HAD A BUMPER YIELD

An outstanding yield of blue grass is reported by one farmer in Haldimand County. His field was eight acres in size and from seven loads taken from the eight acres, 2900 lbs. of seed were obtained. This at the rate of 14c a pound yielded better than \$400, or more than \$50 per acre. A pleasing feature of this is that the straw is still good as a high-grade hay.

It is estimated that 5000 people attended the last opening celebration at Stouffville last week.

FOWL SUPPER

A fowl supper will be served in the Presbyterian Church, Richmond Hill on Wednesday, November 26th. Reserve the date.

The Women's Society of the Teston Church will hold a masquerade party at the home of Mrs. George Kerr on Monday evening, October 27. Prizes will be given for costumes.

A reduction of fifteen per cent. in the acreage planted of seed potatoes in New Brunswick this year as compared with 1928 is noted in the official crop report issued recently by the Soils and Crops Division, New Brunswick Department of Agriculture.

Calgary building records went over the million dollar mark for the month of June when 216 permits were issued for a total value of \$1,106,965. In June, 1928, permits issued numbered 136 to a value of \$688,205.

Record crowds attended the Brandon Exhibition held early in July, and, according to official statements, receipts at the main gate were fifty per cent. greater than last year, while those at the grand stand were 300 per cent. greater. The livestock entry was the best ever shown, according to many of the old-time visitors.

Visiting Prince Edward Island for the first time, E. W. Beatty, chairman and president of the Canadian Pacific Railway, will include Charlottetown in his tour of inspection of the Maritime Provinces scheduled for the middle of July.

A hotel within a stone's throw of the recently opened \$16,000,000 Royal York Hotel in Toronto, which housed nothing but hoboes, has been discovered by the Toronto police and nearly thirty "guests" were charged with vagrancy later in the courts, receiving sentences from six months down. The hotel, which was on the European plan, the inmates providing their own meals, was fixed up in an old house on the waterfront with cook-houses, beds, fire places, stoves, thirty pounds of coffee and everything but a telephone and a bath.

Letters From The People

WANTS BY-LAW ENFORCED

Editor Liberal, Sir—; I wish through the columns of your valuable paper to draw attention to the lack of enforcement of the by-law regarding closing of stores. There is a by-law which says that grocery stores shall close on Monday evenings at seven, and on Wednesday at one o'clock. Now Mr. Editor my point is, is it fair for one man to observe the by-law and another to abuse it at will? If we have the by-law it should in all fairness be enforced or withdrawn which would put all on an equal footing. There is also room for a check up on Sunday selling. Is it right for one merchant to observe the day and others keep wide open. I would like to see our council take hold of this matter and give it some attention. Thanking you for the space in your paper, I am

FAIR PLAY

HISTORIC NORTH YORK

Editor Liberal; Sir—; Being unexpectedly in Montreal lately I attended the unveiling of the statue of LaFontaine, before 10,000 people. I heard something there about North York and LaFontaine that surprised and delighted the throng. Several electors of North York sent a message of goodwill, reminding the people that LaFontaine, twice co-premier of Canada, with Robert Baldwin, entered the first parliament of the United Province as member for North York, and made his first speech as that riding's representative, in French. This message was accompanied by one from Sir Allen Aylesworth, who said he had been proud to represent in Parliament the same riding as had had for its member so great and distinguished a statesman as LaFontaine.

I saw and heard for myself how glad the Montreal people received these messages of Canadians to Canadians. The two greatest newspapers of the city, The Star and LaPresse had editorials cordially welcoming the action from North York. LaPresse also reproduced the messages in fac-simile, with signatures and translation. Mr. Lawrence Baldwin, nephew of Robert Baldwin also sent a cordial letter of goodwill, and told of the affectionate relations between the two leaders of the first Responsible Government in Canada.

Your readers, I am sure, will be glad to know from one who was there how highly their fellow-electors sentiment was appreciated.

A NEIGHBOUR OF NORTH YORK

HER CROSS LITTLE BOY WOULDN'T EAT OR SLEEP

"My little son had poor appetite, couldn't sleep, and was cross. I gave him Vinol and it ended these troubles like magic."—Mrs. L. DuCrest.

Vinol supplies the body important mineral elements of iron, calcium with cod liver peptone. This is just what thin, nervous children or adults need, and the QUICK results are surprising. The very FIRST bottle brings sound sleep and a BIG appetite. Vinol tastes delicious!

BEAUTY

There's beauty in the river, In the tiny gurgling brook. The songs of birds upon the wing, The cawing of the rook. There's beauty in the little leaf, Changing from green to brown. Just for a season blooming, And then come tumbling down. There's beauty in the wailing wind, The moaning of the trees. There's music in the creaking boughs, Fanned by the whistling breeze. There's radiance in the lightning, 'Midst the thunders mighty blast, For all can see it's beauty. What'er our creed or caste, There's sunshine in a baby's smile, God's love is in his eyes. The wonder of a rainbow, Gives a glimpse of paradise. There's joy 'e'en in our sorrows, Tho the tears are in our eyes. For surely out of sadness, Comes the balm that purifies. —F.C.R.
