## NOT PLAYING THE GAME SAYS REEVE ELLIOT OF RADIAL DELAY

### Further Hold-Up For Local Municipalities While County Hesitates To Make Decision—Appeal Not Withdrawn Despite Arguments Against Further Expense and Waste of Time.

That the County in retarding the efforts of the municipalities of North York, Markham, Vaughan and Richmond Hill to operate a car service was "not playing the game" was the statement of Deputy Reeve G. B. Elliott, of North York township in County Council session on Wednesday. The matter of withdrawing the appeal and allowing the municipalities of this district to proceed with the operation of the line has not definitely been determined but it has not yet been withdrawn. It was confidently expected that following unfavorable rulings from two judges that the County Council would decide to not spend further money in litigation and would clear the way of any obstacles blocking the way of the southern municipalities which have voted on the question. The city has given a price of \$150,000 for the line from Richmond Hill to Newmarket and a committee of Reeves was appointed to meet the T.T.C. and arrive at a fair division of the capital and operating cost as between King, Whitechurch, Aurora and Newmarket. The annual operating deficit on that portion of line was estimated at between \$40,000 and \$60,000.

Mr. Elliott maintained that when the southern municipalities voted to purchase their section of the railway, the northern sections could have taken similar action, but were unwilling, under any circumstances, to pay any of the cost. He advised stopping all litigation and letting the four municipalities buy the southern section. The clause that the county waive the right to take over the railway or any portion met opposition from some northern members. J. O. Little, Newmarket, thought that, when northern centres voted this fall regarding taking over the radial, there was strong possibilities the proposal would carry. He declared a bus service would cause heavy damage to the highways. Reeve F. A. Lundy, Newmarket, and Reeve Archie Murray, Aurora, put forth an amendment that the county take over the line, and appoint a committee at the present session to look after its operation. An amendment to this amendment, that the county carry on present litigation, was likewise not put to the vote.

This move which means only MORE DELAY for this district was opposed by Reeves of municipalities concerned in the purchase of the section of line as far as Richmond Hill. The history of the negotiations was outlined by Deputy-Reeve George Elliott of North York township. Although the line was considered a paying proposition through the township with 2,200 fares daily, the township asked the townships to the north and Richmond Hill to join with them to retrieve the line and offered to bear 75 per cent. of the deficits, when it was of no advantage to them to do so. The object, he said, was to get the line in operation at once.

Discussion on the wisdom of continuing litigation centred around the cost of pressing the appeal, and the chances of ultimately winning. Reeve Lundy explained the notice of appeal had been formally filed, but there would be no difficulty if council wished to drop the appeal. "Gideon Grant has put in a bill, and as far as \$5,000 is concerned, that isn't going to be a patch of it," commenced Reeve Murphy, Mimico. "Two judges so far have decided against us. Why go on?"

It was suggested Mr. Grant be consulted regarding the probable outcome of further legal action. Members were puzzled as to what to do when it was announced he was not available, having left Toronto for Vancouver. Reeve Holborn, of Sutton, was soundly opposed to any further litigation. "I don't feel the municipalities of Newmarket can carry the burden," he said. "Would you be willing to drop the matter enquired Reeve Lundy, of Newmarket. "Absolutely," replied Mr. Holborn. The committee of Reeves to meet the T.T.C. relative to securing information re operation of the line north of Richmond Hill to Newmarket was appointed.

Unless other action is taken by the County Council before the end of the session the prospect of having the cars run on Yonge Street before Dominion Day as was hoped is very remote. The continual blocking of the operation of this end of the line, the delay, the continued litigation in the face of unfavorable decisions from two judges all work to the detriment of the North Yonge Street District which on May 2nd voted almost unanimously in favor of taking over and operating the line. It is hoped that before the end of the council session wiser counsel may prevail and the way will yet be cleared for logical solution of the radial problem, and that those in places of trust will be big enough to deal with the proposition as a business proposition.

### Bowling Notes

Two local rinks attended the mixed tournament at Aurora on Wednesday and returned with the first and second prize. Skip James McLean won first prize and skip G. Moodie, second. The winning rink received cutlery sets and the second prize was dishes for the men and luncheon sets for the ladies. The rinks were, Miss M. McLean, E. T. Stephens, Mrs. E. T. Stephens, Jas. McLean, skip; Miss Moodie, C. Kerswell, Mrs. Kerswell, G. Moodie, skip. K. Agnew, Wes. Wellman, Geo. Gee and A. E. Glass participated in the Newmarket tournament on Wednesday

## Presentation To Popular Banker

J. G. (Duke) Wetheral who for the past six years has been a member of the staff of the local branch of the Canadian Bank of Commerce and will shortly leave for Owen Sound was honored by a group of friends who gathered at the home of Mr. F. Hoover, Roseview Avenue, last Thursday. Following a pleasant social evening Mr. W. H. Legge acted as master of ceremonies for a program of speeches and song. Mr. J. H. Naughton read an address expressing regret at Mr. Wetheral's removal from the district but congratulating him on the well earned and well merited promotion. The address was followed by the presentation of a handsome writing set. Sincere tribute was paid by all the speakers to the fine qualities of the guest of honor who during his stay in Richmond Hill has enjoyed the respect of the entire community, and is very popular with all with whom he came in contact either in business or social life. Mr. Wetheral fittingly replied and the gathering adjourned with the singing of "Auld Lang Syne." Mr. Wetheral leaves shortly to take up his new duties as accountant at the Owen Sound Branch and he carries with him the sincere best wishes of a wide circle of friends in Richmond Hill and surrounding district.

### RICHMOND HILL HIGH SCHOOL COMMERCIAL GRADUATES

The commercial course organized at Richmond Hill High School in September 1928, to occupy two school years has produced its first crop of graduates. The following pupils have completed the course successfully and are now looking for opportunities in the world of business:—Ruby Avison, Wilber Burford, Blanche Dewsbury, Eveline Ellacott, Isabel Farr, Kenneth Frisby, Noreen Haworth, Bernice Healey, Jessie Wheeler, Alma Pratt. Handsome diplomas showing the various subjects, both academic and commercial, included in each pupil's course, and signed by the officials of the school and Board of Education are being issued to the graduates. We wish them every success in future endeavours.

### COMING EVENTS
