At the Banquet special honour will be shown to the Treasurer of the Association, Captain W. H. A large gathering is expected and this one gala night of the year for the North York Veterans is expected to be a bigger night than ever before. All Veterans are eligible to attend and should communicate at once with the President or Secretary of the Veterans Association in their municipality in order to secure tickets.

Old High School No Longer Granted for Police Court Use

School Attendance Officer Will Confine Duties To This Section—No Raise In Pay Just Now.

The proceedings of the Richmond Hill School Board at the regular meeting on Monday night were enlivened by a discussion of the occupancy by the town of the old High School for police court purposes.

At the regular meeting, on Monday last a motion by trustee Bert Cook seconded by trustee C. H. Sanderson and carried on a vote by seven to two rescinded the former motion.

Chairman Duncan—What do you mean better judgment? Trustee Cook—I mean that there was no need for the court to interfere with School Board meeting the way it did.

Trustee Eden—I did not like the way things have been going. On one occasion we had to retire to a back room while a case was dealt with, and then last meeting we had to go to an upstairs room.

Trustee Cook—And sit around a packing box. Trustee Eden—This used to be a nice room. It was a suitable place for the Board meetings.

Trustee Cook—One thing we were unable to hold our meeting at all on account of court. There was no need to hold court at night especially if there was a board meeting.

Chairman Duncan—You get in trouble in Orillia, Barrie or a score of other places you'll find the magistrates there quite obliging.

Trustee Sanderson—Is court held here now anyway? Chairman Duncan—No, but the office is used for court business practically every day.

Trustee Sanderson—Have we got a police magistrate? Chairman Duncan—You'd better ask the Attorney General.

Trustee Sanderson—I think the only way to get on a right basis is to pass the motion. Trustee Edenan said his only reason for giving the town use of the room was to save expense.

Chairman Duncan cautioned the members not to be too hasty in any action which might work against the best interests of the town.

to divulge to you now, but my advice is to leave well enough alone for a while at least. Any part which I have played I have always had in view the best interests of the municipality he said.

Trustee Cook—Put the motion. The motion was put and carried with seven supporters and two voting against it.

A second motion was introduced by trustee Cook and seconded by trustee Sanderson that all court belongings be removed from the school by November 1st.

Chairman Duncan again warned the members to go easy as he suggested that there were some things which the Board could do and some things which the Board could not do.

An amendment to the motion by trustees J. E. Atkinson and J. A. Monkman that any action on removing equipment, etc., be left over until the regular meeting in November, when there would be less uncertainty concerning the court and the Board would know better how to act, was carried on a division of seven to two.

Chairman Duncan drew attention of the board to the increased activity of the department in regard to the Adolescent School Act and pointed out that as a result the position of School Attendance Officer was one of rapidly increasing duties.

Trustee Tyndall—Not outside of our school section? Chairman Duncan explained that the Toronto Board did not know in what section they lived and sent the card to Richmond Hill.

Trustee Edenan—I don't see as we have any right to look after children in other school sections. Markham and Vaughan have attendance officers of their own.

Trustee Edenan—We can't split hairs. We're here for the good of education, or supposed to be, if there's a child at Steele's corners not getting to school it should be our interest to see that that child has a chance.

Trustee Monkman—I very much doubt if they would or not. We look after our own and that is our duty.

It was moved by trustee Sanderson, seconded by trustee Monkman and carried that the School Attendance Officer attend to the duties in his own section in future. The motion carried.

Trustee Edenan said that he thought it time enough to give an increase in salary when it was asked for. There was no such request from Constable Barraclough and Chairman Duncan said that he had not been approached on the matter, but being familiar with the work he merely drew it to the attention of the board.

The tender of the Jones Coal Co. for coal for the Public and High School was accepted at \$7.20 per ton for the Vinton variety.

An account for \$97.00 was passed for the emptying and re charging of the caustine system at the public school.

The secretary was instructed to cancel orders for the erection of partition and door to separate court room and office from class room hall way.
