RICHMOND HILL

Markham township council members were nonplussed at the regular meeting on Monday when they received a bill for \$389.39 from the village o Richmond Hill. They were still more nonplussed on going into the matter to discover that they had nothing to show for the money. QUESTION LARGE BILL FROM ceipts from water users in Markham township of \$67.41 leaving a balance of \$389.39.

Statisticians around the council tab le figured that if the leak commenced at the very commencement of service in 1925 the water has been running away at the rate of about one gallon a minute and every sixteen minutes in the five years it cost Markham township a loss of 15 cents in the waterworks business.
