

Letters From The People

CARD OF THANKS
Editor Liberal,
Sir—;
To the numerous replies to my ad in the Liberal soliciting accommodation for anticipated visiting Shriners for the convention early this month, I feel very grateful for the proffered homes in and around Richmond Hill that would have been made use of had the anticipated numbers reached what were expected, but a large number that were heading for Toronto were intercepted and advised not to come as the expected number could not be accommodated as the city was over taxed. Who was responsible for this is a matter of conjecture as it certainly did not emanate from the hotel and housing committee of Rameses Temple as considerable of what was reserved was not made use of. This will express my thanks and explain why those who had offered to give accommodation were not called on.

JOHN H. DUNLOP
Past Potentate of
Rameses Temple

APPRECIATES SERVICE GIVEN

Dear Mr. and Mrs. Halbert,—
It is with a deep sense of loss that we anticipate your departure from our church and community, as a preacher we have found you to be a powerful exponent of the truth. As a pastor, you have been faithful at all times. Your cheerfulness and sympathy have brought comfort into the sick room and hope into homes darkened by sorrow. At all times we have found yourself and Mrs. Halbert to be congenial and trustworthy friends. We feel that words or even gifts are inadequate to express our gratitude, but we ask you to accept these small tokens of our love and appreciation of all that you have done and we pray that God will continue to richly bless you both as you seek to serve Him in another part of His vineyard.

MAN CAN'T SLEEP, GETS NERVOUS, HATES PEOPLE

"I could not sleep and got so nervous I hated everybody. Since taking Vinol, I can sleep 10 hours and feel full of pep all day."—Julius Bender.

For 30 years doctors have prescribed mineral elements of iron, calcium and Vinol because it contains important cod liver peptone. The very FIRST bottle brings sound sleep and a BIG appetite. Nervous, wornout people are surprised how QUICK Vinol gives new life and pep! Tastes delicious.

Here and There

(543)
Three months of hard labor which included the levelling of 21 acres of rolling waste land and the laying of approximately 12 miles of new track, terminated June 5 when the Canadian Pacific Railway finished the construction of "Foz City," Toronto, for the accommodation of the huge army of Shriners who held their convention in that city recently.

Lake Minnewanka, famous sheet of water in the Canadian Rockies, not far from Banff, has entered angling history with the capture recently of the largest trout ever taken from the lake. It weighed 40 lbs. 8 ounces and was 41 inches in length and 32 inches in girth. It has been stuffed and is now in the Banff museum.

The immensity of the progress made and the almost boundless prosperity he sees ahead for Canada has brought home to him the great need for the awakening of England to a better understanding of the Dominion, was the statement made recently by Major L. A. M. Jones, economic supplements editor of the Morning Post, London, England, who is making a several months tour of Canada studying conditions here.

During the course of the forthcoming World Power Conference to be held in Berlin, Germany, June 26, C. Lefebvre, delegate for Canada, will propose that the next convention shall be held in Canada in view of the rapid strides made in matters electrical by the Dominion. Mr. Lefebvre sailed for Europe recently on board S.S. Empress of France.

RATEPAYERS' ASSOCIATION PLANNING FOR FIELD DAY

The East Vaughan Ratepayers Association held a special meeting on Saturday evening and decided to still continue the annual Field Day. Committees were appointed as follows; Mrs. P. Sparks, convener; Mrs. J. Loftus, assistant; Mr. Evans, Mr. J. P. Sparks, Mr. J. Loftus and Mr. F. Cole. With power to add to their number. With this committee in charge, we feel sure the only thing needed to make the affair a big success, will be fine weather.

Mrs. M. Farrants has returned to Richvale after spending one week in Ottawa, attending the convention of the Daughters of England, Benevolent Society.

Mr. and Mrs. C. Baird, of Toronto, spent the week-end with Mr. and Mrs. H. Gardener at their summer cottage on Spruce Ave.

Mr. and Mrs. R. Hymns and master Howard Hymns with Mr. and Mrs. Collville, all of Toronto, called on Mr. and Mrs. Farrants, Spruce Avenue and spent a couple of hours admiring the beautiful garden of flowers and fruit.

Mr. and Mrs. S. Bales, Mrs. Collis and Miss Flintoff, all of Toronto, also Mrs. J. Short, of Oshawa, spent last Saturday afternoon and evening, with Mr. and Mrs. Farrants, Spruce Ave.

We are pleased to note that Mr. Peter Hord has been promoted from Capt. to District Chief on the Toronto Fire Department.

VETERAN FIREMAN HONORED BY COMRADES

Mr. Edwin Farrants has sent in his resignation to the Toronto Fire Department, to take effect on the last day of June, this week the firemen of Montgomery Hall, (where Mr. Farrants has been stationed for the last ten years) called him in, and presented him with a beautiful meersham pipe, and tin of tobacco; also a beautiful Amber pipe and tobacco pouch. The presentation was made by District Chief Thomas Jones, who in the course of his remarks complimented Mr. Farrants on his clean record as fireman—34 years and 9 months on the Fire Dept. and not one black mark on his reputation—but he has earned the respect and esteem of all his colleagues in the hall. Mr. Jones said they were all sorry to see him going, but hoped he would live many years to enjoy his well earned rest.

Mr. Farrants thanked the men for their kind words, and the kind thoughts behind the gift.

Watch for the Sunday School picnic on July 10th. We are planning to go to Lake Wilcox. Keep the date open.
