Taking the Cream ... In cleaning Anthracite by the new process, the coal rises to the top like cream. The producers take only this cream for the quality we supply to our customers. Easiest to handle; safest to store; quietest to burn; cheapest to use—Anthracite is by all odds the best all 'round fuel for home heating comfort. Prepared by the new process, our Anthracite is cleaner, more uniform in size and lower in ash content. Your bin filled now will insure the same in comfort next winter. L. D. Here and There

Successful Canadian exhibitors in the International Grain and Hay Show to be held at Chicago, November 29-December 6, will be awarded liberal bonuses in addition to the regular premiums offered in the prize list now being distributed. The provincial governments of Quebec, Ontario, Alberta, Saskatchewan and British Columbia, the Calgary Board of Trade and the Canadian Pacific Railway have also announced offers of special awards for Canadian exhibitors.

That elk are attracted by music seems to be established by the actions of two fine specimens of that animal which stroll out of the bush when dancing begins at the Banff Springs Hotel every evening. Under the ballroom windows they begin to shake their heads and prance, cavort and caper while the music lasts, not even stopping to eat until the orchestra has ceased playing.

Canadian poultry are rapidly being recognized throughout the world as reaching unusually high standards and recently the S.S. Empress of Canada, clearing from Vancouver to China, Japan and the Philippines, carried 60 head of registered white leghorns consigned to Manila to be used in building up the poultry industry of the islands. The birds came from a poultry farm near Vancouver.

Captain R. W. McMurray, for the past five years marine superintendent of the Canadian Pacific's British Columbia coast steamship service at Vancouver and prior to that a commander with the Canadian Pacific trans-Atlantic fleet, has been gazetted in the London Times of July 14 captain in the Royal Naval Reserve, promoted from the rank of commander, R.N.R. Captain McMurray, whose rank is equivalent to the army rank of brigadier-general, is one of the few living Canadians holding such a high position in the R.N.R.

The province of Manitoba last month celebrated its sixtieth birthday. Where 60 years ago the buffalo reigned alone, Manitoba farmers are now pasturing 360,000 horses and 680,000 cattle and the prairie dweller instead of returning to fort or wigwam from his day's work, spends his evenings in his radio-equipped home or motors over good highways to the nearest city.

About a thousand tons of zinc concentrates from Field, B.C., on the main line of the Canadian Pacific Railway, were shipped to Japan recently, this being part of a movement of 1,500 tons monthly from a mine which started five months ago and which ships lead concentrate to California.

Nearly 12,000 extra men are finding employment this summer in the Canadian Pacific Railway program of construction, maintenance and improvement from coast to coast of the Dominion. Program includes laying of branch lines, repairing and renovating of right of way, bridges, tunnels, stations, and other buildings. The men in general are recruited as near as possible to the scene of work and kept steadily employed until each job is finished.

Foremost Novelist

Miss Ruby M. Ayres, author of "Broken," acclaimed by critics as England's foremost woman novelist.

OUR NEW SERIAL

We have been fortunate in obtaining the serial rights to the great story by the writer, Ruby M. Ayres.

Miss Ayres is regarded by literary critics as the most searching explorer of the human heart. Her characters are alive. She makes you feel their emotions, weep with them, grieve with them, rejoice with them. Her latest story "Broken" will commence soon as a serial in "The Liberal."
