Mulock and Empire Trade Greeted with Enthusiasm In All Sections of North York

W. P. Mulock is making a triumphal tour of the riding of North York and by Saturday night will have visited every section of the electoral district. In all communities he has received a most enthusiastic welcome and to-night the popular candidate will speak in Richmond Hill. Other speakers at the meeting to-night will be Hon. G. N. Gordon, of Peterboro, Col. A. E. Kirkpatrick, A. J. Ward and Miss Edna Ferguson. Talented entertainers will contribute to the program in the persons of the Adanac Quartette of Toronto a very talented musical organization.

Tuesday night Mulock meetings were held at Thornhill and at Markham and on Wednesday night at Maple and Kleinburg. The speakers at the meetings included A. J. Ward, of Stouffville, Joseph Singer, of Toronto, Mrs. Forbes Allen, of Peterboro; Miss Edna Ferguson, of Aurora and others. The Thornhill meeting was held in the Lawrence Memorial Hall and N. J. Smellie ably acted as chairman. At Markham John R. Campbell presided and at Maple on Wednesday night William J. Johnson occupied the chair.

At every meeting throughout the riding W. P. Mulock has impressed on the electors that the outstanding issue of the campaign, the one which towers above all others in importance is the issue of EMPIRE TRADE. His reasoned discussion of this important issue and the sincerity with which he places the platform and record of the present government before the people has made a very favorable impression at every meeting. To-night he will be in Richmond Hill and everyone is invited to be present and hear the issues of this momentous election discussed.

At Maple on Wednesday evening A. J. Ward made an eloquent plea for the adoption of the policy of EMPIRE TRADE as sponsored in the Dunning May Day Budget. As a Canadian of Old Country birth he spoke knowingly of conditions in the MOTHERLAND and emphasized the importance of the fostering of trade between the sister dominions and with the British Isles. He took the leader of the opposition sternly to task for his talk of BLASTING his way into the markets of the world and into the markets of the MOTHERLAND. "No-one has ever been able to get very far trying to BLAST John Bull" he said and the people of Canada I am sure are not in favor of that kind of tactics in dealing with our MOTHER COUNTRY."

In speaking of the representation of the riding of North York Mr. Ward quoted from the Evening Telegram of May last regarding the record of Col. Lennox the conservative candidate in this constituency. In discussing the representation of Toronto and the Yorks in the Dominion House the Telegram said that of "the twelve representatives who go to Ottawa from these ridings with the exception of Tommy Church, Col. Geary and occasionally Joe Harris the rest might just as well have vanished from the face of the earth." These are not the words of The Globe or the Star said Mr. Ward, but of The Evening Telegram a paper very favorable to the party of which Col. Lennox is a member. The Telegram says that as far as anything he ever does at Ottawa is concerned, he might as well vanish from the face of the earth. That is not the type of representation Nor-

th York should have said the speaker who voiced his confidence that on July 28th North York would give a large majority to W. P. Mulock.

Miss Edna Ferguson outlined the record of the present government from the standpoint of the home and appealed to the women of North York to support the government which had done so much to reduce the cost of living and so much in the interests of better living conditions in Canada. Claiming that Premier Ferguson of Ontario has no right to pose as the guardian of Ontario's rights after the failure of the government to prosecute in the A. B. C. probe, Mrs. Forbes Allen, of Peterboro was loudly cheered at Markham and Thornhill.

"Premier Ferguson," she said, "has tried to make several issues the issue of the campaign and, as each fails, he changes to another. First it was the five-cent issue, then unemployment, then the St. Lawrence development, and now he is on guard for the rights of Ontario. But I ask, was he on guard for the rights of Ontario when the Ontario government refused to prosecute in the A. B. C. scandal?"

A. J. H. Eckart, of Toronto was one of the speakers on behalf of Mr. Mulock at Markham. He claimed that EMPIRE TRADE was the logical policy for Canada in finding a market for her goods and asked support of the present government because of its work for the great basic industry of Agriculture which makes such a contribution to our national life.

A pleasing feature of the meeting at Maple was the presence on the platform of Mrs. W. P. Mulock and Miss Mulock a sister of the candidate.

Radial Meeting At Richvale

The car service which commenced on Yonge Street as far as Richmond Hill last Thursday is enjoying generous patronage from the people and is a welcome change from the conditions which existed with a bus service.

There have been some complaints as might be expected but many of the difficulties have been cleared away and others will no doubt be taken care of as the operators become used to the route and the demands of the service.

There is some question in the Richvale district as to the time of certain cars and a meeting under the auspices of the East Vaughan Ratepayers Association will be held on Wednesday evening, July 30, for the purpose of discussing the new service and if possible make suggestions for improvements. All interested are invited to attend.

LANGSTAFF

Mr. McCarthy, Mrs. Bottomley, Mr. and Mrs. F. Bottomley, Misses W. and H. Bottomley and Miss Dorricot, of Toronto, spent Sunday with Mr. and Mrs. M. L. Townsend.

Miss Jessie Townsend is spending this week in Toronto, visiting Mrs. Bottomley.

How strange that police never find a gangster at home when their call has been advertised in the papers for a week or two.

Report of Vaughan Nursing Service

The people of Vaughan township are appreciating more and more the need of a Public Health Nursing Service in the municipality. The recent report of the Nursing Demonstration has once again emphasized the desirability of carrying on the work the foundation for which has been so well laid this year. There is a decided feeling throughout the township that the municipality should engage the nurse for that municipality alone and not in any joint plan with neighbouring towns.

According to the report of the Nurse this year there are over 5000 people in the township, there are 21 schools, 885 school children (from 490 homes), besides 100 infants and 500 pre-school children. These are spread over approximately 100 square miles. To cover this territory is in itself all one nurse can do efficiently.

As evidence of this, the following figures taken from the Nurse's Report covering a period of 10 months are very illuminating:—

Visits made to schools 239. Health talks given 38. Pupil inspection (by nurse) 4262. Pupils examined (by doctor) 563. First-aid treatments given 10. Children receiving Toxoid 473. Children sent home with suspected communicable disease 96. Visits made to homes of absentees 113. Visits made to parents of children with physical defects 418. Visits made to homes where there was communicable disease 56. Visits to cases of tuberculosis 25. Visits to suspected cases of tuberculosis 6. Visits to contacts

of Tuberculosis 43. Other miscellaneous visits 119. Consultations 144. Social welfare visits 50. Emergency bed-side care calls 5. Meetings attended 7. Hours spent on work in office 237.

There is no adequate way to estimate the value in dollars and cents of the good done by this vast accomplishment. If for instance, out of all this work, even one were saved from a life blindness, tuberculosis, postural deformity, "blood poisoning" or any other serious illness, the investment of time and money would be more than repaid.

ELGIN MILLS

Little Cecil Espey the four year old son of Mr. W. H. Espey who was knocked down by a truck in Newmarket last week returned home on Tuesday from the York County Hospital and is making favorable progress towards recovery.

The many friends of Miss Nellie Naughton are sorry to hear she has been very ill the past week and hope she will soon be quite well again.

Don't forget the Raspberry and Ice Cream Supper to be given on Saturday, July 26th, 1930, on Mrs. Stephenson's lawn from 5.30 to 8 p. m. under the auspices of the Elgin Mills Girl Club. The proceeds of which will be to help the Star Fresh Air Fund and our Community Sunday School. There will be softball games by Thornhill Unionville and Elgin Mills at 5 p. m. Horseshoe pitching and progressive euchre and bridge in the evening; also dancing in the pavilion at 8.30 p. m.
