THE BISHOP MURDER CASE

United Church Will Celebrate Jubilee

Special jubilee services to mark the fiftieth anniversary of the building of the present church building will be at the Richmond Hill United Church, Sunday, May 18th, Sunday, May 25th and Sunday, June 1st. The corner stone of the present building was laid on May 24th, 1880.

The following program has been arranged for the various dates:

Sunday, May 18th
11.00 a. m.—Rev. J. C. Speer, D. D., Dundas United Church.

2.45 p. m.—Rev. Harold Toye, West-ont United Church will address the Sunday School.

7.00 p. m.—Rev. J. C. Speer, D. D. Special music by the choir at morning and evening services.

Saturday, May 24th
The Women's Association will serve dinner and tea at the Church on Victoria Day, for friends who are attending the Richmond Hill Agricultural Fair.

Sunday, May 25th
11.00 a. m.—Rev. H. J. Pritchard, President of the Toronto Conference.

2.45 p. m.—Rev. A. P. Brace, D. D., will be the speaker at Sunday School Rally and Reunion.

7.00 p. m.—Miss M. Addison, Annesley Hall.

Special music by the choir at morning service. At evening service the choir will render cantata "Festival Song" assisted by special artists.

Thursday, May 29th
An old fashioned tea meeting to be followed by special programme.

Sunday, June 1st
11.00 a. m.—Rev. J. C. Cochrane, Superintendent of Missions, North Bay.

7.00 p. m.—Rev. J. C. Cochrane, Superintendent of Missions, North Bay.

Special music by the choir at morning service. At evening service there will be a massed choir of 200

voices, including choirs from surrounding towns and villages, assisted by musicians from Toronto.

FREE BRAKE TESTS IN MARKHAM TWP.

Markham township council at the regular session on Monday afternoon decided to purchase a brake testing machine for the convenience of motorists in the municipality and for the inconvenience of outside motorists from outside the municipality who travel the roads and neglect to have their brakes in good working order. It was pointed out that it is a great inconvenience to be held up in the city of Toronto for a brake test. Often this test takes several hours and is a great inconvenience. It is understood that Deputy-Reeve R. L. Stiver had a personal experience in this regard and was speaking with the knowledge thus gained when he moved for the purchase of the equipment. The outfit costs about fifty dollars and will be in charge of constable Walker. Any ratepayers of the township are entitled to a brake test free of charge but there will be a small fee for outsiders who wish to make use of it. The fee will be fifty cents.

Councillors Coakwell and Clark introduced a motion that an agreement be entered into by the township with the school sections that the municipality retain all school moneys in township treasury until actually needed by the school section. There was considerable discussion of the motion but any action was left over until a future date.

Councillor Coakwell explained that the school sections in many cases had substantial surpluses and whereas this school money is paid out of the township treasury and then deposited in the school section account to draw interest at three per cent. while the township has to go ahead and borrow at six per cent.

Councillor Clark pointed out that in other municipalities substantial savings in interest charges had been

brought about by the adoption on some plan as suggested by the motion.

A deputation asked that the stage in the township hall be improved and a suitable curtain purchased. It was pointed out that the usefulness of the hall would be greatly increased by such additions.

Reeve Gohn and Councillor Clark were appointed as a committee to investigate and bring the council prices on the improvements. It is possible the stage will be enlarged and the curtain purchased this year and if the expense is not too great there may be alterations to entrance and provisions made for rear exit.

On motion of Deputy-Reeve Padgett and councillor Coakwell a grant of thirty-five dollars was made to the Richmond Hill fair.

The contract was let to the A. E. Jupp Construction Co. for repairs to culvert and road on John Street in Thornhill at the approach to Yonge Street. Other streets in Thornhill have been scarified and much valuable work has been done.

RADIAL MEETING

A public meeting will be held in the Town Hall, Newmarket on Tuesday, May 13th, to discuss the continuation of the Radial Service to Newmarket and Sutton. All interested are urged to attend this meeting and help along this important matter.

RADIAL MEN RE-EMPLOYED

Of the 114 employees of the Metropolitan radial line, recently abandoned, 64 have since been provided with employment by the T. T. C., a letter to the board of control stated to-day. About 30 are still out of work.

NORTH YORK BOWLERS MET

A meeting of the North York Bowling League was held in Richmond Hill on Tuesday evening. There were representatives present from all the clubs and plans were made for the coming season. It was decided to play in one group this year instead of two as tried out last year. James Malcolm of Markham, was elected president.

People Vote For A Car Service On North Yonge St.

