

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

WE CAN BE KINGS OF EARTH IF WE'VE A MIND TO We're all of us ugly ducklings, and we'll come out swans at last— That is, we aim to. At least, there's no one else, if we don't dast To give the blame to. It's only we ourselves that keep us down; Men choose a fool's cap, who might wear a crown. All gifts are within our reach, but some we're blind to. We can be kings of earth, if we're a mind to.

OBITUARY

Denis Lane Kirby In the tragic death of Denis Lane Kirby, which took place near Ocean Falls last week, Vancouver loses one of her brightest students and a young man of great promise. Born in Vancouver nineteen years ago, Denis was the son of Mr. and Mrs. Roy W. T. Kirby, and received his public school education at the Laura Secord School, standing in first place in his class very often, and making a splendid record throughout.

On leaving public school, Denis entered Kitsilano High School and there continued his fine record. Upon matriculation he took first place in the province and won the Governor-General's medal. Entering the University he again showed great ability in his studies and at the conclusion of his first year secured the Royal Institution of Proficiency, and the Beverley Gale scholarship for the first male student in English in his year. This last went by reversion to the next highest student.

This summer, feeling the need for outdoor life, Kirby secured a place with surveyors and it was in the course of his duties that the accident happened on August 12 which took the life of this promising young man.

The funeral service, held in Christ Church Cathedral on Monday August 18th, was very impressive. Fellow students of the University formed a guard of honor and lined the pathway to the Cathedral, while the casket was borne by other companions to the altar rail. Floral tributes were so numerous that a special cart had to be reserved to carry them to the Masonic Cemetery, where interment took place.

The service was conducted by Dean R. J. Rensell, assisted by Canon H. J. Underhill and Rev. C. C. Owen, and was attended by a large number of friends and sympathizers.

Denis Lane Kirby has left a bright record as a boy in the home, as a school companion and as an exceedingly clever student. He will be sadly missed by all who knew him, and the deepest sympathy goes out to the sorrowing parents, whose only son was thus taken from them.

Deceased was a nephew of Mr. Har-

old J. Kirby, Barrister, Toronto and his father Mr. Roy W. T. Kirby is well known in this district as he was born in Maple and later on as he grew up attended High School in Richmond Hill.

Council Meeting

At the regular meeting of the village council on Monday evening it was moved by Councillor Chapman, seconded by Councillor Middleton and passed by a narrow margin that the village constable Mr. S. A. Barraclough be discharged on the grounds that too much time was devoted by him to county work thereby neglecting the village work.

Councillor Frank Sims, who voted for Barraclough's dismissal, stated he felt the action was necessary "If Syd. Barraclough looked after the duties of the village as well as he did his county work, we could not ask for a better policeman. I was sorry to have to vote for the motion, because he is a good fellow apart from his neglect of the orders of the council."

Reeve Lunau was more emphatic: "It is the most ridiculous motion ever passed by the council," he told the press. "Mr. Barraclough is one of the finest policemen I have ever known."

Councillors Middleton and Chapman were also responsible for a motion instructing the town solicitor to communicate with Attorney General Price and ascertain whether council has power to insist on a monthly report of expenditures from a police court office.

A resolution was passed by councillors Middleton and Chapman that notices be sent to the members of the Board of Health showing disapproval of their engaging of a Public Health Nurse, especially after the rejection of the plan at the last municipal election.

A petition for a sidewalk on Centre Street was presented and a motion received. Councillors Chapman and Middleton were appointed to investigate and if necessary to order the work done.

Three readings were given of the bill, by-law, by means of which the village is to borrow \$17,000, or the village's share of the purchase

price of the North Yonge Street Railway. This loan was to be made on two 15-year debentures, one for \$15,000 at 5 1-2 per cent and the remaining \$2,000 on the sinking fund plan, the rate of interest to be 5 per cent. John Stallibrass, of Richmond Hill, was appointed building inspector for the village. The creation of this office was thought necessary in view of the number of buildings at present being erected.

It was agreed that the village would return to standard time with the city on Sunday, September 28th.

The Jubilee meeting of the Presbyterian Women's Missionary Society was held on Thursday evening last, at the home of Mr. and Mrs. Yerex, Yonge Street. Snedden presented Mrs. J. Graham with a life membership certificate and Miss Maud Buchanan of Busy Bees Band and Miss Ethel Young, of True Blue Mission Band with Junior membership certificates.
