

**WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT**

**THE ROSE BEYOND THE WALL**

Near a shady wall a rose once grew,  
Rudded and blossomed in God's free  
light;  
Watered and fed by morning dew,  
Shedding its sweetness day and night.  
As it grew and blossomed fair and tall  
Slowly rising to a loftier height.  
It came to a crevice in the wall,  
Through which there shone a beam of  
light,  
Onward it crept with added strength,  
With never a thought of fear or pride,  
And followed the light through the  
crevice's length.  
And unfolded itself on the other side,  
The light, the dew, the broadening  
view  
Were found the same as they were be-  
fore,  
And it lost itself in beauties new,  
Breathing its fragrance more and more  
Shall claim of death cause us to grieve  
And make our courage faint or fall?  
Nay, let us faith and hope receive—  
The rose still grows beyond the wall,  
Scattering its fragrance far and wide,  
Just as it did in days of yore,  
Just as it did on the other side,  
Just as it will forever more.

**NORTH YORK TOWNSHIP CONSIDERS YONGE STREET WIDENING**

North York township council on Tuesday received the report of Engineer G. H. Baker on the widening of Yonge Street through the township from old Yonge Street to Steele's corners to 100 feet in width.

Deputy Reeve George B. Elliott, who requested the report, moved that the township council establish a building line on the east side of Yonge St. in accordance with the report and confer with Hqn. Geo. S. Henry, minister of highways, for another pavement on the east side of the radial tracks.

"We should confer with Hon. Mr. Henry at once," said Mr. Elliott. "The whole thing will take from one to two years to complete."

Reeve James Muirhead expressed satisfaction with the findings of the engineer.

The engineer estimated the value of the land at \$100,000, and the cost of moving or replacing 27 buildings at \$80,000 for the project. Of this total of \$180,000 the township would assume \$135,000, he stated. The cost to the township for 20 years would be \$10,700 making a tax rate of 1 mill. The widening would not alter the radial service, Mr. Baker stated.

"The new pavement," he stated, "would be constructed to the east of the present pavement, leaving a strip 18 feet in width between the two pavements, which would provide for future double tracks and accommodate, without interference in any way, the single track and poles.

The entrance fee for rinks outside of Toronto has been placed at \$7.00 and entries will close on August 12th with the honorary secretary, Harold Rowlatt, 10 Wellington St. East, Toronto.

It is expected that there will be at least 128 entries this year representing over five hundred bowlers, and one of the most enjoyable weeks of the year may be confidently anticipated.

**RESPASSERS ANNOY FARMERS**

Farmers in the Musselman Lake district according to The Stouffville Tribune are up in arms against the action of many campers who without restraint tramp across their grain and root crops, causing destruction to them. This trouble also exists at Wilcox Lake and no doubt other summer resorts, but the situation is becoming intolerable according to the farmers in the territory affected.

**Dominion Tournament In Toronto, August 18th**

A marked revival of public interest in lawn bowling has been manifest throughout Canada this year and especial interest has been directed toward the Dominion Lawn Bowling Tournament to be held in Toronto, opening on August 18th. This will be the thirty-eighth anniversary of the inauguration of this competition and it is expected that the number of rinks entered will exceed that of any previous year.

Headquarters this year will be on the most excellent greens of the Victoria Club while there will also be available the lawns at Oakwood, Rusholme, Parkdale Canoe and High Park Clubs.

The Tournament comprises six competitions, the Dominion Trophy, the Ontario Cup, the Toronto Cup, the Primary Doubles, the Willison Doubles and the Rice Singles, in each of which a most handsome trophy will reward the winners, in addition to the individual prizes. This year will be marked again by the presentation of a new trophy for the Ontario competition, the donor being Hon. E. B. Ryckman, K.C., M.P.

The greatest feature of the Dominion Tournament is the opportunity it affords of meeting brother bowlers from all parts of Ontario who do not enter local competitions. Practically every large centre in Ontario has one or two rinks of good fellows who look forward to spending a few days in Toronto and fraternizing with old friends they have previously met on the greens.

Another feature of this blue-ribbon bowling event is the fact that practically all of those participating are careful to observe true bowling etiquette by wearing correct bowling costume, consisting of blazer, white or cream flannels with belt, and brown shoes without heels. Most of the standard clubs have already adopted club colours and the Dominion Tournament offers a most pleasing spectacle with several hundred bowlers arrayed in most attractive out-door garb.

The entrance fee for rinks outside of Toronto has been placed at \$7.00 and entries will close on August 12th with the honorary secretary, Harold Rowlatt, 10 Wellington St. East, Toronto.

It is expected that there will be at least 128 entries this year representing over five hundred bowlers, and one of the most enjoyable weeks of the year may be confidently anticipated.

The chairman is H. G. Salisbury, of St. Matthews Club, and Vice-chairman J. A. Raymond of Rusholme, while the Executive comprises representative bowlers from all city clubs and the majority of outside towns and cities in Ontario.
