Sidewalks for Yonge Street Subject of Conference To Be Held Here Next Week

Markham, Vaughan and Highway Department To Meet and Consider Policy.

The construction of sidewalks on Yonge Street will be the subject of discussion at a joint meeting of the Vaughan and Markham councils which will be held next Monday afternoon. On that day the members of the two councils will again go over the ground with representatives of the Ontario Department of Highways in an endeavour to arrive at an agreement concerning the location, type of construction and the division of the cost. This was the announcement of Reeve James H. Robson at the regular meeting of Vaughan township council on Monday following an interview with Hon. G. S. Henry and Reeve W. C. Gohn of Markham township.

In discussing the subject with members of the Vaughan Council Reeve Robson stated that the Highways Department was willing to assume forty per cent. of the cost of construction and also take care of any fills which might have to be made. He said that he thought the only solution for the difficulty rested in the construction of concrete walks. Expenditure on gravel or chnder walks he considered largely a waste of money as the people would not walk on them and the danger to pedestrians and motorists was as great as ever. The estimated cost of concrete walk is approximately \$2,600. per mile. Taking as a basis of discussion that it would be agreed to construct a half mile as a commencement of the program the cost would be \$1,300. This would be assumed as follows, Provincial Government \$500., Vaughan \$400. and Markham \$400. Should the representatives come to an agreement the first construction would probably be the half mile south of the limits of Richmond Hill. All sidewalks must be built on the west side of Yonge Street as the east side must be left for the widening program which is almost assured to come within a very few years at least.

Peter Mitchell of the 11th concession appeared before the council asking that certain roads in his district included in the mail route for that community be gravelled. Mr. Mitchell made a generous offer of assistance but the project required an outlay of over \$2000. so was laid over by the council as the year is well under way and the expenditure estimates about exhausted.

Three sheep claims were paid: — Carl Shaw, lot 28, con. 8, 1 sheep killed \$12.00, T.A. Bowes, Concord, 5 sheep killed less \$2.15 realized \$72.85, J. W. Magloghlin 1 sheep killed \$11. Johnston Egan and S. Hilliard asked for some work to be done on the Kleinburg hill. Temporary repairs in the way of gravel to fill up the holes will be made this fall and it is planned to permanently repair the hill next year.

The report from Magistrate Keith showed receipts from fines for the township of \$255. for August and \$10. for September.

An account was passed for \$110.25 for street lighting in Thornhill for the past six months.

East Vaughan Ratepayers Association wrote regarding the condition of Oak Avenue, Garden Avenue, and Avenue Road. The six streets in the North Yonge district which were constructed as local improvements have recently been treated to extensive maintenance work recently which the council felt met the request re Oak

MARKHAM

6th LINE NEWS
Keep the evening of October 16th open for the musical entertainment to be given by the choir of St. Clair Avenue Church, Toronto, in the Melville Church, under the auspices of the W.M.S. Watch for particulars next week.

Mrs. Stanley Topham and baby are visiting with her mother, Mrs. Percy Spoffard.

Congratulations to Mr. and Mrs. Harry Forrester on the birth of a daughter.

Several of our young girls are getting the nurse craze, Miss Blanche Topham left a week ago Tuesday to train in the Ontario Hospital at Whitby.

Miss M. O. Lehman spent Saturday under the parental roof.

A number from this line attended the Markham fair on Saturday. The crowd was said to be the largest for some years. Possibly due to the fine weather.

Mr. and Mrs. Ernest Cleminson, of North Bay, were week-end visitors at Mr. and Mrs. Harvey Houcks.

We expect to have to lose some of our Guild members after the 46th for a few months.

The Stouffville Choral Society intend to commence rehearsals for the season's concerts on that date. Unfortunately Thursday nights. An alteration of the Guild meetings may be possible and the only remedy.

Miss Annie Carruthers and her mother were visitors at Mr. Wm. Carruthers last week.

Mr. Harvey Houck has been having a change of occupation some of his spare time of late. He is building a sheep pen and at present the cement foundation is completed.

We are advised to keep an eye on one of our local bowlers. He is reported to be getting rather "spoony". At least, he had one presented to him and we all know the result of a start of this kind. Is that right Fred?

Miss Edith Brodie's many friends are very sorry to hear of her recent illness and sincerely hope that she will soon be around again.

Big Plowing Match

Widespread interest is being evinced in the International Plowing Match and Farm Machinery Demonstration which will be held October 14, 15, 16 and 17, on King's Highway No. 7, near the city of Stratford. This year's match promises to set a new record for number of entries contests and enthusiasm.

a balance of \$319.63, which was the amount of the cheque received by the treasurer.

As a result of the controversy at the commencement of the meeting all motions of the evening were presented in writing to the clerk signed by the mover and seconder.

The town waterworks system is enjoying signs of prosperity as it was announced that five applications for services are on hand.

Councillor Sims asked if Markham township had paid their water account. Answered to the contrary he suggested that the water be shut off. The council felt that Markham would pay and unless they refused to do so there would be no need to cut off the supply.

Reeve Lunan, councillor Davis and the clerk were appointed a committee to arrange for an Armistice Day service at the Memorial on Sunday, November 9th.

Markham Road, Richmond Street, Mill Street, and Centre Street and Church Street will be inspected by the council this week with the view of doing some graveling this fall.

It was decided to purchase an accident policy on all members of the volunteer fire brigade on motion of Councillor Middleton and Sims.

The annual court of revision to hear appeals against the assessment will be held in the council chamber on Monday evening, October 27th at 7.30 o'clock.

Councillor Middleton was authorized to have the chimney at the arena altered to accommodate a stove in the ladies' dressing room. Councillor Middleton chairman of the arena committee pointed out that this would be an economy on many occasions as it would save firing the boiler when the rink was rented for skating parties.

On motion of councillor Sims the "No Parking Signs" erected at the corner of Yonge and Arnold and Lorne Avenues will be removed at once. Councillor Sims said that the parking rule was not enforced and the signs might as well be down.
