets and dogs running at large.

Up to the present time the old age pension board of Simcoe County has considered 64 applications. Thirty pensioners have died since their names were placed on the roll and in one instance an Orillia man, whose pension was granted last Wednesday, died on Thursday and the board was notified to cancel his name. His wife is also in receipt of a pension.

The oldest hen in the world is claimed by Ole Stevenson, who owns a ranch six miles north of Newman, Calif. Her age is nineteen years and she is still an excellent layer. During 1929 the hen, a Rhode Island Red, laid eggs for seven months without missing a day.

There are still a few left hereabouts who are a little superstitious and who persist that 13 is an unlucky number, who believe that the weather is ruled by the moon, who believe that if March comes in like a lamb it will go out like a lion, who believes that an early Easter is an early spring, who believe that when the sun crosses the line that the direction the wind blows from will be the prevailing wind for the next six months, who believe that a hoar frost will be followed by a thaw, who believe that a sun dog observed north of the sun will bring colder weather and south, warmer, when it is a well-known fact that all these signs have failed miserably and that the weather man in Toronto has proved by records that there is nothing to any of them regarding weather conditions. Yet there are a few who be-

lieve these signs and I presume always will be.

### Maple

Mr. and Mrs. Robt. Sawdon were "At Home" to their Maple friends on Monday afternoon and to relatives and friends from a distance in the evening, the occasion being the celebration of their Golden Wedding Anniversary. Fifty years ago this worthy couple were united in matrimony by Rev. Mr. McCallum at Richmond Hill and spent the early part of their married life at Edgeley and a few years ago moved to Maple. The groomsmen and bridesmaid, Mr. and Mrs. Levi Troyer, of Stayner, were present and Mr. Troyer who is a brother of the Bride lighted the fifty candles on the Bride's cake, and Mr. George Sawdon the Groom's brother extinguished them at the close of the reception. Two children, Mrs. Campbell, of Weston and Mr. Herb Sawdon, of Schomberg, and six grandchildren were present, the latter presenting the grandparents with a basket of fifty daffodils. Another son, Dr. Thos. Sawdon of Three Hills, Alta was unable to be present but late in the evening spoke to his mother over the telephone. The rooms were beautifully decorated with tulips, daffodils and ferns and Miss Mabel Shunk received the guests, Mrs. Watt, of Weston, poured tea and was assisted by Mrs. Campbell and Mrs. H. Sawdon. Mr. and Mrs. Sawdon received many beautiful gifts as well as the congratulations of all their friends.

The funeral of the late Samuel Stong of Edgeley, brother of Mrs. R. Thomas took place here last Saturday afternoon.

A large number of used cars were offered for sale by auction on Saturday, but not many were sold.

Mr. W. Woods has sold his house and lot on Keele Street, to his son, Mr. Neil Woods.

A great treat is promised for Wednesday evening, April 2nd, when the Thistleton Choral Society of sixty voices, under the direction of Mr. H. M. Fletcher will give a grand concert in the Community Hall. Some years ago Mr. Fletcher conducted classes here and a number of excellent concerts were given. There are a few of these members of those classes left who will be glad to welcome him.

There was a good time at the Box Social last Wednesday night. The weekly euchre will be held again next Tuesday evening.

### BIRTH

ORR—On Monday, March 24th, to Mr. and Mrs. Wm. Orr, of the Sixth Concession, a daughter.

### Newtonbrook

Some of the Newtonbrook young men are bringing high honor to their community. Mr. Stanley Moore, declared some time ago the champion orator of Richmond Hill High School, received his prize for the same at the Commencement Exercises, held in the school last Saturday night. Mr. Edward Bellsmith has had one of his water color paintings accepted by the Ontario Society of Artists and it is now in the Toronto Art Gallery.

Mr. W.M. (Mossy) Jack, now of London, paid a flying visit to his friends over the week-end.

Miss Alma Smith entertained the choir of the United Church in her generous, hospitable manner at her home, last Friday evening. She was assisted by Mrs. Bertram Smith.

There was a very large attendance at the auction sale at Mr. Harry Smith's farm last Tuesday. The dispersion of his fine thorough-bred stock brought many outside buyers. Excellent prices were obtained by the salesman, Mr. Prentice. The fine team of Clydes, which holds many prize ribbons, was purchased by Mr. David Howard, of Vaughan. Mr. and Mrs. Smith will remove in a few days to their new home at Finch's Corners. The farm has been rented to Mr. Tutt, of Thornhill, who, with his bride, will take possession next month.

A meeting was held in the Newtonbrook United Church on Tuesday evening with regard to the Yonge Street Community outing to Lakeside Park, Dalhousie. There was a large turnout of representatives of many organizations. The date chosen is Wednesday, July 30th, and a strong representative committee has been appointed to perfect arrangements.