WANT SERVICE TO
START SOON

Electors of Richmond Hill, Markham, Vaughan and North York went to the polls on Saturday last and gave an overwhelming majority for the transportation by-law which authorizes the purchase of the radial line as far as Richmond Hill. The total vote in the four municipalities was 1335 for the by-law and 110 against. There were only six votes against the proposal in Richmond Hill, eight, in Markham, ten in Vaughan, and eighty six in North York. It was a decisive answer in favor of a car service on Yonge Street and against a bus service.

The result in the various sub-divisions was:

	For	Against
Richmond Hill		
No. 1	108	4
No. 2	42	1
No. 3	98	1
Markham Township		
No. 1 Thornhill	132	7
No. 2 Mason's House	39	1
Vaughan Township		
Thornhill	36	6
Elgin Mills	19	1
Richvale	123	3
North York Twp.	738	86
Total	1335	110

The Liberal Office telephone was kept busy Saturday evening answering enquiries from all over the district and the results were received with great satisfaction and relief. Although it was generally conceded that the by-law would carry such a unanimous vote was hardly expected even by the most ardent supporters of the project.

The question in the North Yonge Street district to day is "When will the cars run?" During the campaign for the vote it was stated on different platforms that if a favorable result was obtained the Warden would call a special meeting of the County Council. So far that meeting has not been called but a meeting of the Reeves of the four municipalities concerned in the purchase will be held here to-morrow. Local municipal men interviewed this week were unanimous in declaring that all possible should be done to speed up negotiations and have the cars running on Yonge Street as soon as possible.

The heavy traffic season will soon be here and it is of utmost importance that negotiations should not be held up to any appreciable extent. Public opinion will not tolerate any unnecessary delay in carrying out the expressed will of the people. Technicalities and red tape should not be allowed to hold up the by-law. The people have voted for the cars and it is now the responsibility of the municipal councils to carry out the wish of the people which is that the street cars run as soon as possible.

The ballots had hardly been counted here than there were rumblings from the northern municipalities that they would like the cars to run to Newmarket and perhaps to Sutton. There is talk of a meeting of the municipal representatives. It is quite apparent that any such deal the northern municipalities may make will be apart altogether for the one endorsed by the electorate here and it will in no way interfere with the proposed purchase and the operation of a car service to Richmond Hill.

Deputy-Reeve George Elliott, of North York township has stated that he was definitely opposed to the inclusion of municipalities north of Richmond Hill in the radial deal for resumed operation.

"I feel," he said, "that the council and the people of North York have done more than their share to secure a radial service and the county has no right to antagonize the city of Toronto and the T. T. C. in the matter. "As far as negotiating with New-

market is concerned, I am opposed to it. Reeve Lundy and the mayor of Newmarket have not helped in the situation but now that they are responsible they are trying to get out from under it. If the county loses its suit, the people are going to hold the county responsible. It is unfortunate that the two commissioners are from the north of the county."

Mr. Elliott stated that he is in favor of early action to get the radial cars in action on the line from York Mills to Richmond Hill.

Vaughan Township Buys Large Grader

Vaughan township council at the regular monthly meeting held at Vellere on Monday afternoon considered mainly the subject of equipment for road construction and maintenance. It is generally conceded that in any line of endeavour the best results and most economic results can only be obtained by the use of the best equipment possible. This is especially true of road building and if the municipalities are to get the most value for the taxpayers' money they must equip themselves with the best in machinery. Vaughan made a notable step forward in the line of equipment on Monday, when a large 12 foot Adams grader with side sloper attachment was purchased at a price of \$25-50. This is a modern machine which has proven very valuable in other municipalities and is well adapted for heavy work. It should prove a very valuable addition to Vaughan Township equipment.

LANGSTAFF

Mr. and Mrs. Frank Harding and baby Bruce, and Mr. and Mrs. Harry Baxter, of Toronto, motored to Mr. and Mrs. R. Salmon's and had tea there Sunday afternoon.

BAKING SALE
The Y. W. A. of the United Church are having a sale of home cooking, etc. on Saturday, May 17th at 3.30 p. m. Watch for further notice next week.

Richvale

At the Richvale Church on Sunday, May 11th at 3 p. m. (daylight saving time). Mother's Day will be observed by a combined service of Sunday School and Church. Everybody invited.

"It's worth
the money!"

THE satisfaction and peace of mind you get from the possession of a Hartford Automobile Insurance policy is well worth the money you pay for it.

Come to this agency and you come to men who are specialists in automobile insurance. We will see that you are well and soundly protected.
