VAUGHAN TOWNSHIP SCHOOL FAIR BREAKS ALL RECORDS

Keen Competition In All Classes—Sarah McNeil won
Eaton Trophy—Vellore School Made Excellent Showing
—Patterson Well Up With The Winners.

In every department and in attendance and interest the annual school fair for Vaughan township held at Vellore on Tuesday established new records. The weather was ideal and every school section was represented by a long list of entries, and a good attendance of children and their parents and friends. There was keen competition in all classes and the judges were unanimous in paying tribute not only to the number of the exhibits but to their excellent quality. The showing of live stock was particularly large this year and was evidence that this department of the fair is growing, and from the interest shown in the judging it is a popular feature. The public speaking as usual was listened to with keen attention and the efforts of all the contestants were very creditable to themselves and to their respective teachers.

The T. Eaton trophy for the pupil winning the most points went to Vellore School and to Miss Sarah McNeil. Cameron McNeil was second and Miss Deborah Davidson was third. Patterson school made its best showing in its school fair history which captured many awards including the 1st prize in the stock judging contest which was won by Don. Graham & Wilbert Walker. Patterson also won the singing contest with No. 7 second and No. 13 third.

The Holstein special was won by Bruce Watson No. 12 and the Jersey Breeders special by James Baggs No. 18. The fair was under the direction of R. E. White, of Newmarket who was ably assisted by Clarence Graham and Fraser Gee of this district.

ACTIONS SPEAK LOUDER THAN WORDS
Dr. C. J. Hastings for many years M.H.O. for Toronto, personally supervised, recommended, and approved, the production and sale of millions of gallons of Certified Milk in the City of Toronto.
Certified Milk is sold in every City of importance in Canada and the United States, and approved by the Medical Health Officers of all these cities.

The following is an article on—
What Is Certified Milk?

As Defined by
DR. HENRY L. COIT
Founder of the Medical Milk Commission
CERTIFIED MILK is a product of dairies operated under the direction of a Medical Milk Commission, which body is appointed for voluntary service by a medical society. The milk is designed to fulfill standards of quality, purity and safety to insure its adaptability for clinical purposes and the feeding of infants.

The certificate of the Commission constitutes its authorization for the use of the term "Certified." The certification is based upon the fulfillment of prescribed medical requirements for the milk and is the guarantee that it conforms to definite standards and to fixed methods and regulations for its production.

The standards of quality consist of fresh, whole milk, unchanged by heat or cold, less than twenty-four hours old when sold, held between the temperatures of 48 and 50 degrees Fahrenheit, with not less than 12 per cent. of total solids, with fat content between 3.5 and 5.5 per cent. and without the addition of any other substance, material, chemical or preservative.

The standards of purity for the milk consist of the entire absence of particles of foreign matter, of the lowest possible bacterial and dust dropping content consistent with the highest possible practice of dairy hygiene, provided that the numerical bacterial contamination is at all times below an average weekly count of 10,000 per cubic centimeter.

The standards of safety consist in the use of every known means to exclude from the milk pathogenic micro-organisms, a medical guarantee that every employee handling the milk is free from disease and is not a disease carrier, and a veterinary guarantee that the cattle are in perfect health and cannot transmit through the milk any bovine affection.

The methods and regulations for the production of Certified milk are based upon the most advanced clinical requirements, prophylactic science and dairy husbandry and are changed as the action of the Commission modifies its technique for the attainment of its standards.

Certified Milk in this district is sold by

Horseshoe Contest Largely Attended

ANOTHER TOURNAMENT IN RICHMOND HILL NEXT SATURDAY

A successful horseshoe pitching contest was held at Richmond Hill last Saturday afternoon. Despite threatening weather there were forty entries in the contest which was featured by keenly contested games. The prize winners were: doubles 1st prize Fred Daniels and H. Diplock, of Toronto, second J. Jarvis, of Richmond Hill, and D. Russell. The consolation event was won by Hamilton and Millroy, of Woodbridge with Carl Daniels and Jack Woods second. In the singles Stan Ficht, of Richmond Hill won first honors with Fred Daniels, of Toronto as the runner-up.

Another tournament will be held next Saturday afternoon in Richmond Hill at James Hunt's Blacksmith shop Yonge Street. The play will start at 1 o'clock standard time. Come and bring your partner and shoes. There will be a doubles and a singles tournament. Entry fee 25 cents each.

Bowling Notes

A mixed tournament as a concluding event for the season will be held at the local green on Monday evening next under the auspices of the ladies club. Bowling will commence sharp at seven o'clock standard time and all who wish to play are invited to phone their names to Mrs. E. T. Stephens, telephone 54, or Mrs. A. G. Savage, telephone 118. Refreshments will be served at the close of the games.

HIGH SCHOOL FIELD DAY

The annual High School Field Day will be held on Wednesday afternoon, October 1st. The winners of the various events will compete at the inter high school meet at Aurora on October 11th.

CECIL CLARK

Twelve year old son of Mr. and Mrs. Bert Clark, of S.S. No. 2, Markham, who was the winner of the Public Speaking contest at Markham Township School Fair on Monday. He took as his subject "Lord Durham"

PARKING SIGNS

The parking signs which have been erected on Yonge Street have been the topic of considerable discussion on the street lately. These signs were requested by the Chief of Police as a measure in the interests of safety as he pointed out to the council that the practice of parking cars so close to an intersection was a dangerous practice. In accordance with his request the council purchased the signs which now adorn Yonge Street at the main corner. There have been no prosecutions however and the ban is we believe aimed only at those who would leave a car standing in these places for long periods of time inconveniencing the general public.

NEW BOOKS AT THE LIBRARY

The Librarian reports the addition to the shelves of the local library of a set of Dickens works in 32 volumes. This is an addition which should be much appreciated by the patrons.
