GENERAL NEWS AND VIEWS

The citizens of Barrie, will vote at the time of municipal elections on the question of Daylight Saving.

Petty thieving on a scale never before experienced is reported in the Alliston district.

Attempts at cattle rustling have been reported in the neighbourhood of Tottenham. The police have found very definite proof of the activities but have no clue of the guilty parties.

George Forrester, of Gormley was badly injured by a bull last week when trying to put the animal in the stable. He is progressing favorably but the timely arrival of his father saved him from certain serious injury

In the Goodwood District potatoes are only bringing about 85 cents a bag says the Stouffville Tribune.

A correspondent in the Aurora Banner last week suggested the purchase of Bond Lake as a public park by the townships of King and Whitechurch, with possibly the northern sections of Vaughan and Markham joining in the deal.

Fortunes, it is reported, are being made from poultry farms. But the work, though full of egg-citement, requires hen-terprise, hen-ergy and hen-durance.

The chemical fire engine purchased by Stouffville last year proved a fizzle on its first test last week. A car took fire on the main street and the fireman answering the alarm promptly used the chemical hose but the stream had no effect. The old reliable water hose was resorted to and soon had the fire out.

The cauliflower crop in the Stouffville district is reported to be about half an average yield owing to the dry weather. So far the price remains low.

Arrangements have been made by North York Plowmen's Association to hold a Plowing Match on the farm of William Richardson at Vandonf on October 23rd.

For the 100th time we again state that The Liberal will not publish anonymous letters, no matter how interesting they may be. Unsigned communications go into the waste paper basket. Unless you sign your name as a matter of good faith you might as well spare yourself the effort of writing the letters.

Acting on the advice of the local Medical Officer of Health who advised that the water being used for drinking purposes by the public school classes in the old High School came from contaminated wells the Board of Education is proceeding with the installation of the village water. Bubblers for drinking fountains will be installed in the building.

Although the season is getting on there was a heavy traffic on Yonge Street over the week-end.

Flivvers must be cheap down Windsor way. The city council recently presented one to an indigent family to enable them to get out of town. There are nine in the family and it is stated that the car cost less than the railway fares would have amounted to.

Midget golf is to be followed by peewee baseball on a seven foot diamond. Next thing we know the boys will be pitching horse-shoes in the cosy corners or under the dining room tables.

In the re-arrangement of the public school inspectorates in York County, Richmond Hill, Markham and Vaughan townships will come under a new inspector. Inspector Wilkinson will visit Richmond Hill and Markham and Vaughan will be under Inspector Robt Gillies, who comes to York from Northern Ontario.

A novel method of curing motorists of the habit of "cutting-in" was suggested to us by a visitor in the office this week. It was suggested that a whitewash sprayer be attached to the front of the car, with the control or release of the spray, say on the floor-board of the car within easy reach of the driver. When a reckless motorist cuts in in front just give him a gener-

ous spray of whitewash. If the white liquid decorated his car it would be definite proof that he was cutting in, and he could be picked up by the first traffic officer met or at least recognized by every motorist on the road as a dangerous driver.

MARKHAM

6th LINE NEWS

Two more new tractors in the neighbourhood! Who says the dust won't fly now at Mr. Nighs and Mr. Percy Spoffards? A Fordson tractor demonstration was held at Mr. E. Nighs a week ago Thursday with 35 interested spectators present.

Miss Ellen Brown who is residing with her sister Mrs. Geo. Love is on the sick list these days. We all wish her a speedy recovery.

The summer flu has been visiting these parts but this visitor must be classed with the unwelcome guests. The victims of the epidemic this week and last were; Miss Gladys, Mr. Bruce Lehman, Mrs. S. B. Lehman, Miss Francis Nigh and little Catherine Popham, who is visiting her grandmother Mrs. Wm. Stots.

Miss Marjorie Lehman spent Monday at Mr. George Baker's at Gormley. The former returned to Whitby Tuesday night to take up duties again after a few weeks vacation from the Ontario Hospital.

Mrs. Percy Puterbaugh and daughters Irene and Marion spent a few days with Mrs. M. Houck last week.

Miss Molly Collard was the guest of Mr. and Mrs. Alf Smith for a couple of days last week.

Miss Marjorie Lehman visited Mr. Theo Myers, Zephyr a week ago Tuesday and the following days was spent at Mount Albert with her aunt Mrs. Harry Spang.

Preparation is being made for a good programme for Rally Day next Sunday during the Sunday School hour at 1:30 p. m. The church is likely to be fittingly decorated with some of nature's loveliness and a very profitable hour is expected for both young and old. The church is large and the vacant pews are in the majority so let's try and fill them for once and then keep coming. Those faithful teachers, scholars and last but not least, the superintendent will appreciate your presence. Church service will be at 2:30 o'clock, so come an hour sooner and stay for both.

Mrs. M. Houck, Mr. J. H. Houck, Mr. and Mrs. Percy Puterbaugh and family motored to Uxbridge last Sunday.

Long faces have been the fashion for those driving cars along the sixth in the past week. Why? Because the road has been freshly tarred and who wants to get tar on a fine new car, or clean it off an old one for that matter. Oh well, it's an ill wind that don't blow some good and it surely does prolong the life of the road. No one wants to see it so sadly neglected as was the case the last summer when not only the tar was missing but repair of any kind.

The youths who were successful in their entrance exams are attending the Stouffville continuation school with as much or even more enthusiasm as they had during the last few days of public school life. Apparently their sole aim is the quest of further knowledge and judging from the amount of homework done they will certainly accomplish their pursuits. These seekers are Frankie Nigh, Marion Sellers, Kathleen Stots, Gladys Lehman and Grace Bully.

Mr. and Mrs. Harvey Houck called on Mr. W. J. A. Powells last Sunday evening.

Mrs. C. Lehman of Delhi, and other friends called on Mr. W. Lehman last week.

Messrs Willis and Harman Lehman, Miss Doreen Lehman. Mr. Bruce Lehman and Mr. A. C. Parish intend joining the Stouffville Choristers commencing Wednesday of next week, 1st of October. This is becoming an annual singing class under the capable leadership of Mr. Fletcher of Toronto.

"Now who remembers the name of the animal we were talking about yesterday?" asked the teacher.

"Please sir, ine warmer."

"The warmer! What nonsense—there's no such animal."

Another little hand shot up.

"Please, sir, he means the otter "
