John H. Sanderson Pioneer Resident Called By Death

The death occurred shortly after one o'clock to-day (Thursday) of John H. Sanderson, Richmond Hill's oldest native resident. Mr. Sanderson has been in ailing health for some time having suffered with heart attacks but of late his condition has been much improved. Shortly after dinner he walked to the bank where he transacted business and was on his way home when suddenly stricken before he reached Centre Street just a few doors from his home. Medical aid was immediately summoned but in a few minutes just as the doctor arrived he passed away. Death was due to heart attack.

The death of John Sanderson removes one of the district's oldest and most highly respected citizens. He was in his eighty-fourth year, was born in Richmond Hill, carried on business here for many years, and lived almost his whole life in this district. He is survived by his wife, formerly Elizabeth Linfoot who is now in her eighty-third year. Mr. and Mrs. Sanderson celebrated their fiftieth wedding anniversary four years ago. At the time of going to press funeral arrangements have not been completed.

CAR SERVICE MAY START SATURDAY

The car service on Yonge Street as far as Richmond Hill which was expected to have commenced early this week has been delayed pending some changes in the operating agreement with the Toronto Transportation Commission. The Reeves of the municipalities of Richmond Hill, Markham, Vaughan, and North York with the solicitors for these municipalities have been busy during the week and have had several conferences with the T.T.C. and it is confidently expected that everything will be satisfactorily adjusted very shortly and that the car service will commence by Saturday or early next week. As soon as the agreement details are arranged the T.T.C. is ready to immediately start operations, the schedule and all arrangements for the service being in readiness.

W. P. MULOCK HERE SATURDAY AFTERNOON

W. P. Mulock the candidate in North York who is attracting to his support independent electors of all political affiliation will be in Richmond Hill next Saturday afternoon. The Mulock campaign was opened last Thursday evening with a rousing and enthusiastic rally in Newmarket when Hon. James Malcolm, Minister of Trade and Commerce and C. G. Powers, chairman of the committee which drafted the new legislation for veteran and veterans dependents were the principal speakers.
