A pleasant time was spent at the home of Mrs. J. During the evening all enjoyed progressive euchre, Miss Florence Clubine winning first prize. A social hour followed while Mrs. Teeson told of many interesting events during her journey.

Oak Ridges

Miss Trask, of Allandale, and Miss Chappell, of Meaford, were visiting at the Misses Blain this week.

Enjoyable Corn Roast

The corn boil and concert held at the home of Mrs. Lownes was a great success. A very good programme was rendered. The mixed quartette, Miss Elsie Smith, Miss Veda Wilton, Mr. Percy Forrester and Mr. Herbert were at their best in, "Come where my heart lies dreaming" and "Oh, come where the lillies bloom so fair."

Oak Ridges Sunday School girls gave a very good play, "Alice in Wonderland." Miss Marion Brammer favored the audience with a number of charming songs, including: "The little jaller dog", "The second Minuet", and "The world is waiting for Sunrise." Miss Molly Cave excelled at the piano in; "Blue Heaven" and "In the shadows."

An exceedingly clever young elocutionist is Miss Marjorie Clubine, who kept the audience entertained with; "Aunt Tabitha," "A song of spring," "What she was like" and "A woman's rights." Miss Olive Carlisle gave two mouth organ solos, accompanied by her sister Marjorie on the piano, which did them both credit. There was lots of corn for everybody and excellent refreshments. There were two guessing competitions. One the weight of a very appetizing cake, which was won by Mrs. Fred Legge. Miss Dorothy Hodgins, (the two winners divided the cake.) The second competition, guessing the number of beans in a jar was won by Frank Gardner who received a beautiful basket of peaches for the prize.

Many Attend School Fair

Wednesday, September 10th, saw the largest school fair for sometime, held at Oak Ridges school. Mothers, fathers, sisters and brothers from all parts were present, and cars were parked in every available space. There was a splendid exhibit in the school house. The Mayor of Aurora presented Master John Irving with a medal for bravery in rescuing a boy from drowning sometime ago. Some few people who did not appreciate "pop" as a thirst quencher were hard put to find any water to drink as the school well decided to go dry in the middle of the fair, and all the other wells were also nearly dry owing to the continued dry weather.

Mrs. Seaman from Portland, Oregon paid a short visit to Miss J. Blain this week.

A few scattered showers is about all the moisture that this vicinity seems able to get. For some people the water question is quite a problem.

Vellore

Don't forget Vaughan Township School Fair which is being held in Vellore on Tuesday, September 23rd.

The Vellore Women's Institute visited the Elia branch on Tuesday last, and all reported a good time. The visitors gave the programme consisting of papers given by Mrs. A. Cameron and Mrs. J. Brownlee, an instrumental by Miss Laurena Rutherford, solos by Mrs. M. Hutchison, report of the Junior Farm boys and girls activities in the district by Miss Mary Constable, and a contest conducted by Miss Jean McKinnon on a Country Girls wardrobe. Tea was served by the Elia Ladies and a very sociable time was spent.

Miss Margaret Black, R. N., of Detroit, Mich., visited her sister Mrs. C. H. Rutherford this week.

Mr. and Mrs. John Constable are spending a week with friends at London, Ontario.

Mr. Arthur McNeil left last week to resume his studies at the Agricultural College, Guelph. He is an outstanding player on the College Rugby team. Messrs Peter Craib and Wilmer Keefer motored to Lake Simcoe, on Sunday and enjoyed a boat ride on the lake which no doubt brought back memories of a bigger boat ride when they crossed the Atlantic a few years ago. Mrs. H. Rutherford, George and Phyllis, of Schomberg, and Miss Cora Rutherford, R. N., of Romeo, Mich., visited at Mr. and Mrs. C. H. Rutherford on Sunday.

The Choral Class with Mr. Fletcher of Toronto, as instructor, started on Wednesday night with about seventy present. There were fifty-nine fully paid up members and we hope to reach the hundred mark. Members were present from Maple and the surrounding district. All old and young are cordially invited to join the class. The term is of fifteen weeks duration.

Richvale

The Richvale Community Sunday School anniversary services were held on Sunday, September 14th, under the leadership of Rev. Lunau, Sunday School Superintendent. There was a fairly good attendance of friends to listen to the cantata, entitled "The story of Jesus." This was written and arranged by Mrs. Farrants, late of Toronto, now of Spruce Avenue, Richvale. Every scholar took his or her part in a very creditable manner. The singing of the scholars was excellent, with Miss Thora Allen presiding at the piano. Worthy of special mention was the trio of small children, namely Dorothy Sparks, May Macklem and Gordon Macklem. Little Ellen Stokes, aged 4 years, sang very sweetly and distinctly "Jesus Loves Me." We are indebted to Mrs. Jensen of Toronto, who sang a beautiful contralto solo, as the people were gathering; also Mr. John Oliver, of Toronto, for his two solos, especially the last one, "There's a beautiful land on high", as it made a very fitting finish to the afternoon session. Altogether the anniversary was a great success in every way. In the evening at 7.30, Rev. N. Wellwood, of Richmond Hill, preached a very appropriate sermon, taking his text from 2 Thissalonians chap. 2—and part of verse 16, "A Good hope, through Grace." Mr. Wellwood handled his subject in a very able manner, making all feel that although Mr. Wellwood may be past his 80th birthday he is still in his best days and filled with this good hope through grace. We were very pleased to have with us at this service the choir from the Headford United church who gave a real treat in music. The beautiful plants supplied by Mrs. Booth helped to make the church look cheerful on this special occasion.

The Women's Association will meet on the last Wednesday of this month, at the home of Mrs. Booth, Spruce Ave., September 24th at 2.30 p. m.

Do not forget our rumage sale early in October, and sale of home-made baking.

Banking Service and Prosperity

PROSPERITY on the farm is largely dependent on factors beyond the realm of the farmers' control. There must be a good market demand for farm products and the production cost must be kept in proper relation with market returns. Our Branch Manager is thoroughly familiar with the business of farming and is ready to assist in carrying your farm program to a successful conclusion.
