Build Canada through Empire Trade

The 114th annual picnic of St. John's Church, York Mills, will be held on the grounds adjoining the church on Saturday, June 21 commencing at 3 p.m.

Under the auspices of the Canadian Legion, B.E. S.L., a mass meeting of veterans will be held in Newmarket to-night, June 19th. Col. L. R. LaFleshe, Dominion president; Col. C. H. Ackerman, provincial president, and J. A. MacIsaac, Dominion hon.-treasurer, will address the gathering on the recent pension legislation enacted by the King Government. The meeting is open to all returned men and their wives, also all war widows.

Large congregations were present at both morning and evening services at Knox Vaughan Presbyterian Church anniversary services on Sunday last. Rev. Dr. MacNarmara, of Toronto preached two sermons for the occasion, and the choir, assisted by talent from Toronto, rendered special music.

Road building problems are very much to the fore in our neighbouring village of Stouffville. Some time ago when the need of repair to the road was appreciated by all, a public meeting of the ratepayers was held. About sixty attended and almost unanimously asked the council to proceed with the work. The council on the strength of this support went ahead and secured an agreement from the County to expend \$109,000., of which the village of Stouffville is to contribute \$59,000., the payment of which will be spread over a 20 year period. Now a largely signed petition asks the council to take no action. In fact there are petitions and counter petitions and the council in the midst of it all threatens to resign if the work is blocked.

H. Roach, of Goodwood, guarding against Jack Frost covered a number of tomato plants with lard tins, but being short of tins he covered a few remaining ones with wooden boxes. Jack Frost came and all covered by tin cans were frozen and all protected by the wooden boxes came through unharmed.

Struck by a passing auto on Sunday afternoon while standing beside his own car on Yonge Street waiting for a tire to be repaired, Mathew Fannom 41 Seaton Street, Toronto, sustained bad head injuries with a possible fracture of the skull. Dr. R. L. Langstaff attended the injured man and had him removed in Wright and Taylor's ambulance to the Toronto General Hospital. His condition is reported as favorable.

North Yonge Street witnessed a record motor traffic over the past week-end.

Hundreds attended the annual Decoration Day service at the Newmarket cemetery on Sunday last. This custom has been observed in the town for the last fifty years. A parade headed by the town band formed up at the Market Square, the war veterans, Newmarket L.O.L. and the Boy Scouts all took part. They paraded to the South African War Memorial in the Waterworks park and deposited a wreath. Continuing on to the cemetery the service with the pastors of the various churches in the town assisting took place.

Three county constables swooped down on Tom Foster's farm in the notorious Holland Landing district last Friday. Police Constables S. A. Barraclough, of Richmond Hill, Sergt. Brimmacombe and Constable Thompson were the officers who took part in the raid.

Three men, Peter Hodge, Alex. Foster and Emmerson Sedore, were arrested and lodged at the Jail Farm. Besides seizing the still, the officers claim they found a quantity of newly made whiskey and enough mash to yield another 30 gallons.

The men are being held without bail and, according to the police, admitted the ownership of the still.

It is claimed that with the seizure of this still the moonshine situation in the Holland Landing district has been cleared up. The late Sergt. Tom Kirk was particularly active in attempting to clean up the stills in the district, and a few days before his death he declared one more raid would clear up the district.

The fine rain on Monday was inestimable value to farm and garden crops in the district.

Traffic on Yonge Street over the week-end was the heaviest of the season. Excellent weather for motoring lured many to the roads. Summer campers, tourists and other motorists crowded the highway to make travelling conditions Sunday evening very difficult.

A carload of registered Shorthorn cattle was shipped from Bolton station last week by W. W. Baldwin, of Sault Ste. Marie, who purchased the animals in this district.

The annual decoration day services at the Aurora Cemetery will be held on Sunday, June 22nd.

When in the act of lifting a pail of water over the fence to a mare in pasture with her foal, Laura Foote, 15 year-old daughter of Mr. and Mrs. Horatio Foote, 10thcession, Markham, received a nasty bite on the left cheek from the irritable animal. Fifteen stitches were required to close the gaping wound of the horses teeth, and the injury is a very painful one.

When their car struck a telephone pole at Richard T. McGregor morning, Richard T. McGregor and his daughter, Norma, of Detroit, Mich., suffered severe injuries.

The bulletin points out that the town council controls only about one-fifth of the total municipal expenditures of Collingwood and remarks, "councils are not always the sinners they are supposed to be."

The old grey mare may have served her purpose in southern Ontario, and given up with the advent of the motor car, but she's still very useful in New Ontario. In fact she has found a new duty. A story comes down from the Cline Mine at Goudreau where a calf moose, whose mother had been killed by wolves, is being mothered by an old mare which is at the mine in charge of the caretaker.

Newtonbrook

Miss Doris Goulding spent a few days at her home last week.

We are sorry to learn of the death of Mr. Colman, of Connaught Ave., who died in the General Hospital, Toronto, on Monday. The funeral took place on Wednesday afternoon from Humphrey's funeral parlors.

The picnic on the school grounds last Friday afternoon arranged by the Home and School Association, was a great success. The day was ideal and there was a large turn out of mothers and friends as well as the school children. The baseball game between teams from Lansing and Newtonbrook schools was hotly contested. The visitors won by the score of 12 to 9. The races had many competitors and other games were also enjoyed. After a delightful supper, with ice cream and orangeade, Mr. G. R. Goulding was called upon to distribute the prizes won in the races. Mr. Edward Brett, the school caretaker, was specially honored and was made the recipient of a beautiful Bible. This was a mark of appreciation of his faithful work and of the esteem in which he is held.

The event was honored by the presence of the Board of school trustees.

On Thursday evening, the Pollyanna Club met at the home of Miss Janet Riddell. There was a splendid attendance of members. Miss Doris Soden, the president, had charge of the meeting. A special feature was a presentation to Mrs. E. R. Young, whose efforts on behalf of the young ladies have been greatly appreciated. An address of appreciation was read by Miss Irene Smith and Mrs. Glenn Shaw, on behalf of the Club presented Mrs. Young with a handsome brass jardiniere. Refreshments were served and a delightful evening was enjoyed.

The Women's Association of the Newtonbrook United church is arranging for a garden party to take place on the lawns of Mr. and Mrs. W. T. Wells on Saturday evening, July 5th. A delightful time is anticipated. The Zion Women's Association met on Wednesday afternoon, June 11th, at the home of Mrs. Robert Trimble. There was a large attendance of members. After a fine afternoon's work

had been accomplished, and after the arrival of the gentlemen for supper, Miss Susie Pike read an address to Rev. E. R. and Mrs. Young, expressing appreciation of their faithful work amongst the people at Zion for the past six years. Then, on behalf of the Association, little Miss Lancaster presented Mrs. Young with a beautiful quilt and little Miss Phyllis Topping presented Mr. Young with a gold belt buckle, after which a delightful social time was enjoyed.

There was a good attendance at the Special Women's Association service at Zion United Church last Sunday evening. Special music was provided by Mrs. A. Pike, Mr. and Mrs. Vernon Pike and Mr. Harvey Pike. Mrs. E. R. Young gave the address.
