

LORD DURHAM

First Prize oration at Markham Township School Fair delivered by Cecil Clark, S. S. No. 2.

Mr. Chairman, Honourable Judges, Worthy opponents and Ladies and Gentlemen: I consider Lord Durham one of Canada's greatest statesmen.

What did he suggest in his famous report? (1) The granting of responsible government. We have acted, as we now have responsible government.

(2) The union of Canada, we are united by the British North America Act of 1867.

(3) The introduction of a municipal form of government. We have this.

(4) The building of an Intercolonial Railway. This is now a fact not a suggestion.

Consider these four suggestions of Lord Durham. All four have been used as a starting point for the sturdy foundation, upon which Canada is built.

For the previous mentioned points I consider Lord Durham one of Canada's greatest statesmen and politicians.

Letters From The People

TWO SIDES TO A STORY Editor Liberal

There is so much talk concerning the village constable and so much misunderstanding as to the whole question that I wish to take some of your valuable space to point out a few facts for the benefit of others who probably like myself did not know much about the whole affair.

Some time ago the constable started protecting the school children when crossing Yonge Street, at the request of the school board I believe, and Mr. Editor this was a very commendable and necessary work.

Lower 8th Avenue district has made a substantial growth this season with four new homes built by Joe Rutledge Harvey Robertson, Newman Wiley and John Ellerby.

F. J. Suhr, of Brompton Farms, Kleinburg, was a big winner in Dual Purpose shorthorn cattle and swine at Schomberg fair.

A man that can do no harm in the world can do no good.

Mrs. Elmer Awry, of the C.P.R. station, wizard of the needle is as usual making many winnings at the fairs with her fancy work.

Farmers have been busy delivering wheat at the Farmers Co-operative elevator. The price paid is low and a rise is doubtful.

Pine Grove school with Miss R. Carroll in charge as teacher was in the front again this year for oratory at Vaughan township school fair with Ian Murray winning first place.

Some people exaggerate so much that they can't tell the truth without lying.

A number of ladies of the United Church Women's Association attended the big rally of the Toronto Presbyteries, west, centre, and east at Yonge Street United Church on Tuesday, September 30th, when Mrs. William Spence, President of West Presbytery presided.

The race track of Woodbridge fair grounds has undergone a thorough renovation. The southern section that has caused the fair board much anxiety because of washouts has been repaired and hundreds of truck loads of clay hauled from the subway excavation, which makes an excellent filling and raised three feet to almost the level of the north east section, making the track nearly level.

It is doubtful if there ever was a man who improved all his opportunities and ability.

HER CROSS LITTLE BOY WOULDN'T EAT OR SLEEP

"My little son had poor appetite, couldn't sleep, and was cross. I gave him Vinol and it ended these troubles like magic."

Vinol supplies the body important mineral elements of iron, calcium with cod liver peptone. This is just what thin, nervous children or adults need, and the QUICK results are surprising.
