If You Want To Increase Business ADVERTISE

The man who doesn't use newspaper space sees his trade shrink while the man who advertises liberally is the man who is successful.

Some business concerns have a shrinking business and wonder why. They are the ones who do not realize the importance of ADVERTISING.

ADVERTISING IN THE LIBERAL is a class of news demanded by the public, because it tells them where to find what they want.

ADVERTISING IN THE LIBERAL is educational because it brings new necessities and luxuries before the public in a way that proves to them that they need the articles or service offered.

Non-Advertisers, as well as occasional advertisers who continue their advertising to bills only, should stop and think about using the advertising columns of THE LIBERAL. It should receive their most serious attention. Lack of REAL ADVERTISING causes a slump in business.

NEWSPAPER ADVERTISING makes better business. LIBERAL ADVERTISING IS THE GOLD MINE OF BETTER BUSINESS IN RICHMOND HILL AND THE NORTH YONGE STREET DISTRICT. EVERY BUSINESS ORGANIZATION SHOULD DIG FROM IT THEIR SHARE OF BETTER BUSINESS.

It Pays to Advertise in The Liberal because it produces results.
