Plan Flower Show For Early June

HORTICULTURAL SOCIETY'S WORK AT PARK IS APPRECIATED

The first window display of the Horticultural Society was shown on Wednesday afternoon and evening, May 21st, when the large window of Messrs D. Hill & Co. showroom was used for a display of tulips, grown by members. In the evening the regular business meeting of the Society was held in Mr. Hill's showroom and was followed by an interesting address on "Tulips" by Mr. Preyde who had also acted as judge for the tulip show. Mr. Preyde has had much experience in tulip growing in Holland and is an authority on the subject. Much helpful information was gained from his address and also from his replies to questions asked by those present.

The Society will hold its annual Spring Show in the school room of the United Church in June and plan to have window displays of different flowers as they are in season. The kindness of merchants in making it possible for such window displays is appreciated by the Society.

Although the membership at present is the largest in the history of the Society it is hoped that many who have not already joined, will do so.

The Society wishes to express its appreciation of the splendid donations of Mr. H. J. Mills in giving sufficient roses to replenish the bed in the park, about seventy-five bushes having been planted this spring.

Many expressions of appreciation of the work done by the Society in beautifying the corner of the park, given over to it were heard at the fair on Saturday. The new perennial bed and rockery set out by Mr. Graham and the President give promise of added beauty to what had already been done. These grounds show what can be accomplished through the co-operation of the council and the society and it is hoped that as time goes on, further improvement will be undertaken.

BAD CAR SMASH ON SOUTH YONGE STREET

A bad car smash occurred on Yonge Street near Langstaff, Wednesday afternoon. A carload of College boys from McGill University enroute to Toronto after a visit to St. Andrew's College crashed in to the rear of the car driven by Mr. Munroe, manager of the Bank of Commerce, Thornhill, whose car in turn was driven into the rear of the Scanlan Bakery truck from Aurora. A second car of rah rah boys following some several hundred feet behind was unable to stop and crashed into the three cars already spread over the highway. The two drivers of the college boys' cars appeared in Richmond Hill police court in the afternoon and were fined \$25. and costs each. Mr. Munroe's car was badly damaged but fortunately none of the occupants were seriously hurt.

Presentation to Egerton Young By Newtonbrook Young People

On Monday evening, the members of the Newtonbrook Young People's Society, numbering about thirty-five, sat down to an elaborate banquet which was served in the home of Mrs. Sutterby. It was hoped to have had the event on the lawns but the evening was too cold. After the delightful dinner was enjoyed, Mr. William Smith, the Vice-President of the Citizenship Department, under whose Committee the meeting was held, took charge of the programme. After explaining the reason for the peculiar nature of the meeting, combining the facts that it is the last meeting of the spring term and also the last that will be attended by the retiring President, Mr. Egerton Young, called Mr. Young to his feet and read the following address:

"Dear Egerton:"
Our meeting to-night is not altogether a pleasant one, for we find it almost impossible to say good-bye to a President who has taken such a whole-hearted interest in our Society.

Your loyalty to the cause of the young people and your cheerful Christian spirit have been an inspiration to each one of us and we feel it will be a difficult task to find a President so capable of filling the vacant office.

Please accept this gift as a small token of our appreciation with our good wishes for your happiness and success in the future.

Signed on behalf of the Young People's Society; Evelyn Bellsmith, 1st Vice-President; Doris R. Soden, Secretary.

On behalf of the Society, Miss Janet Kiddell presented Mr. Young with a beautiful leather bound toilet set, completely equipped. Mr. Young was taken by surprise and he found it hard to thank the people who had been so kind to him. If they had found satisfaction in his service he had found great pleasure in working for them and with them. He came to the

conclusion that the harder people worked, the more joy they got out of service. He exhorted the young people to throw themselves heartily into young people's work. There were other young people in the neighborhood who should be won. He again thanked them for their kindness to him and wished them every success in the future.

A pleasant evening was spent with music, contests and songs. Before the meeting ended the young people decided to hold a summer picnic at Eldorado Park on Saturday, June 28th. The details and programme were left in the hands of the executive. On the motion of Miss Eve Lockyer, a very hearty vote of thanks was extended to Mrs. Sutterby, Miss Sutterby and the other members of the family for opening their home to the young people and doing so much for their happiness.

TRUCK STOLEN FOUND IN MIDLAND

The one and a half ton International truck belonging to I. D. Ramer & Son, was stolen sometime during the night of May 26th. The garage which was locked was broken into during the night and the truck taken. Constable Barraclough was notified in the morning and he immediately sent word in all directions. The truck was found abandoned in Midland Wednesday morning and another car from that town was reported stolen the same night. The theft is attributed to hoboes who are in the habit of catching freights here but as there was no train Monday night it is thought likely the Knights of the Road decided to travel by truck. It is also possible that the offenders so much preferred travelling on rubber to riding the bumpers that they commissioned another car at Midland. The truck was only very slightly damaged when recovered.
